مقدمة

Introduction

باسم الصانع العظيم أبدأ الكلام، مع الحمد والشكر لله تعالى عدد نجوم السماء وورق الشجر وقَطْر المَطَر، وسلام شامل وصلاة كاملة على النبي محمد وعلى أهل بيته عليهم السلام

In the name of the Great Maker, I begin, with praise and gratitude to Allah, the Exalted, as numerous as the stars of the sky, the leaves of the trees, and the drops of rain, and with all-encompassing peace and complete blessings upon the Prophet Muhammad and his Household (peace be upon them).

إن التجارب أثبتت بأن وعي الأجيال يفترق بين كل جيل وجيل

Experience has shown that the awareness of generations differs from one generation to another.

وعلى الرغم من تقدم العلم السريع إلا أننا نقف أمام عقول توقفت أغلبها عن التفكير

Despite the rapid advancement of knowledge, we stand before minds, most of which have ceased to think,

واختارت الاعتكاف داخل ظلامها دون السعي للبحث عن النور

and have chosen seclusion within their darkness, without striving to seek the light.

وَتُعْطِي اِهْتِمَامًا لِكُلِّ طَعَامٍ يَدْخُلُ بِطَوْنِهَا

They give attention to every food that enters their stomachs,

دُونِ رِعَايَةٍ مَا يَدْخُلُ إِلَى عَقُولِهَا مِنْ سُمُومِ الْأَفْكَارِ

yet show no care for what enters their minds from the poisons of ideas.

وَتَقْرَأُ مَا تُرِيدُ، وَتَسْمَعُ مَنْ تُرِيدُ

They read what they wish, and listen to whom they wish,

وَتُغْلِقُ أَبْصَارَهَا وَأَسْمَاعَهَا مَتَى تَشَاءُ

and close their eyes and ears whenever they please.

وَيُغْلِبُ عَلَى كَثِيرٍ مِنْهَا التَّوْتَرُ وَالْعَصْبِيَّةُ لِأَفْكَارِهَا وَمَيُولِهَا

Many of them are overcome by tension and attachment
to their ideas and inclinations,

وَيَتَّخِذُهَا جَسْرًا إِلَى أَطْمَاعِهِ تُجَارِ الْأَدْيَانِ وَالْأَوْطَانِ.

and the merchants of religions and nations take them as
a bridge to their ambitions.

مِنْ أَجْلِ الْإِنْسَانِ، وَنَظَرَاتِي فِي الْخَلْقِ، كَانَتْ الْإِرَادَةُ وَالْعَزْمُ فِي صِيَاغَةِ
أَجْوِبَةِ مَسَائِلِ

For the sake of the human being, and for my counterparts in creation, there arose the will and determination to formulate answers to questions,

تحتوي ألفاظا، قوالبها فيها نور، تُولّد الحياةَ وَسَطَ ظَلَامِ النفوس

containing words whose forms carry light, bringing life into the darkness of souls,

وتعمل على تفعيل التفكير، وتحصيل ممارسة التغيير.

and working to activate thinking and to cultivate the practice of change.

يتم معها تسليط الأضواء على معرفة القرآن الكريم

Through them, light is shed upon the knowledge (ma'rifah) of the Noble Qur'an,

ومعرفة النبي وأهل بيته صلوات الله عليهم

and knowing the Prophet and his Household (peace and blessings be upon them),

وبسط قطرة من بحر علومهم

and to present a drop from the ocean of their knowledge,

من خلال عرض الأجوبة مع استصحاب آيات القرآن الكريم وكلمات النبي وأهل بيته عليهم السلام

by presenting the answers alongside verses from the Noble Qur'an and the words of the Prophet and his Household (peace be upon them),

لِيَحْيَا مَنْ يَحْيَا بِشُعَاعٍ مِنْ نَوْرِ كَلَامِهِمْ

so that whoever lives may live by a ray of light from their words,

لأنهم الباب إلى الله عز وجل، والدليل إليه وعليه

for they are the gate to Allah, the Almighty, and the guide to Him and towards Him,

وبمعرفتهم تتم معرفة الله عز وجل، ولولاهم لم يُعرف الله.

and through knowing them, the knowledge of Allah, the Almighty, is attained, and were it not for them, Allah would not be known.

سبب تأليف هذا الكتاب:

The reason for writing this book:

إن الهدف من صياغة سطور هذا الكتاب من أجل أن يحيا الإنسان بالعلم
والمعرفة

The aim in composing the lines of this book is that the human being may live through knowledge and awareness,

في عالم تتزاحم فيه الأفكار، وينتشر الظلام، وتعشو الأبصار، وتختلط المفاهيم، وتتمزق الأرواح، وتشتت الأنفس

in a world where ideas crowd one another, darkness spreads, sight is dimmed, concepts are confused, souls are torn apart, and selves are scattered,

دون رعاية حق النفس على نفسها، وما ينبغي من الحفاظ عليها في حياتها وبعد موتها، وكيف يحيا الإنسان حياة طيبة.

without observing the right of the soul over itself, nor what ought to be preserved of it in its life and after its death, and how the human being may live a good and wholesome life.

على أمل أن يجد القارئ في هذا الكتاب ما يبحث عنه للخروج من متاهات الأفكار

It is hoped that the reader will find in this book what they seek, enabling them to emerge from the mazes of ideas,

ويُحدد وجهة المسير منه نحو طريق النور

and to determine their direction from it towards the path of light,

ليكون مرآةً لنظيره الإنسان في الخلق

so that it may serve as a mirror to their fellow human being in creation,

يُحب له ما يُحب لنفسه

loving for them what they love for themselves,

ويُعامله كما يُحب أن يتعامل نظيره معه

and treating them as they wish their counterpart to treat them,

ويتشارك معه الإنسانية والحب والسلام.

and sharing with them humanity, love, and peace.

السؤال رقم 1
ما هو الإيمان؟ ومن أين أعرفه؟
ومن الذي يعرفني به؟

Question 1

What is faith? From where do I come to know it?
And who is the one who makes it known to me?

ما هو الإيمان؟
What is faith?

الجواب:

Answer:

الإيمان، هو: التَّصْدِيقُ.

Faith is affirmation (tasdīq).

الدليل للتوضيح:

Evidence for clarification:

قال الله عز وجل عن أبناء النبي يعقوب عليه السلام:

Allah, the Almighty, said regarding the sons of Prophet Ya'qub (peace be upon him):

(وَمَا أَنْتَ بِمُؤْمِنٍ لَّنَا وَلَوْ كُنَّا صَادِقِينَ)

سورة يوسف: 17.

“And you would not be a believer in us, even if we were truthful.”

(Surah Yusuf: 17)

أَي: بِمُصَدِّقٍ لَنَا.

Meaning: one who affirms us.

مَنْ أَيْنَ أَعْرِفُهُ (أَي: الْإِيمَانُ)؟

From where do I come to know it (i.e. faith)?

الجواب:

Answer:

بواسطة القلب، وإقرار اللسان.

Through the heart and the acknowledgement of the tongue.

فتكون معرفة الإيمان بالتحقيق

Thus, faith is known through realisation,

وذلك عندما يتم الإقرار به بواسطة اللسان

and that is when it is acknowledged by the tongue,

ثم فهمه وقبوله بواسطة القلب

then understood and accepted by the heart,

ثم العمل به وله ولأجله في جميع الأوقات

then acted upon, for it and by it, at all times

في البيت والعمل، ومع النفس والبيئة والمجتمع.

in the home and at work, within oneself, and in one's environment and society.

الدليل للتوضيح:

Evidence for clarification:

قَالَ أَمِيرُ الْمُؤْمِنِينَ عَلِيُّ بْنُ أَبِي طَالِبٍ عَلَيْهِ السَّلَامُ:

The Commander of the Faithful, Ali bin Abi Talib (peace be upon him), said:

سَأَلْتُ النَّبِيَّ صَلَّى اللَّهُ عَلَيْهِ وَآلِهِ عَنِ الْإِيمَانِ، قَالَ:

I asked the Prophet (peace be upon him and his family) about faith. He said:

(تَصْدِيقٌ بِالْقَلْبِ، وَإِقْرَارٌ بِاللِّسَانِ، وَعَمَلٌ بِالْأَرْكَانِ)

“Affirmation in the heart, acknowledgement by the tongue, and action by the limbs.”

مَنْ الَّذِي يُعَرِّفُنِي بِهِ؟

Who is the one who makes it known to me?

الجواب:

Answer:

أهل التخصص والخبرة في نصوص القرآن الكريم والحديث الوارد عن النبي محمد صلى الله عليه وآله وسلم

Those with expertise and specialisation in the texts of the Noble Qur'an and the narrations reported from the Prophet Muhammad (peace be upon him and his family),

لأن الله عز وجل أَمَرَنَا أَنْ نَأْخُذَ عَنْهُ.

because Allah, the Almighty, has commanded us to take from him.

قال الله عز وجل:

Allah, the Almighty, said:

(مَا آتَاكُمُ الرَّسُولُ فَخُذُوهُ وَمَا نَهَاكُمْ عَنْهُ فَانْتَهُوا)

سورة الحشر: 7.

“Whatever the Messenger gives you, take it; and whatever he forbids you from, refrain from it.”

(Surah al-Hashr: 7)

الخلاصة:

Conclusion:

الإيمان، هو: التصديق بالقلب.

Faith is: affirmation in the heart.

ودليله: العمل بأوامر الله عز وجل وأوامر نبيه صلى الله عليه وآله وسلم.

Its proof is: acting upon the commands of Allah, the Almighty, and the commands of His Prophet (peace be upon him and his family).

وَيُعَرِّفُنِي بِهِ أَهْلُ الْخَبَرَةِ فِي عُلُومِ الْقُرْآنِ الْكَرِيمِ وَالْحَدِيثِ الشَّرِيفِ.

And it is made known to me by those with expertise in the sciences of the Noble Qur'an and the noble narrations.

السُّؤَالُ رَقْمُ 2
كَيْفَ أَتَعَرَّفُ عَلَى الْإِيمَانِ؟

Question 2
How do I come to know faith?

الجواب:

Answer:

تتعرّف على الإيمان حينما تستشعر تحصيل السكينة، والطمأنينة

You come to know faith when you sense the attainment
of tranquillity and reassurance,

من خلال العمل بما كَلَّفَكَ اللهُ به

through acting upon what Allah has obligated upon you,

ولا تخترع شيئاً منك تجعله من الدين.

and not inventing anything from yourself and making it part of the religion.

العمل الأول الذي تتعرف به على الإيمان، هو:

The first action through which you come to know faith is:

الإقرار بوجود الله، وإنه واحد أحد، لَمْ يَلِدْ، وَلَمْ يُولَدْ، وَلَمْ يَكُنْ لَهُ كُفُواً أَحَدٌ.

The acknowledgement of the existence of Allah, and that He is One, the One and Only; He does not beget, nor is He begotten, and there is none equal to Him.

العمل الثاني الذي تتعرف به على الإيمان، هو:

The second action through which you come to know faith is:

الإقرار برسول الله عز وجل ونبيه محمد صلى الله عليه وآله وسلم

The acknowledgement of the Messenger of Allah and His Prophet Muhammad (peace be upon him and his family),

والإقرار بملائكة الله عز وجل ورُسُلِهِ وَكُتُبِهِ.

and the acknowledgement of Allah's angels, His messengers, and His books.

قال الله عز وجل:

Allah, the Almighty, said:

(إِنَّمَا الْمُؤْمِنُونَ الَّذِينَ آمَنُوا بِاللَّهِ وَرَسُولِهِ)

سورة النور: 62.

“The believers are only those who believe in Allah and His Messenger.”

(Surah al-Nur: 62)

وقال الله عز وجل:

And Allah, the Almighty, said:

(أَمَنَ الرَّسُولُ بِمَا أُنزِلَ إِلَيْهِ مِنْ رَبِّهِ وَالْمُؤْمِنُونَ كُلٌّ آمَنَ بِاللَّهِ وَمَلَائِكَتِهِ
وَكُتُبِهِ وَرُسُلِهِ لَا نُفَرِّقُ بَيْنَ أَحَدٍ مِنْ رُسُلِهِ)

سورة البقرة: 285.

“The Messenger has believed in what was revealed to him from his Lord, and so have the believers. All of them have believed in Allah, His angels, His books, and His messengers; we make no distinction between any of His messengers.”

(Surah al-Baqarah: 285)

العمل الثالث الذي تتعرف به على الإيمان، هو:

The third action through which you come to know faith is:

الإقرار بأهل بيت نبي الله عليهم السلام، الذين ذكرهم الله عز وجل في القرآن الكريم، فقال:

The acknowledgement of the Household of the Prophet (peace be upon them), whom Allah, the Almighty, mentioned in the Noble Qur'an, saying:

(إِنَّمَا يُرِيدُ اللَّهُ لِيُذْهِبَ عَنْكُمُ الرِّجْسَ أَهْلَ الْبَيْتِ وَيُطَهِّرَكُمْ تَطْهِيرًا)

سورة الأحزاب: 33.

“Allah only intends to remove all impurity from you, O Ahl al-Bayt, and to purify you with a thorough purification.”

(Surah al-Ahzab: 33)

وأوجب الله عز وجل حُبَّهُمْ في القرآن الكريم، فقال:

And Allah, the Almighty, has made their love obligatory in the Noble Qur'an, saying:

(قُلْ لَا أَسْأَلُكُمْ عَلَيْهِ أَجْرًا إِلَّا الْمَوَدَّةَ فِي الْقُرْبَىٰ)

سورة الشورى: 23.

“Say: I do not ask you for any reward except affection for the near kin.”

(Surah al-Shura: 23)

العمل الرابع الذي تتعرف به على الإيمان، هو:

The fourth action through which you come to know faith is:

ظهور دلائل الإيمان في أعمالك

The appearance of the signs of faith in your actions,

بعد الإقرار بما جاء به رسول الله محمد صلى الله عليه وآله وسلم

after acknowledging what the Messenger of Allah Muhammad (peace be upon him and his family) brought,

من خلال تطبيقاتك لأحكام الإسلام.

through your application of the rulings of Islam.

إن أساس الإيمان هو الاعتقاد بالله الواحد الأحد

The foundation of faith is belief in Allah, the One, the One and Only,

وإنه عادل في أفعاله

and that He is just in His actions,

والتصديق بنبوة محمد صلى الله عليه وآله وسلم

and affirmation of the prophethood of Muhammad (peace be upon him and his family),

وبما جاء به

and of what he brought,

كذلك التصديق بنبوة الأنبياء عليهم السلام

as well as affirmation of the prophethood of the prophets (peace be upon them),

والتصديق بإمامة الأئمة عليهم السلام

and affirmation of the Imamah of the Imams (peace be upon them).

قال الله عز وجل:

Allah, the Almighty, said:

(يَوْمَ نَدْعُو كُلَّ أُنَاسٍ بِإِمامِهِمْ)

سورة الإسراء: 71.

“On the Day when We shall call every people with their Imam.”

(Surah al-Isra: 71)

كَذَلِكَ الْإِقْرَارُ وَالتَّصْدِيقُ بِأَنَّ وَلِيَّ مُحَمَّدٍ وَأَهْلَ بَيْتِهِ عَلَيْهِمُ السَّلَامُ وَلِيُّ اللَّهِ

Also, the acknowledgement and affirmation that the one who is allied to Muhammad and his Household (peace be upon them) is allied to Allah,

وَعَدُوهُمْ عَدُوُّ اللَّهِ

and that their enemy is the enemy of Allah,

وَمُحِبُّهُمْ مُحِبُّ اللَّهِ

and that the one who loves them loves Allah,

وَمُبْغِضُهُمْ مُبْغِضُ اللَّهِ

and the one who hates them hates Allah,

وطاعتهم طاعة الله

and that obedience to them is obedience to Allah,

ومعصيتهم معصية الله

and disobedience to them is disobedience to Allah.

والإقرار والتصديق بالمعراج، والسؤال في القبر، والجنة، والنار،
والصراط، والميزان، والبعث، والقيامة.

And the acknowledgement and affirmation of the Mi'rāj,
the questioning in the grave, Paradise, Hell, the Sirāt, the
Scale, resurrection, and the Day of Judgement.

الفرائض الواجبة بعد الإقرار بما تقدم، والإيمان بولاية أمير المؤمنين علي
بن أبي طالب عليه السلام وولاية الأئمة عليهم السلام، وتثبيت العهد في
ولايتهم والبراءة من أعدائهم، هي:

The obligatory duties, after acknowledging what has preceded, and believing in the wilayah of the Commander of the Faithful, Ali bin Abi Talib (peace be upon him), and the wilayah of the Imams (peace be upon them), and affirming the covenant of their wilayah and dissociating from their enemies, are:

الصلاة، الصوم، الزكاة، الخمس، الحج، الجهاد، الأمر بالمعروف، النهي عن المنكر.

Prayer, fasting, zakat, khums, Hajj, jihad, enjoining what is right, and forbidding what is wrong.

إن الإمام الذي يتحقق به الإيمان، هو: أمير المؤمنين علي بن أبي طالب عليه السلام

The Imam through whom faith is realised is: the Commander of the Faithful, Ali bin Abi Talib (peace be upon him).

والدليل على هذا الكلام:

The evidence for this:

قال رسول الله صلى الله عليه وآله وسلم في آخر خطبة، من آخر حجّة له:

The Messenger of Allah (peace be upon him and his family) said in the final sermon of his last pilgrimage:

(كَأَنِّي قَدْ دُعِيتُ، فَأَجَبْتُ

“It is as though I have been called, and I have responded.

إِنِّي قَدْ تَرَكْتُ فِيكُمْ الثَّقَلَيْنِ

Indeed, I leave among you two weighty things,

أَحَدُهُمَا أَكْبَرُ مِنَ الْآخَرِ:

one of them greater than the other:

كِتَابُ اللَّهِ وَعِزَّتِي أَهْلُ بَيْتِي

the Book of Allah and my progeny, my Household (Ahl al-Bayt).

فَانْظُرُوا كَيْفَ تَخْلُقُونِي فِيهِمَا

So look how you succeed me regarding them,

فَإِنَّهُمَا لَنْ يَتَفَرَّقَا حَتَّى يَرِدَا عَلَيَّ الْخَوْضَ.

for they will never separate until they return to me at the Pond.

ثُمَّ قَالَ: إِنَّ اللَّهَ مَوْلَايَ، وَأَنَا وَلِيُّ كُلِّ مُؤْمِنٍ.

Then he said: Indeed, Allah is my Master, and I am the master of every believer.

ثُمَّ أَخَذَ بِيَدِ عَلِيٍّ، فَقَالَ:

Then he took the hand of Ali and said:

مَنْ كُنْتُ وَلِيِّهُ، فَهَذَا وَلِيُّهُ

Whoever I am his master, then this is his master.

اللهم والِ مَنْ وَالَاهُ، وَعَادِ مَنْ عَادَاهُ

O Allah, befriend whoever befriends him, and oppose whoever opposes him.”

ملاحظة مهمة:

Important note:

نَقَلَ هذا النص جميع فِرَقَ المُسلمين في جميع المذاهب الإسلامية. وهذا النص من أهم كتب المُسلمين غير الشيعة.

This text has been transmitted by all groups of Muslims across all Islamic schools of thought, and it is found in one of the most important books of non-Shia Muslims.

قال الإمام محمد بن علي الباقر عليه السلام، في تفسير قول الله تعالى:

Imam Muhammad bin Ali al-Baqir (peace be upon him) said regarding the saying of Allah, the Exalted:

(وَمَنْ يَكْفُرْ بِالْإِيمَانِ فَقَدْ حَبِطَ عَمَلُهُ وَهُوَ فِي الْأَخْزَةِ مِنَ الْخَاسِرِينَ)

سورة المائدة: 5.

“And whoever disbelieves in faith, his deeds have become worthless, and in the Hereafter he will be among the losers.”

(Surah al-Ma'idah: 5)

قال: (تفسيرها في بطن القرآن: وَمَنْ يَكْفُرْ بولايه علي، وعلي هو الإيمان)

He said: “Its interpretation in the inner meaning of the Qur’an is: whoever rejects the wilayah of Ali, and Ali is faith.”

الخلاصة:

Conclusion:

أَتَعَرَّفَ عَلَى الْإِيمَانِ مِنْ خِلَالِ التَّمَسُّكِ بِكِتَابِ اللَّهِ

I come to know faith by holding firmly to the Book of Allah,

وهو: القرآن الكريم الذي فيه تفصيل كل شيء

which is the Noble Qur'an, in which is the clarification of all things,

والتمسك بالنبي وأهل بيته عليهم السلام

and by holding firmly to the Prophet and his Household (peace be upon them),

لأن الله عز وجل أمرني بالعمل بما جاء رسول الله صلى الله عليه وآله وسلم

because Allah, the Almighty, has commanded me to act upon what the Messenger (peace be upon him and his family) has brought,

وأمر رسول الله صلى الله عليه وآله وسلم في آخر كلمة خطبها على المسلمين بالتمسك بالقرآن الكريم وأهل بيته عليهم السلام.

and the Messenger (peace be upon him and his family), in the final words of his sermon to the Muslims, commanded holding firmly to the Noble Qur'an and his Household (peace be upon them).

السُّؤَالُ رَقْمُ 3
أَنَا خُلِقْتُ حُرّاً فَلِمَ إِذَا أُقَيِّدُ نَفْسِي بِآدَابٍ وَتَعَالِيمٍ تُقَيِّدُ حُرِّيَّتِي؟

Question 3
I was created free, so why should I restrict myself
with manners and teachings that limit my
freedom?

الجواب:

Answer:

عندما تبدأ البحث عن الحقيقة، وتبدأ الإيمان بوجود صانع لك، سوف تعلم بأن هذا الصانع لك أوجدك بحكمة، ولأجل حكمة، وكل إرادته وأقداره ومشينته هي خير لك

When you begin searching for the truth, and you begin to believe in the existence of a Maker for you, you will come to know that this Maker created you with wisdom and for a purpose, and that all His will, decree, and intention are for your good.

لذلك فإن هذا الصانع العظيم وضع القوانين لكل شيء في الوجود

Therefore, this Great Maker has set laws for everything in existence,

يحكم بها السماء والأرض، ويتحكم بواسطتها في كل الخلق.

through which He governs the heavens and the earth, and by which He controls all creation.

إذا أدركت أنك مصنوع، ولك صانع، فيجب عليك أن تفهم إن الحرية الحقيقية هي التحرك ضمن الحدود التي وضعها لك الصانع

If you realise that you are created and that you have a Maker, then you must understand that true freedom is to act within the limits set for you by the Maker,

مع مراعاة القوانين لتلك الحدود

while observing the laws of those limits,

وإن جميع هذه الحدود والقوانين هي لأجل أن تكون لك حياة آمنة

and that all these limits and laws are so that you may have a secure life,

ويسود العدل بين الناس في جميع المجتمعات

and for justice to prevail among people in all societies.

ومن يتعدى هذه الحدود ويُخالفها يجري عليه القصاص

And whoever exceeds these limits and goes against them will be subject to retribution,

بمعنى: العقوبة التي تم تعيينها لكل نوع من مخالفة الأحكام الصادرة عن صانع الوجود.

meaning: the punishment that has been assigned for each type of violation of the laws issued by the Maker of existence.

الدليل للتوضيح:

Evidence for clarification:

قال الإمام محمد بن علي الباقر عليه السلام:

Imam Muhammad bin Ali al-Baqir (peace be upon him) said:

(إِنَّ اللَّهَ تَبَارَكَ وَتَعَالَى لَمْ يَدَعْ شَيْئاً يَحْتَاجُ إِلَيْهِ الْأُمَّةُ إِلَّا أَنْزَلَهُ فِي كِتَابِهِ، وَنَبَّأَهُ لِرَسُولِهِ صَلَّى اللَّهُ عَلَيْهِ وَآلِهِ وَسَلَّمَ

“Indeed, Allah, Blessed and Exalted, has not left anything that the Ummah needs except that He has revealed it in His Book and clarified it to His Messenger (peace be upon him and his family),

وَجَعَلَ لِكُلِّ شَيْءٍ حَدًّا

and He has set a limit for everything,

وَجَعَلَ عَلَيْهِ دَلِيلًا يَدُلُّ عَلَيْهِ

and He has placed a proof to indicate it,

وَجَعَلَ عَلَى مَنْ تَعَدَّى ذَلِكَ الْحَدَّ حَذًّا

and He has set a punishment for whoever exceeds that limit.”

أنت حُرٌّ في اختيارك

You are free in your choices,

وحُرٌّ في حياتك

and free in your life,

وحُرٌّ في قبول الإيمان ورفضه

and free to accept faith or reject it,

وحُرٌّ في الطاعة والمَعْصية

and free in obedience and disobedience.

ولكنك لَسْتَ حُرّاً في التحكم في جسدك، مثل:

But you are not free to control your body, such as:

الانتباه، والنوم والمَوْت، أو اختيار صورتك وصوتك وطولك ولونك.

wakefulness, sleep, and death, or to choose your appearance, your voice, your height, or your colour.

أنت حُرٌّ في أفعالك وأقوالك

You are free in your actions and your words,

وسيكون لك جزاء على كل فعل صغير وكبير في حياتك وبعد موتك

and you will receive recompense for every small and great deed in your life and after your death.

فعلبك أن تكون لبيبا

So you must be intelligent,

وتختار أن تكون ممن تصدر منه الأفعال الصالحة والصحيحة لنفسه وللناس من فعل وقول.

and choose to be among those from whom righteous and correct actions proceed, for themselves and for others, in both action and speech.

قال الله عز وجل:

Allah, the Almighty, said:

(فَمَنْ يَعْمَلْ مِثْقَالَ ذَرَّةٍ خَيْرًا يَرَهُ وَمَنْ يَعْمَلْ مِثْقَالَ ذَرَّةٍ شَرًّا يَرَهُ)

سورة الزلزلة: 7-8.

“So whoever does an atom’s weight of good will see it, and whoever does an atom’s weight of evil will see it.”

(Surah al-Zalzalah: 7–8)

أما الحُرِّيَّةُ التي خدعوك بها وقالوا إنها بلا حدود

As for the “freedom” with which they have deceived you, claiming that it has no limits,

فهي لتلويث روحك، وتحطيم نفسك، ووضعك في مَتَاهة أفكار

it is to corrupt your soul, destroy your self, and place you
in a maze of ideas,

تتقضي لذتها بعد انقضاء غرورك

whose pleasure fades once your arrogance fades,

وبعد انتقالك من مرحلة الشباب إلى مرحلة الشيخوخة

and after you move from the stage of youth to the stage
of old age.

وما بين جميع الحُرِّيَّات عليك أن تختار نوع الحرية التي تحيا بها وأنت
تقف أمام المرأة باحترام وتقدير للإنسان الذي في داخلك.

Among all forms of freedom, you must choose the type
of freedom by which you live while standing before the

mirror with respect and appreciation for the human being within you.

Conclusion:

إننا جميع صنعنا الله بحكمة، ولغاية

We have all been created by Allah with wisdom and for a purpose,

وطريق معرفة هذه الحكمة، هو: معرفة النفس.

and the path to knowing this wisdom is: knowing oneself.

إن المعرفة بالنفس تكون دليلا على معنى الحرية التي اختارها الله عز وجل لنا

Knowledge of the self becomes a guide to the meaning of freedom that Allah, the Almighty, has chosen for us,

وهي ضمن حدود

and it is within limits,

وتكون العقوبة لِمَن يتعدى هذه الحدود.

and punishment is for whoever exceeds these limits.

السُّؤَالُ رَقْمُ 4
هَلْ يَنْفَعُنِي الْإِيمَانُ إِذَا أَصْبَحْتُ مُؤْمِنًا؟
وَإِذَا لَمْ أَكُنْ مُؤْمِنًا هَلْ يَضُرُّنِي عَدَمُ الْإِيمَانِ؟

Question 4

**Will faith benefit me if I become a believer?
And if I am not a believer, will the absence of
faith harm me?**

الجواب:

Answer:

الإيمان ينفعك في حياتك وبعد موتك

Faith benefits you in your life and after your death,

وعدم الإيمان سيضرّك في حياتك وبعد موتك.

and the absence of faith will harm you in your life and
after your death.

إن أساس الإيمان، هو: الحب.

The foundation of faith is: love.

وإيمانك بوجود الله عز وجل دليل على حُبِّكَ بمعرفته، وله، ولَمَّا يُحب الله

And your belief in the existence of Allah, the Almighty, is a sign of your love to know Him, for Him, and for what He loves.

ومن دلائل المَحَبَّة أن تعمل ما يُحب المَحْبُوب

Among the signs of love is that you act upon what the beloved loves,

وهذا العمل هو: الطاعة.

and this action is: obedience.

لأن المَحَب لِمَنْ يُحب مُطِيع.

For the one who loves is obedient to the one they love.

فإذا أحببت الله وأطعته، سوف يُحبك الله عز وجل.

So if you love Allah and obey Him, Allah, the Almighty, will love you.

وهذا يُدخل السرور والسعادة على قلبك في حياتك

This brings joy and happiness into your heart during your life,

وتجد آثار محبته إليك

and you will find the effects of His love for you,

وبركات هذه المَحَبَّة الإلهية في جميع تفاصيل حياتك

and the blessings of this divine love in all the details of your life.

كما إنك سيكون لديك سَكينة وطمأنينة في حياتك

You will also have tranquillity and reassurance in your life,

وكذلك سيكون لديك الثقة بالله في أن تكون لك النجاة والنعيم بعد الموت

and you will have trust in Allah that you will attain salvation and bliss after death,

لأنك عملت بما يُحب صانعك

because you acted upon what your Maker loves,

وإن الله لا يخيب رجاء مَنْ رجاه.

and Allah does not disappoint the hope of the one who hopes in Him.

كذلك سيضررك عدم الإيمان في جوانب عديدة من الحياة

Likewise, the absence of faith will harm you in many aspects of life,

ويستمر الضرر لما بعد الموت

and this harm continues after death,

لأن الله عز وجل هو الحاكم والقادر والمالك لك ولجميع الوجود

because Allah, the Almighty, is the Ruler, the All-Powerful, and the Owner of you and of all existence.

وَيَمُدُّ اللهُ لَكَ أسباب الخير مع عدم إيمانك به

Allah grants you the means of goodness even without your faith in Him,

ليفسح لك الوقت، لعلك تبدأ التفكير لتُنقذ نفسك

to give you time, so that you may begin to reflect and save yourself,

لأن الحياة الحقيقية هي التي تبدأ بعد الموت

because the true life is the one that begins after death,

وهناك فرق كبير بين أن تكون في الجنة أو الجحيم.

and there is a great difference between being in Paradise and being in Hell.

إن مَنْ لَا يُؤْمِنُ بِاللَّهِ عَزَّ وَجَلَّ لَا يَقْطَعُ اللَّهُ عَنْهُ رِزْقَهُ

Indeed, the one who does not believe in Allah, the Almighty, is not deprived by Allah of sustenance,

ولا يرد طلبه إذا دعاه وطلب منه قضاء حوائجه

nor is their request rejected when they call upon Him and ask Him to fulfil their needs,

لأنه أكرم الكرماء، وهو ليس بحاجة لإيمانك وعبادتك

for He is the Most Generous of the generous, and He is not in need of your faith or your worship.

ولكنه وضع القوانين، لتؤمن به، وتعمل بأوامره

However, He has set laws so that you may believe in Him and act upon His commands,

وأولها أن تُحب جميع مخلوقاته ولا تُسيء إلى أي مصنوع مثلك

the first of which is that you love all His creation and do not wrong any created being like yourself.

ووضع لك الأسباب لتتفكر وتختار بواسطتها الطريق الذي تريد أن تسلكه

And He has placed before you the means by which you reflect and choose the path you wish to follow.

وكل ما تقدمه من خير فإنما تُقدمه لنفسك

Everything good that you do, you do for yourself,

وكل ما تُسيء به لغيرك فإنما تُسيء لنفسك

and every harm you do to others, you do to yourself,

وكل عمل تقوم به فإن له صورة ونسخة محفوظة في أرشيف أعمالك

and every action you perform has an image and a preserved record in the archive of your deeds,

يتم عرضها عليك بعد الموت

which will be shown to you after death,

ليكون عليها الحساب والجزاء.

so that judgement and recompense may be carried out upon it.

قال الله عز وجل:

Allah, the Almighty, said:

(مَنْ عَمِلَ صَالِحًا فَلِنَفْسِهِ وَمَنْ أَسَاءَ فَعَلْتُهَا)

سورة فصلت: 46.

“Whoever does good, it is for themselves; and whoever does evil, it is against themselves.”

(Surah Fussilat: 46)

وقال الله عز وجل:

And Allah, the Almighty, said:

(إِنَّا كُنَّا نَسْتَنْسِخُ مَا كُنْتُمْ تَعْمَلُونَ)

سورة الجاثية: 29.

“Indeed, We were recording what you used to do.”

(Surah al-Jathiyah: 29)

وقال الله عز وجل:

And Allah, the Almighty, said:

(كُلُّ نَفْسٍ بِمَا كَسَبَتْ رَهِينَةٌ)

“Every soul is held in pledge for what it has earned.”

(Surah al-Muddathir: 38)

إن الله عز وجل يغفر لك كل شيء إلا أن تُشرك به

Indeed, Allah, the Almighty, forgives all things except associating partners with Him,

وكل اعتقاد غير الإيمان بوجود الله وقدرته فهو شرك بالله

and every belief other than belief in the existence and power of Allah is association (shirk) with Allah,

حتى إذا كنت تعتقد بأنه لا وجود لصانع، وإن المادّة هي التي تطورت وصنعت الحياة.

even if you believe that there is no Maker, and that matter itself developed and created life.

قال الله عز وجل:

Allah, the Almighty, said:

(إِنَّ اللَّهَ لَا يَغْفِرُ أَنْ يُشْرَكَ بِهِ وَيَغْفِرُ مَا دُونَ ذَلِكَ لِمَنْ يَشَاءُ وَمَنْ يُشْرِكْ بِاللَّهِ فَقَدْ ضَلَّ ضَلَالًا بَعِيدًا)

سورة النساء: 116.

“Indeed, Allah does not forgive association with Him, but He forgives what is less than that for whom He wills; and whoever associates partners with Allah has certainly gone far astray.”

(Surah al-Nisa: 116)

الرد الجميل على الاعتقاد بأن المادّة صنعت الوجود بعد الانفجار الكبير

A fitting response to the belief that matter created existence after the Big Bang:

إذا كان كل شيء تمّ إيجاده بواسطة المادّة، فمن أين أتت هذه المادّة

If everything came into existence through matter, then where did this matter come from?

وأين كانت؟

And where was it?

وما هي المَوَاد التي تكونت منها؟

And what materials was it made from?

وما هي المَوَاد التي صنعتها المَادَّة بعد ذلك؟

And what materials did matter then create afterwards?

إذا كانت المَادَّة هي أوجدت نفسها مِن لا شيء، فَمَنْ غرس فيها الوعي لتكون كوكبا

If matter brought itself into existence from nothing, then who placed within it the awareness to become a planet,

أو إنسانا يتطور، أو حيوانا، أو روحا، أو أرضا، أو سماء، وغير ذلك؟

or a developing human being, or an animal, or a soul, or the earth, or the sky, and so on?

إن من البديهي بأن صانع كل شيء يعلم ما قام بصنعه

It is self-evident that the maker of anything knows what he has made,

ويعلم عدده

and knows its number.

فهل تعلم المادّة كل ما صنعت وأعدادها؟

So does matter know everything it has produced and their number?

ثم كيف لهذه الأفلاك أن تجري دون أن تصطدم ببعضها؟

Then how do these celestial bodies move without colliding with one another?

أسئلة أخرى:

Other questions:

لِمَاذَا لا يستطيع الإنسان أن يتحكم بحياته وموته

Why is the human being unable to control their life and death,

وكذلك الحيوان والنبات؟

and likewise animals and plants?

لِمَاذَا المَاء إذا سار إلى نبتة أصبحت زهرة أو شجرة

Why does water, when it reaches a plant, become a flower or a tree,

وإذا سار إلى الحصى لم يولد منها جبلا؟

but when it reaches stones, no mountain is produced from them?

جواب آخر:

Another answer:

كل من يقوم بإنكار وجود صانع يكون في تَيِّهِ وَحَيْرَةٍ وَيَتَوَقَّفُ في مُنْتَصَفِ الطريق.

Everyone who denies the existence of a Maker remains in confusion and bewilderment, and stops halfway along the path.

كذلك الحال بالنسبة لِمَنْ يقول بوجود أكثر من صانع

Likewise is the case of the one who claims the existence of more than one maker,

لأنه في حال وجود أكثر من صانع فسوف يُرسل الآخر مَنْ يُعَرِّف به

because if there were more than one maker, then another would send one who makes him known,

ولكان له دلائل تدل على ملكه وسلطانه.

and each would have signs indicating his dominion and authority.

أما السؤال عن ذات الصانع فإن عقولنا لا تبلغ معرفته

As for questioning the essence of the Maker, our minds do not attain knowledge of Him,

ولا تُدرك حقيقته

nor do they comprehend His reality,

لأنه هو الذي صنعنا، ثم احتجب عنا

because He is the One who created us, then veiled
Himself from us,

واختار من خلقه عبادا جعلهم دليلا إليه

and chose from His creation servants whom He made as
guides to Him,

وأشار إليهم في كتابه، وهم:

and pointed to them in His Book, and they are:

نبيه محمد وأهل بيته صلوات الله عليهم.

His Prophet Muhammad and his Household (peace and blessings be upon them).

قال الله عز وجل:

Allah, the Almighty, said:

(قُلْ إِنْ كُنْتُمْ تُحِبُّونَ اللَّهَ فَاتَّبِعُونِي يُحْبِبْكُمُ اللَّهُ وَيَغْفِرْ لَكُمْ ذُنُوبَكُمْ وَاللَّهُ غَفُورٌ رَحِيمٌ)

سورة آل عمران: 31.

“Say: If you love Allah, then follow me; Allah will love you and forgive your sins, and Allah is Forgiving, Merciful.”

(Surah Al ‘Imran: 31)

الخلاصة:

Conclusion:

إن تحصيل الإيمان والإقرار به سعادة.

Attaining faith and acknowledging it is happiness,

سعادة يملأ الإنسان بها قلبه

a happiness by which a person fills their heart,

وينعم منها بالأمان والسكينة

and through which they are blessed with safety and tranquility,

ويكون لديه بها الأمل والرجاء.

and through which they possess hope and expectation.

كذلك يكون الإيمان مصباحا في قلب الإنسان يُنير ظلام نفسه

Faith is also a lamp in the heart of the human being,
illuminating the darkness of the self,

ويفيض عليه وعيا

filling them with awareness,

ويجعله ينظر لذاته باحترام

and making them look at themselves with respect,

لأنه أدرك غاية وجوده

because they have realised the purpose of their existence.

يضر عدم الإيمان أهل الإنكار فتتكدّر حياتهم

The absence of faith harms those who deny, causing their lives to become troubled,

ولن يبلغوا أبدا منزلة الرضا والقناعة

and they will never reach the level of contentment and satisfaction,

ولن ينعموا بالسكينة

nor will they attain tranquillity.

والبحث جار منهم عن باب فيه الرحمة دون القدرة على بلوغه

They continue searching for a door containing mercy, without being able to reach it,

وسيكون لهم في الحياة الأخرى جزاء من نفس أعمالهم.

and in the next life they shall have a recompense from their own deeds.

Question 5

How do I choose a role model from among the people of faith, despite their number and differences?

And how do I recognise the people of truth among them?

كيف أختار القدوة من أهل الإيمان، مع كثرتهم، واختلافهم؟
How do I choose a role model from among the people of faith, despite their number and differences?

الجواب:

Answer:

إن الله عز وجل لما أوجدنا أرسل إلينا رسلاً يُعَرِّفُونَنَا بِهِ

When Allah, the Almighty, created us, He sent to us messengers who make Him known to us,

وَيُعَلِّمُونَنَا التَّعَايِشَ وَقَوَانِينَ الْحَيَاةِ الَّتِي فِيهَا الْعَدْلُ وَالْمُسَاوَاةُ لِلْجَمِيعِ.

and who teach us how to live and the laws of life in which there is justice and equality for all.

وكان خاتم جميع الرُّسُل، هو:

The final of all the messengers is:

محمد بن عبد الله بن عبد المُطَّلِبِ صلى الله عليه وآله وسلم.

Muhammad bin Abd Allah bin Abd al-Muttalib (peace be upon him and his family).

أرسل الله معه كتابا جامعا لكل أحكام الرسالات السابقة، وهو: القرآن الكريم.

Allah sent with him a comprehensive Book containing the rulings of all previous messages, and it is: the Noble Qur'an.

كان القرآن الكريم معجزة النبي محمد صلى الله عليه وآله وسلم

The Noble Qur'an was the miracle of Prophet Muhammad (peace be upon him and his family).

وقال الله عز وجل ضمن آياته تعريفا لهذا الكتاب:

Allah, the Almighty, said in describing this Book:

(وَنَزَّلْنَا عَلَيْكَ الْكِتَابَ تِبْيَانًا لِّكُلِّ شَيْءٍ وَهُدًى وَرَحْمَةً وَبُشْرَىٰ لِلْمُسْلِمِينَ)

سورة النحل: 89.

“And We have sent down to you the Book as a clarification of all things, and as guidance, mercy, and glad tidings for the Muslims.”

(Surah al-Nahl: 89)

وقال الله عز وجل:

And Allah, the Almighty, said:

(وَكُلَّ شَيْءٍ فَصَّلْنَاهُ تَفْصِيلًا)

سورة الإسراء: 12

“And We have explained everything in detail.”

(Surah al-Isra: 12)

القصد مما تقدم بيانه:

The intent of what has been explained above is:

إن كل سؤال نجد له جوابا في هذا الكتاب العظيم، وهو القرآن الكريم

That every question has an answer in this great Book,
which is the Noble Qur'an.

ولكننا نعجز في كثير من الأحيان في معرفة مكان الجواب

However, we are often unable to identify where the
answer lies,

أو ما يكون جوابا تاما للسؤال الذي نريد معرفة جوابه

or what constitutes a complete answer to the question we seek.

لذلك لا بُد من الرجوع أيضا لنفس القرآن الكريم من أجل معرفة أولئك الذين يعرفون بيانه ومعانيه وتأويله وتفسيره

Therefore, it is necessary to return to the Qur'an itself in order to know those who possess knowledge of its explanation, meanings, interpretation, and exegesis.

لنعرف بواسطة آيات كثيرة بأن هؤلاء، هم:

Through many verses, we come to know that these are:

النبي محمد وأهل بيته عليهم السلام فقط، ولا أحد سواهم.

Prophet Muhammad and his Household (peace be upon them) alone, none other than them.

ملاحظة:

Note:

دلائل الإثبات بأن علم القرآن الكريم محصور فقط عند النبي محمد وأهل بيته عليهم السلام، ورد ذكرها ضمن جواب السؤال 23.

The evidences proving that the knowledge of the Noble Qur'an is exclusively with the Prophet Muhammad and his Household (peace be upon them) will be mentioned within the answer to Question 23.

بعد ما تقدم بسطه وبيانه حول القرآن الكريم، وإنه تبيان لكل شيء، وتفصيل لكل شيء، فإن الجواب على السؤال الذي تقدم، هو قول الله عز وجل:

After what has been explained regarding the Noble Qur'an, and that it is a clarification and detailed explanation of all things, the answer to the question is the statement of Allah, the Almighty:

(لَكُمْ فِي رَسُولِ اللَّهِ أُسْوَةٌ حَسَنَةٌ لِّمَن كَانَ يَرْجُو اللَّهَ وَالْيَوْمَ الْآخِرَ)

“Indeed, in the Messenger of Allah you have an excellent example for whoever hopes in Allah and the Last Day.”

(Surah al-Ahzab: 21)

معنى الآية:

The meaning of the verse:

إن محمدا رسول الله صلى الله عليه وآله وسلم، هو: القدوة لجميع أهل الإيمان بالله عز وجل.

Muhammad, the Messenger of Allah (peace be upon him and his family), is the role model for all those who believe in Allah, the Almighty.

يلحق بالنبي محمد صلى الله عليه وآله وسلم أهل بيته عليهم السلام، وهم أيضا: القدوة.

His Household (peace be upon them) follow the Prophet Muhammad (peace be upon him and his family), and they too are role models,

مثل رسول الله صلى الله عليه وآله وسلم

like the Messenger of Allah (peace be upon him and his family),

لأن الله عز وجل ذكرهم في القرآن الكريم بأنهم طاهرون من كل ما فيه
خبائث ونجاسة

because Allah, the Almighty, has described them in the Noble Qur'an as being purified from all impurity and defilement.

فقال تعالى:

So He, the Exalted, said:

(إِنَّمَا يُرِيدُ اللَّهُ لِيُذْهِبَ عَنْكُمُ الرِّجْسَ أَهْلَ الْبَيْتِ وَيُطَهِّرَكُمْ تَطْهِيرًا)

سورة الأحزاب: 33.

“Allah only intends to remove all impurity from you, O Ahl al-Bayt, and to purify you with a thorough purification.”

(Surah al-Ahzab: 33)

إن القدوة يجب أن تتوفر فيه صفة الكمال التامة

A role model must possess the attribute of complete perfection,

ومن أهم فروع شجرة الكمال، هي: صفة العلم والمعرفة المباشرة من الله عز وجل.

and among the most important branches of the tree of perfection are the attributes of knowledge and direct recognition (ma'rifah) from Allah, the Almighty.

لأجل ذلك قال الله عز وجل تعريفاً لنبيه صلى الله عليه وآله وسلم بأنه مدينة العلم والفضيلة:

For this reason, Allah, the Almighty, described His Prophet (peace be upon him and his family) as the city of knowledge and virtue:

(لَقَدْ مَنَّ اللَّهُ عَلَى الْمُؤْمِنِينَ إِذْ بَعَثَ فِيهِمْ رَسُولًا مِنْ أَنْفُسِهِمْ يَتْلُو عَلَيْهِمْ آيَاتِهِ وَيُزَكِّيهِمْ وَيُعَلِّمُهُمُ الْكِتَابَ وَالْحِكْمَةَ)

سورة آل عمران: 164.

“Allah has certainly conferred a favour upon the believers when He raised among them a Messenger from themselves, reciting to them His verses, purifying them, and teaching them the Book and wisdom.”

(Surah Al ‘Imran: 164)

إن قول الله عز وجل فيما تقدم: يُعَلِّمُهُمُ الْكِتَابَ وَالْحِكْمَةَ

His statement, “teaching them the Book and wisdom,”

دليل على أن علمه من الله عز وجل

is evidence that his knowledge is from Allah, the Almighty,

لأن القرآن الكريم نزل على النبي صلى الله عليه وآله وسلم مُتَفَرِّقًا بعد بعثته بالنبوة، وبعد أن أتم من عمره المبارك 40 عاما

because the Noble Qur'an was revealed to the Prophet (peace be upon him and his family) gradually after he was commissioned with prophethood, after reaching the blessed age of forty,

ومع كل آية تفسير وتأويل ووجوه للمعاني.

and with every verse came its explanation, interpretation, and various meanings.

ملاحظة مهمة:

Important note:

ينتشر بين المسلمين في بلدانهم ودروسهم ومدارسهم بأن النبي محمد صلى الله عليه وآله وسلم أمي

It is widely spread among Muslims in their countries, lessons, and schools that the Prophet Muhammad (peace be upon him and his family) was ummī,

بمعنى: لا يقرأ ولا يكتب.

meaning that he could neither read nor write.

وهذا كلام غير صحيح.

This is incorrect.

بدليل قول الله عز وجل:

Based on the statement of Allah, the Almighty:

(يُعَلِّمُهُمُ الْكِتَابَ وَالْحِكْمَةَ)

“He teaches them the Book and wisdom.”

فكيف يُعلمُ الناسَ مَنْ هو بحاجة إلى التعليم؟

So how can one who is in need of teaching be the one who teaches others?

لقد انتشرت نسبة الصِّفَةِ بِالْأُمِّيَّةِ لِلنَّبِيِّ صَلَّى اللهُ عَلَيْهِ وَآلِهِ وَسَلَّمَ جهلاً من المسلمين حين قراءة اسم النبي صلى الله عليه وآله وسلم مع أحد ألقابه، وهو: النَّبِيُّ الْأُمِّيُّ.

The attribution of the description ummī to the Prophet (peace be upon him and his family) spread due to misunderstanding among Muslims when reading one of the Prophet's titles, which is: al-Nabī al-Ummī.

أخطأ في تفسير معنى الْأُمِّيِّ مَنْ قَالَ إِنَّهُ: لَا يَقْرَأُ وَلَا يَكْتُبُ.

Those who interpreted ummī as meaning “unable to read or write” have erred,

لأن معنى لقب النبي صلى الله عليه وآله وسلم: الْأُمِّيُّ، هو: نسبته لأم القرى، وهي: مكة.

because the meaning of the Prophet's title al-Ummī is: his attribution to Umm al-Qurā, which is Makkah.

ومن علم الألقاب أن يتم نسبة الرجل والمرأة إلى بلادهم

And in the science of titles, a man or woman may be attributed to their land,

مثل: العراقي.

such as: Iraqi,

أو إلى مدينته، مثل: الكربلائي. أو: البغدادي.

or to their city, such as: Karbalā'ī or Baghdādī.

وإن من أسماء مكة المُكْرَمَة، هو: أم القُرى.

And among the names of Makkah al-Mukarramah is: Umm al-Qurā.

لذلك تم نسبة النبي صلى الله عليه وآله وسلم إلى مكة، في قولهم: النبي الأمي.

Therefore, the Prophet (peace be upon him and his family) was attributed to Makkah in the title: al-Nabī al-Ummī.

تنمة جواب السؤال:

Continuation of the question:

كيف أعرف أهل الحق منهم؟

How do I recognise the people of truth among them?

الجواب:

Answer:

عندما تتحقق معرفة القدوة الحقيقي، الذي أشار إليه الله عز وجل في القرآن الكريم، وهو رسول الله محمد وأهل بيته عليهم السلام، فإنه لا شك بأنهم هم أهل الحق

When you come to know the true role model indicated by Allah, the Almighty, in the Noble Qur'an, namely the Messenger Muhammad and his Household (peace be upon them), then there is no doubt that they are the people of truth.

وإن الدليل الظاهر كالشمس في أحاديثهم، هو:

And the clear proof, as evident as the sun in their narrations, is:

إن جميع أقوالهم مطابقة لما ورد في القرآن الكريم.

that all their statements are in complete agreement with what is found in the Noble Qur'an.

إن محمدا وأهل بيته عليهم السلام أمروا المسلمين بأن جميع ما يصل بين أيديهم من كلام ليس فيه ما يُطابق القرآن الكريم فعليهم أن يردوه ولا يقبلوه

Muhammad and his Household (peace be upon them) instructed the Muslims that anything which reaches

them from their words that does not agree with the Noble Qur'an must be rejected and not accepted.

ومما لا بد الإشارة إليه ها هنا إنه ليس لكل أحد معرفة ما يُطابق وما لا يُطابق القرآن الكريم

It must also be pointed out here that not everyone possesses the ability to distinguish what agrees and what does not agree with the Noble Qur'an.

وكما يوجد أهل اختصاص في كل علم، كذلك في علوم القرآن الكريم وعلوم الحديث الوارد عن النبي وأهل بيته عليهم السلام أهل اختصاص يلزم الرجوع إليهم والنظر إلى الدليل منهم في كل حديث قبل قبوله

And just as there are specialists in every field, there are also specialists in the sciences of the Noble Qur'an and in the sciences of the narrations transmitted from the Prophet and his Household (peace be upon them). It is necessary to refer back to them and examine their evidence regarding every narration before accepting it.

وليس كل من ادعى العلم هو من أهل العلم

And not everyone who claims knowledge is from the people of knowledge.

لذلك يجب الاحتياط والحذر من كل قول نسمعه أو نقرأه

Therefore, caution and care must be exercised regarding every statement we hear or read,

ولا نتخذ منه مَسندا إلا بعد أن نتحقق من ثبوته وصحته.

and nothing should be taken as a basis until its authenticity and correctness have been verified.

الخلاصة:

Conclusion:

إن النبي وأهل بيته عليهم السلام لا يُقاس بهم أحد

The Prophet and his Household (peace be upon them)
cannot be compared to anyone,

ولا يُساويهم أحد

no one is equal to them,

وليس مثلهم أحد

and no one is like them.

وكل ما يتم نقله من علم وقصص لغيرهم فهو نهج لإبعاد الناس عن النبي
وأهل بيته عليهم السلام.

And all knowledge and stories transmitted from others
serve as a means of distancing people from the Prophet
and his Household (peace be upon them).

السُّؤَالُ رَقْمَ 6
لِمَاذَا الْإِعْتِقَادُ بِاللَّهِ وَالْحَالُ إِنَّ الْعِلْمَ وَالْقَوَانِينَ تُدِيرُ الْبَشَرَ؟

Question 6
Why believe in Allah when science and laws
govern human beings?

الجواب:

Answer:

الاعتقاد مسألة تتعلق بالروح والقلب والنفس

Belief is a matter concerning the soul, the heart, and the self.

ويتولد الاعتقاد بناء على المعرفة، والبحث، والدليل

It arises based on knowledge (ma'rifah), investigation, and evidence.

ولا يوجد أوجه مقارنة بين الاعتقاد بالله ورحمته وعدالته مع القوانين التي يصنعها الإنسان.

There is no comparison between belief in Allah, His mercy and justice, and the laws made by human beings.

إن فوائد الاعتقاد تؤثر على استقرار الإنسان وسعادته من خلال الثقة بالله والتسليم إليه والتوكل عليه

The benefits of belief contribute to a person's stability and happiness through trust in Allah, submission to Him, and reliance upon Him,

وهو أمر يستمر مع وجود الإنسان في جميع مراحل وجوده في هذه الحياة وما بعدها.

and this continues throughout all stages of human existence in this life and beyond.

أما القوانين التي تتطور مع تطور العلم فهي تصميم الإنسان

As for laws that evolve with the advancement of science, they are the design of human beings.

ولا شك بأنها غير شاملة، وتوجد فيها أخطاء

There is no doubt that they are not comprehensive and that they contain errors.

لذلك يتم النظر فيها وتعديلها أو إلغاؤها بين حين وآخر

Therefore, they are reviewed, amended, or abolished from time to time,

ويكون ضحيتها من كان يجري عليه تطبيق هذه القوانين

and those upon whom these laws are applied are often the ones who suffer because of them.

مع العلم بأن جميع القوانين إنما وُجِدَتْ لأجل التلاعب عليها

It is also known that many laws are created for manipulation,

وتبقى الطبقة العليا هي الحاكمة والمُتَحَكِّمة والتي لا تنطبق عليها كثيرا من بنود القوانين.

while the upper class remains the ruling and controlling class, and many provisions of the law are often not applied to them.

إن قوانين الله عز وجل لا تتغير

The laws of Allah, the Almighty, do not change.

وهي عامة لكل الخلق

They are universal for all creation,

ويتساوى فيها الجميع في الجزاء والحساب

and all are equal within them in reward and accountability.

وأعظم من ذلك فإن قوانين الله تنظر للخطأ بعقوبة واحدة

More than that, the laws of Allah regard a mistake as a single sin,

أما للعمل الجيد فيتم مضاعفة الأجر عليه

whereas a good deed is multiplied in reward.

كما إن قوانين الله تُعلم الإنسان الحُب والإيثار والصدق والمُسامحة والكرم وكثيراً من الفضائل

The laws of Allah also teach the human being love, selflessness, truthfulness, forgiveness, generosity, and many virtues,

بينما قوانين الإنسان التي يضعها ليتحكم بها في الإنسان مثله فإنما هي تُعلم الحسد والغيرة والكذب والغش وكثيراً من الرذائل والصفات السيئة.

whereas human laws, which people create in order to control others like themselves, often teach envy, jealousy, lying, cheating, and many immoral traits and evil qualities.

ينتفع أصحاب الاعتقاد بالله من اعتقادهم بالتعامل السليم مع القوانين التي وضعها الإنسان والتي يتم تطبيقها في الدول والمُدن، على وجه الخصوص المُتقدمة منها في العصر الحديث، مثل: الدول الأوروبية في الغرب

Those who believe in Allah benefit from their belief by interacting correctly with the laws established by human beings and applied in countries and cities, particularly

the developed nations in the modern era, such as European countries in the West.

وذلك بأن يكون الإنسان صاحب الاعتقاد يحترم قوانين كل بلد يزوره أو يعمل به أو يسكن فيه أو يلجأ إليه

This is achieved by the believer respecting the laws of every country they visit, work in, live in, or seek refuge in,

ويكون له حقوق كأهل ذلك البلد، وعليه واجبات كأهل ذلك البلد

and having the same rights as the people of that country and the same duties as them.

ويمتنع أصحاب الاعتقاد بالله من الغش والكذب وأمثال ذلك فيكونوا زينة لاعتقادهم بحسن أخلاقهم

Those who believe in Allah refrain from deception, lying, and similar acts, and thus become an adornment to their belief through their noble character.

وهذا حقيقة الجواب لأصل السؤال:

And this is the true answer to the essence of the question:

لِمَاذَا الاعتقاد والعلم والقوانين تدير البشر؟

Why do belief, knowledge, and laws govern human beings?

لأن أصحاب الاعتقاد بالله عليهم أن يعملوا بطاعة الله، وأصل العبادة لله هي الطاعة، ويُمنع عمل أي عمل فيه اساءة وضرر للنفس والمجتمع.

Because those who believe in Allah must act in obedience to Allah, and the foundation of worship of

Allah is obedience, and every action that contains harm or abuse towards oneself or society is forbidden.

ملاحظة مهمة:

Important note:

يتواجد الكثير من المسلمين في كثير من الدول الأوروبية، ويغلب على كثير منهم عدم الالتزام بالقوانين

Many Muslims reside in numerous European countries, and many of them do not adhere to the laws.

وهذا يدل على عدم صحة اعتقادهم بالله

This indicates a deficiency in their belief in Allah,

ويكفي هذا القدر من الاشارة لأصحاب العقول.

and this indication is sufficient for the possessors of intellect.

أمثلة لا بد من ذكرها:

Examples that must be mentioned:

نشأت في الحقبة القديمة من الزمان حكومة إسلامية يعتقد أهلها بالله عز وجل وذلك سنة 35 هجرية – 656 ميلادية

In the early period of history, there arose an Islamic government whose people believed in Allah, the Almighty, in the year 35 AH / 656 CE.

ووضعت فيها قوانين صحيحة مطابقة لأوامر الله في القرآن الكريم

Within it were established sound laws in accordance with the commands of Allah in the Noble Qur'an.

وكان رئيسها والحاكم فيها علي بن أبي طالب عليه السلام

Its leader and ruler was Ali bin Abi Talib (peace be upon him),

وهو ابن عم نبي الاسلام محمد صلى الله عليه وآله وسلم.

the cousin of the Prophet of Islam Muhammad (peace be upon him and his family),

وأیضا: زوج ابنته فاطمة.

the husband of his daughter Fatimah,

وأیضا: خليفته من بعده.

his successor after him,

وأیضا: والد سبطیه (أحفاده) الحسن والحسين.

and the father of his two grandsons, al-Hasan and al-Husayn.

الذي ذكره الله تعالى في القرآن الكريم وَمَحَّه، وَعَدَلَ مَنْزِلَتَهُ بِنَبِيِّهِ مُحَمَّد
صلى الله عليه وآله وسلم، فقال:

Allah, the Exalted, mentioned him in the Noble Qur'an and praised him, and equated his status with His Prophet Muhammad (peace be upon him and his family), saying:

(فَمَنْ حَاجَّكَ فِيهِ مِنْ بَعْدِ مَا جَاءَكَ مِنَ الْعِلْمِ فَقُلْ تَعَالَوْا نُبَيِّنْكُمْ وَأَبْنَاءَكُمْ
وَنِسَاءَنَا وَنِسَاءَكُمْ وَأَنْفُسَنَا وَأَنْفُسَكُمْ)

سورة آل عمران: 61.

“Then whoever disputes with you concerning him after knowledge has come to you, say: Come, let us call our sons and your sons, our women and your women, and ourselves and yourselves.”

(Surah Al 'Imran: 61)

لقد اتفق جميع أهل التفسير من المسلمين بأن الآية نزلت في علي وفاطمة
والحسن والحسين

All Muslim scholars of Qur'anic exegesis have agreed
that this verse was revealed regarding Ali, Fatimah, al-
Hasan, and al-Husayn.

وقول الله تعالى:

And the saying of Allah, the Exalted:

(أَنْفُسَنَا وَأَنْفُسَكُمْ)

“Ourselves and yourselves”

المُرَاد مِنْهُ، هُوَ: عَلِيٌّ بْنُ أَبِي طَالِبٍ عَلَيْهِ السَّلَامُ

what is intended by it is: Ali bin Abi Talib (peace be upon
him).

وبذلك يكون معلوما لكل قارئ بأن محمدا هو نفس علي

Thus, it becomes known to every reader that Muhammad is the self of Ali,

وعليا هو نفس محمد

and Ali is the self of Muhammad.

وإن حكومة علي بن أبي طالب هي حكومة العدل الإلهي الحقيقية

And the government of Ali bin Abi Talib is the true government of divine justice,

وهي الحكومة التي تم تأسيسها على قانون القرآن الكريم، وتعاليم النبي محمد صلى الله عليه وآله وسلم.

the government established upon the law of the Noble Qur'an and the teachings of the Prophet Muhammad (peace be upon him and his family).

أهم القوانين في حكومة علي بن أبي طالب عليه السلام

The most important laws in the government of Ali bin Abi Talib (peace be upon him):

1- جمع الأرباح والواردات من جباية وخمس وزكاة وأموال بر وصدقات في خزينة الدولة الإسلامية، ويتم تخصيص قسم منها للعتاء إلى جميع المسلمين بالتساوي، الكبير والصغير والرجل والمرأة، مع اختلاف بلدانهم وألوانهم وعلمهم وعمرهم وعملهم، وتخصيص الباقي لأجور الجند والعمال، وبناء المدارس، وما تزدهر به البلاد.

1. The collection of profits and revenues from taxation, khums, zakat, charitable wealth, and alms into the treasury of the Islamic state, with a portion allocated equally to all Muslims, young and old, male and female, regardless of their countries, colours, knowledge, age, or occupation, while the remainder is allocated to the wages of soldiers and workers, the building of schools, and all that contributes to the prosperity of the land.

2- كفالة جميع كبار السن والعاطلين عن العمل على الدولة، حتى غير المسلمين المقيمين في دولة المسلمين.

2. State support for all elderly people and the

unemployed, including non-Muslims residing within the Muslim state.

3- عدم وجود فقير في الدولة، لأن الجميع لهم عطاء من خزينة الدولة.

3. The absence of any poor person in the state, because everyone receives a share from the state treasury.

4- منع الاحتكار، وفرض العقوبة عليه.

4. The prohibition of monopoly and the imposition of punishment upon it.

5- الأمر إلى جميع أمناء الأموال (مدراء البنوك التي يتم فيها جمع المال في الدول الإسلامية) أن يسعوا إلى قضاء حوائج الناس، وإعطائهم كسوة الشتاء والصيف وما تحتاج دوابهم إليه.

5. The instruction to all custodians of funds (bank managers where money is collected in Islamic states) to strive to meet people's needs, and to provide them with clothing for winter and summer, as well as what their animals require.

6- الأمر بالصلاة جماعة، والجهر ببسم الله الرحمن الرحيم في جميع الصلاة، وأن تكون الصلاة صلاة أضعفهم، أي لا يُطيل إمام الجماعة بالقراءة لوجود المَريض والضعيف وصاحب الحاجة في المُصلين.

6. The instruction to perform prayer in congregation, to recite "Bismillah al-Rahman al-Rahim" aloud in all prayers, and for the prayer to be conducted in a manner suited to the weakest among them; that is, the leader of the prayer should not prolong the recitation due to the presence of the sick, the weak, or those in need among the worshippers.

7- عمارة الأرض والبلاد للتوسعة على العباد.

7. The development of the land and countries in order to expand ease and prosperity for the people.

8- التعامل مع عموم الناس من المسلمين أصحاب الاعتقاد بالله وغيرهم من غير المسلمين على أساس إنهم صنفان، إما أخ لك في الدين، أو نظير لك في الخلق، والعدل بين الجميع، والحذر من أهل النفاق.

8. Dealing with all people, Muslims who believe in Allah and others who are non-Muslims, on the basis that they are of two categories: either a brother to you in faith, or an equal to you in creation; establishing justice among all, while being cautious of the people of hypocrisy.

9- العفو عن الناس من الحاكم بمثل ما يُحب الحاكم أن يعفو الله عنه.

9. Forgiving people by the ruler in the same manner that the ruler would wish Allah to forgive him.

10- إنصاف الناس من نفسك ومن خاصة أهلك.

10. Showing fairness to people regarding yourself and your close family.

11- الترغيب في طلب العلم، وبناء المدارس، ودور العلم.

11. Encouraging the pursuit of knowledge and the establishment of schools and centres of learning.

12- احترام جميع طبقات الناس.

12. Respecting all classes of people.

13- التحلي بمكارم الأخلاق، ونشر الفضيلة بين الناس.

13. Adopting noble morals and spreading virtue among people.

14- الرجوع إلى الحاكم الأول وهو علي بن أبي طالب لِمَعْرِفَةِ الأحكام التي يصعب اتخاذ القرار فيها، لأنه نفس محمد رسول الله صلى الله عليه وآله وسلم، وأعرف الناس بكتاب الله وأحكامه.

14. Referring to the first leader, Ali bin Abi Talib (peace be upon him), for knowledge of rulings in matters where decision-making is difficult, as he is the self of

Muhammad, the Messenger of Allah (peace be upon him and his family), and the most knowledgeable of people regarding the Book of Allah and its rulings.

لم يسبق حكومة علي بن أبي طالب عليه السلام أيّة حكومة تتحقّق فيها العدالة، والمساواة بين أفراد المجتمع، منذ بدء الوجود

No government since the beginning of existence has ever achieved justice and equality among the members of society in the manner achieved under the government of Ali bin Abi Talib (peace be upon him).

ولم يأتي بعدها أيّة حكومة شبيهة بها

Nor did any similar government come after it.

من أجل ذلك فإن الاعتقاد الصحيح بالله حتى في مكان لا يوجد فيه حاكم إسلامي مُعتدل يكون له الأثر الجيد لأصحاب الاعتقاد الصحيح على أنفسهم ومجتمعاتهم.

For this reason, correct belief in Allah, even in a place where there is no just Islamic ruler, has a positive effect upon those who hold the correct belief, both upon themselves and upon their societies.

أما الأمثلة على استغلال القوانين، واستغلالها للتلاعب بالعقول من قبل تجار الأديان والأوطان، فمنها:

As for examples of the exploitation of laws and their use in manipulating minds by merchants of religion and nations, among them is the following:

يرى الباحث في شؤون الأديان بأن صورة العذراء القديسة مريم عليها السلام في الدول الشرقية تكون الصورة للسيدة مريم مع الحجاب التام الكامل، وهو نفس الحجاب الذي تحاول الظهور به الراهبات في الكنائس

A researcher in religious affairs observes that depictions of the Holy Virgin Maryam (peace be upon her) in Eastern countries portray her with complete and proper hijab, which is the same covering that nuns in churches seek to observe.

أما صورة السيدة مريم عليها السلام في الدول الغربية فهي بدون حجاب

As for depictions of Lady Maryam (peace be upon her) in Western countries, she is shown without a hijab.

فكيف للعذراء القديسة أن تكون بلا حجاب؟

So how can the Holy Virgin be without hijab?

إنها قوانين تحكم العقول والقلوب

These are laws that govern minds and hearts.

وعلى الجميع أن ينظروا بعين العقل لِمَا وراء ذلك

Everyone must therefore look with the eye of reason at what lies behind such matters,

ولا تشتبه عليهم طرق الحق، ولا تلتبس عليهم الحقائق، ولا يضلوا عن معرفة الحقيقة.

so that the paths of truth are not confused before them, realities are not obscured, and they do not stray from recognising the truth.

كذلك من الأمثلة التي تنتشر في عصرنا:

Likewise, among the examples that have spread in our time is:

صناعة أقوام يدَّعون الإسلام لهدم الإسلام، وتشويه صورته، ونبذ أهله

the creation of groups who claim Islam in order to destroy Islam, distort its image, and reject its people,

فيقتلون باسم الإسلام مَنْ يُخالف عقيدتهم

so they kill in the name of Islam those who differ with their beliefs,

ويضعون قوانين تُجبر الناس على اعتناق الإسلام على طريقتهم

and impose laws that force people to embrace Islam according to their own way.

وهذا كله مُخالف للقرآن الكريم

All of this is in contradiction to the Noble Qur'an,

لأن الله عز وجل يقول في كتابه:

for Allah, the Almighty, says in His Book:

(لَا إِكْرَاهَ فِي الدِّينِ)

سورة البقرة: 256.

“There is no compulsion in religion.”

(Surah al-Baqarah: 256)

إن صناعة مثل هؤلاء القتلة خدعة كبرى غايتهم منها تضليل الناس في العالم عن الإسلام

The creation of such killers is a major deception, whose aim is to mislead people around the world about Islam.

إلا إن وسائل العلم في هذا الزمان كثيرة، والعلم مُباح ومُتاح، ويستطيع الجميع أن يبحث ويعرف الحقيقة

However, the means of knowledge in this age are many, and knowledge is accessible and available. Everyone is able to search and discover the truth.

ويعيش أهل الأوهام في أحلامهم للقضاء على الإسلام

The people of illusion live in their own delusions in an attempt to destroy Islam.

ومن يبحث في حقيقة الدين الإسلامي سوف يرى بوضوح من هم أهل الإسلام أصحاب الاعتقاد الصحيح قولاً وفعلاً

Whoever researches the reality of the Islamic religion will clearly see who the true people of Islam are, those who possess correct belief in word and deed,

وَمَنْ هُمْ أَهْلُ التَّكْفِيرِ وَالْقَتْلِ.

and who the people of takfir and killing are.

الخلاصة:

Conclusion:

إن الاعتقاد بالله عز وجل يعمل على تقويم سلوك الإنسان

Belief in Allah, the Almighty, works to correct human behaviour,

ويجعله يُمارس التغيير نحو الفضيلة

and leads a person to practice change towards virtue,

ويسعى لتحصل رضا الصانع الرحيم الذي بيده كل شيء.

seeking the pleasure of the Merciful Maker, in whose hand is all things.

العلم بقوانين الله عز وجل والعمل بها وتحصيل رضاه، تجعل الإنسان حكيمًا يعرف كيف يُدير نفسه ويتعامل مع الحياة وأقدارها

Knowledge of the laws of Allah, the Almighty, acting upon them, and seeking His pleasure make a person wise, enabling them to manage themselves and deal with life and its decrees.

كذلك كيف عليه أن يتعامل مع القوانين التي تختلف من بلد إلى بلد ومن زمان إلى زمان

It also teaches them how to deal with laws that differ from one country to another and from one era to another.

ويكون هدفه الأساسي أن يبلغ مرتبة رضا الله عز وجل

Their ultimate goal is to attain the pleasure of Allah, the Almighty,

لأنها مفتاح الفوز والنجاة في هذه الحياة وكل حياة أخرى.

for it is the key to success and salvation in this life and the life to come.

السؤال رقم 7

كَيْفَ أَعْتَقِدُ بِالْإِيمَانِ وَأَرَى التَّقَدُّمَ وَالسَّعَادَةَ عِنْدَ أَهْلِ الْغَرْبِ لِأَنَّهُمْ
فَصَّلُوا الدِّينَ عَنِ السِّيَاسَةِ وَأَرَى عَكْسَ ذَلِكَ فِي الدُّوَلِ الْأُخْرَى
الَّتِي أَغْلَبَ أَهْلُهَا مِنْ أَهْلِ الدِّينِ وَالتَّمَسُّكِ بِالْإِيمَانِ؟

Question 7

How can I believe in faith when I see progress and happiness among the people of the West because they have separated religion from politics, while I see the opposite in other countries whose people are mostly religious and adherent to faith?

الجواب:

Answer:

إن مفهوم الإيمان وعدم الإيمان موجود في جميع البلاد

The concepts of belief and disbelief exist in all countries.

ويوجد في الشرق والغرب مَنْ يعتقد بوجود الله، وَمَنْ لا يعتقد بوجود الله.

In both the East and the West, there are those who believe in the existence of Allah and those who do not believe in the existence of Allah.

لا علاقة بين أن تعتقد بالله اعتقادا صحيحا، وبين مَنْ يخطأ في اعتقاده، أو لا يعتقد أساسا

There is no connection between holding a correct belief in Allah and those who are mistaken in their beliefs or who do not believe at all.

كذلك لا علاقة بين الاعتقاد وبين التقدم والسعادة.

Likewise, there is no connection between belief and progress or happiness.

إن الاعتقاد بالله عز وجل أمر يتحقق بالبحث والتحقيق والتفكير من أجل أن
تحيا حياة تسكن فيها نفسك وتطمئن،

Belief in Allah, the Almighty, is attained through study,
reflection, and contemplation, so that a person may live
a life in which the soul finds peace and reassurance,

ويكون لروحك الأمل والرجاء من رب رحيم مالك وقادر على كل شيء

and so that the soul may possess hope and trust in a
Merciful Lord who owns all things and has power over
all things.

وهذا موجود عند أهل الشرق والغرب.

This exists among people in both the East and the West.

أما تقدم البلاد وازدهارها فإنها أمور تلعب السياسة فيها دورا كبيرا، في الشرق والغرب

As for the progress and development of nations, these are matters in which politics plays a major role, both in the East and the West.

وتتميز دول الشرق باستغلال حُكَّامها الدين لحكم المسلمين

Eastern countries are often distinguished by rulers who exploit religion in order to govern Muslims,

وأن تكون طريقة الحكم التمييز والطبقية ونشر الفساد، واستعباد الناس وتخويفهم

where the method of governance is based upon discrimination, class division, spreading corruption, enslaving people, and ruling through fear,

وخلق الفوضى وإشغال الناس بأبسط متطلبات الحياة الكريمة، ليستمر حكمهم وظلمهم

creating disorder and keeping people occupied with the most basic necessities of a dignified life so that their rule and oppression may continue,

وَأَنْ تَكُونَ أَرْبَاحَ مَوَارِدِ الدَّوْلَةِ إِلَى الطَّبَقَةِ الْحَاكِمَةِ وَمَنْ وَضَعَهَا عَلَى كُرْسِيِّ الْحُكْمِ،

while the wealth and resources of the state are directed towards the ruling class and those who placed them upon the seat of power,

مع تنوع أسباب القتل والقمع لِمَنْ يعترض.

along with various forms of killing and repression against those who object.

مع النظر بأن أغلب أهل الاعتقاد يغلب عليهم الانحراف عن الاستقامة، والخلط في العقيدة، والشرك في حبههم لله ونبيه وأهل بيت نبيهم عليهم السلام لأناس أمثالهم تملقا وجهلا ومصلحة.

It should also be recognised that many people of belief are overcome by deviation from uprightness, confusion in doctrine, and forms of association (shirk) in their love for Allah, His Prophet, and the Household of His Prophet (peace be upon them), through attachment to people like themselves out of flattery, ignorance, or personal interest.

كما إنه لا يوجد بلد واحد في العالم تتحقق فيه السعادة في جميع العالم

Likewise, there is no single country in the world in which complete happiness is realised,

مع تفاوت بالدرجات بين الشعوب

with varying degrees among peoples.

لأن القوانين التي تنظر إليها إنها كانت سببا لتقدم البلاد في الغرب، كانت سببا أيضا في هدم أو اصر الأسرة، وتشيت بناء هيكل العائلة

For the laws which are regarded as a cause of progress in Western countries have also become a cause for the

destruction of family bonds and the fragmentation of the family structure,

وَوُضِعَ الْمَالُ الْغَايَةَ وَالْهَدَفُ دُونَ أَيِّ اعْتِبَارٍ لِأَيِّ شَيْءٍ آخَرَ

and wealth has been made the ultimate aim and objective without any regard for anything else,

وإِباحة كل شيء حتى كرامة الإنسان لنفسه، وهذا مع وجوده في دول الشرق إلا أنه بتفاوت كبير جدا.

and everything has been made permissible, even a person's own dignity towards themselves. Although this also exists in Eastern countries, it is to a far lesser degree.

الخلاصة:

Conclusion:

إن أهل الاعتقاد الصحيح أعدادهم قليلة جداً، وليس لهم أي أثر في أي مجتمع يكونوا فيه، إن كان في الشرق أو في الغرب

Those who possess correct belief are very few in number, and they have almost no influence in any society in which they exist, whether in the East or the West.

ويغلب على جميع الذين يظهرون بأنهم أهل اعتقاد الدعوة إلى أسماء وأعيان وصور في جميع الفرق والمذاهب الإسلامية

Most of those who present themselves as people of belief call towards names, personalities, and images across all Islamic sects and schools,

وليسَت الدعوة منهم لله وكتابه وإلى نبيه وأهل بيته عليهم السلام

and their call is not towards Allah, His Book, His Prophet, and the Household of His Prophet (peace be upon them).

رغم إن وصية النبي صلى الله عليه وآله وسلم الأخيرة كانت واضحة والأمر فيها بالتمسك بكتاب الله وأهل بيته عليهم السلام

Even though the final instruction of the Prophet (peace be upon him and his family) was clear, commanding adherence to the Book of Allah and his Household (peace be upon them).

ويختلف الزمان وأدواره

Times differ and go through cycles.

ولقد مر في التاريخ ازدهار بلاد في الشرق كما هو الحال في الغرب

In history, there have been periods of flourishing in Eastern lands just as there are in the West,

وكذلك كان بعضها مزدهرا في الغرب تحت حكم المسلمين

and likewise some lands in the West flourished under the rule of Muslims.

ولكن الازدهار الحقيقي أن يكون لديك اعتقاد صحيح، ولا تخلط فيه

However, true prosperity is that you possess correct belief and do not mix it with anything else,

وَأَنْ يَكُونَ إِيمَانُكَ وَفِكْرُكَ وَنَظْرُكَ وَوُجُودُكَ لِلَّهِ وَكِتَابِهِ وَنَبِيِّهِ وَأَهْلِ بَيْتِ نَبِيِّهِ عَلَيْهِمُ السَّلَامُ فَقَطْ.

and that your faith, your thought, your perspective, and your existence are devoted solely to Allah, His Book, His Prophet, and the Household of His Prophet (peace be upon them).

السُّؤَالُ رَقْمَ 8
هَلِ الْإِيمَانُ مُتَعَدِّدٌ فِي النُّوعِ وَعَلَيَّ الْاِخْتِيَارُ؟
أَمْ هُوَ وَاحِدٌ وَلَا خِيَارَ لِي غَيْرُهُ؟

Question 8

Is faith made up of different types such that I must choose between them?

Or is it one, with no other choice for me besides it?

الجواب:

Answer:

الإيمان كان مُتعددًا بناءً على ترتيب الرسالات التي أتى بها الرُّسُل

Faith was multiple according to the succession of the messages brought by the messengers,

وكان المُرسِلُ لهم واحداً، وهو الله عز وجل.

while the One who sent them was One, and He is Allah, the Almighty.

إن كل رسول جديد يأتي، ويكون معه كتاباً فيه شرائع، فإن كتابه يكون ناسخاً لِمَا قَبْلَهُ من أحكام

Every new messenger who came with a book containing laws brought a book that abrogated the rulings that came before it,

وَمَعْنَى النَّسْخِ:

and the meaning of abrogation is:

أن يزول الحكم السابق بحكم جديد.

that a previous ruling is removed and replaced with a new ruling.

لأن الله عز وجل حكيم يضع كل شيء في محله

This is because Allah, the Almighty, is Wise and places everything in its proper place,

بما يتناسب مع الزمان والمكان ووعي الناس في تلك المرحلة.

in accordance with the time, the place, and the level of people's understanding at that stage.

لقد كانت الرسالة الأخيرة، هي:

The final message was:

رسالة الإسلام

the message of Islam,

ورسولها محمد نبي الله صلى الله عليه وآله وسلم

and its Messenger is Muhammad, the Prophet of Allah
(peace be upon him and his family),

ومعه كتاب جامع، تبياناً لكل شيء، وهو: القرآن الكريم.

and with him is a comprehensive Book, a clarification of
all things, namely the Noble Qur'an.

وهو: خاتم كُتب الأحكام والقوانين التي تأتي من الله عز وجل، وشامل لها

It is the final Book of rulings and laws sent by Allah, the
Almighty, and it encompasses all that came before it.

فأصبح الإيمان بمحمد وبالقُرآن الكريم هو الإيمان بجميع الرُّسل وكتبهم،

Therefore, belief in Muhammad and in the Noble Qur'an is belief in all the messengers and their books,

وبذلك فإن الإيمان اليوم هو واحد.

and thus faith today is one.

قال الله عز وجل:

Allah, the Almighty, said:

(وَمَنْ يَبْتَغِ غَيْرَ الْإِسْلَامِ دِينًا فَلَنْ يُقْبَلَ مِنْهُ وَهُوَ فِي الْآخِرَةِ مِنَ الْخَاسِرِينَ)

سورة آل عمران: 85

“And whoever seeks a religion other than Islam, it will never be accepted from him, and in the Hereafter he will be among the losers.”

(Surah Al 'Imran: 85)

ليس للإنسان أن يختار كما يحلو له في مسائل الإيمان

It is not for a person to choose as they wish in matters of faith,

لأن الإيمان هو اعتقاد بوجود الله الحكيم

because faith is belief in the existence of Allah, the Wise,
ويلزم بعد تحققه أن يكون العمل من خلال اتباع أوامره، والعمل بأحكامه

and once this belief is established, it becomes necessary to act by following His commands and acting upon His rulings.

وأولها: الإيمان بما جاء به رسوله ونبيه محمد صلى الله عليه وآله وسلم،
واتباعه

Foremost among these is: believing in what His Messenger and Prophet Muhammad (peace be upon him and his family) brought, and following him,

وحبه مع أهل بيته عليهم السلام

loving him and his Household (peace be upon them),

وطاعتهم، واتخاذهم قدوة بالقول والعمل.

obeying them, and taking them as an example in speech and action.

كذلك فإن الاختيار الصحيح ما يختاره الله عز وجل

Likewise, the correct choice is what Allah, the Almighty, chooses.

ولا يصح من عمل الإنسان ما يكون باختياره، ووفق عقله وفهمه

It is not valid for a person to act according to their own choice, intellect, and understanding,

لاختلاف العقول ومدارك الأفهام

due to the differences in intellects and levels of understanding.

وإنما يعمل وفق إرادة الله عز وجل وتوجيهاته،

Rather, one acts according to the will of Allah, the Almighty, and His guidance,

ومن حيث يُريد الله عز وجل

in the manner that Allah, the Almighty, wills.

ويتحقق ذلك بواسطة الرجوع إلى كتاب الله، وهو القرآن الكريم.

This is achieved by referring to the Book of Allah, which is the Noble Qur'an,

والرجوع إلى حديث رسول الله صلى الله عليه وآله وسلم

and by referring to the narrations of the Messenger of Allah (peace be upon him and his family),

لأن الله عز وجل أمرنا بذلك، فقال:

because Allah, the Almighty, commanded us to do so, saying:

(مَا آتَاكُمُ الرَّسُولُ فَخُذُوهُ وَمَا نَهَاكُمْ عَنْهُ فَانْتَهُوا)

سورة الحشر: 7.

“Whatever the Messenger gives you, take it; and whatever he forbids you from, refrain from it.”

(Surah al-Hashr: 7)

ملاحظة مهمة:

Important note:

ظَهَرَ عند المسلمين مجموعات متعددة، قامت في إنشاء فِرَق ومذاهب

Various groups emerged among the Muslims, establishing different sects and schools.

مرة يقوم بتأسيس فرقة منها مجموعة مُستقلة تعمل بأهوائها

At times, a sect would be founded by an independent group acting according to its own desires,

ومرة يكون تأسيس فرقة منها بإشراف وتخطيط الطغاة الذين يحكمون بلاد المسلمين، من أجل غرس الخلاف بين المسلمين، والقدرة على التحكم فيهم

and at other times, a sect would be established under the supervision and planning of tyrants who ruled the Muslim lands, with the aim of creating division among the Muslims and gaining control over them.

لذلك نشأت العديد من المجموعات التي انحرفت عن الاعتقاد الصحيح منذ اليوم الأول لرحيل النبي صلى الله عليه وآله وسلم بعدما تم قتله مسموماً.

As a result, many groups emerged that deviated from the correct belief from the very first day after the departure of the Prophet (peace be upon him and his family), after he was poisoned to death.

إن كل فرقة خالفت في أفعالها وأقوالها نهج القرآن الكريم ونهج رسول رب العالمين محمد صلى الله عليه وآله وسلم فهي فرقة ضالة وتدعو إلى الضلال

Every group that opposes, in its actions and words, the path of the Noble Qur'an and the path of the Messenger of the Lord of the Worlds, Muhammad (peace be upon him and his family), is a misguided group that calls towards misguidance.

ولا علاقة لها بالإيمان، إنما هي تجارة باسم الدين لأجل الدنيا.

It has no connection to faith. Rather, it is a trade conducted in the name of religion for worldly gain.

الخلاصة:

Conclusion:

إن الأيادي التي ساهمت في صناعة الفِرَق والمَذاهب كانت غايتها مسألة واحدة، وهي:

The hands that contributed to the formation of sects and schools had one single aim, and it is:

إبعاد الناس عن أهل بيت النبي محمد صلى الله عليه وآله وسلم

To distance people from the Household of Prophet Muhammad (peace be upon him and his family).

لأن الله عز وجل أمر نبيه صلى الله عليه وآله وسلم أن يأمر الناس بالتمسك بالقرآن الكريم وبأهل بيته عليهم السلام

This is because Allah, the Almighty, commanded His Prophet (peace be upon him and his family) to instruct the people to hold firmly to the Noble Qur'an and to his Household (peace be upon them).

لكن الحسد منعهم من ذلك فخالفوا أهل بيت نبيهم عليهم السلام، وحاربوهم، وقتلوهم، وبلغ من ظلمهم لأهل بيت نبيهم عليهم السلام أن تتبعوا أتباعهم وأنصارهم وشيعتهم ومحبيهم فحاربوهم وقتلوهم في كل مكان.

However, envy prevented them from doing so, so they opposed the Household of their Prophet (peace be upon

them), fought them, and killed them. Their oppression against the Household of their Prophet (peace be upon them) reached the point that they pursued their followers, supporters, Shia, and those who loved them, fighting and killing them in every place.

قال رسول الله صلى الله عليه وآله وسلم:

The Messenger of Allah (peace be upon him and his family) said:

(إِنِّي قَدْ تَرَكْتُ فِيكُمْ الثَّقَلَيْنِ

Indeed, I leave among you two weighty things,

أَحَدُهُمَا أَكْبَرُ مِنَ الْآخَرِ:

one of them greater than the other:

كِتَابُ اللَّهِ وَعَنْتَرَتِي أَهْلُ بَيْتِي

the Book of Allah and my progeny, my Household (Ahl al-Bayt).

فَانْظَرُوا كَيْفَ تَخْلُقُونِي فِيهِمَا

So look how you succeed me regarding them,

فَانَّهُمَا لَنْ يَنْفَرَا حَتَّى يَرِدَا عَلَيَّ الْخَوْضَ

for they will never separate until they return to me at the Pond.

تنبيه:

Note:

إن رسول الله محمد صلى الله عليه وآله وسلم لا يقول برأيه وهواه، وقوله، هو: قول الله عز وجل.

The Messenger of Allah, Muhammad (peace be upon him and his family), does not speak from his own opinion or desire. Rather, his speech is the speech of Allah, the Almighty.

ولقد أشار الله سبحانه وتعالى في كتابه إلى هذا الأمر، فقال:

Allah, Glorified and Exalted, referred to this matter in His Book, saying:

(مَا يَنْطِقُ عَنِ الْهَوَىٰ إِنْ هُوَ إِلَّا وَحْيٌ يُوحَىٰ)

سورة النجم: 3-4.

“Nor does he speak from his own desire. It is nothing but revelation revealed.”

(Surah al-Najm: 3–4)

خاتمة:

Conclusion:

يكفي الإنسان العاقل أن يعلم بأن شرط الإيمان الصحيح، هو:

It is sufficient for a rational person to know that the condition of correct faith is:

أن يكون الاتباع والحب والطاعة والمُوالاة فقط لله عز وجل ولنبيه محمد صلى الله عليه وآله وسلم ولأهل بيت نبيه عليهم السلام فقط.

That following, love, obedience, and allegiance should be devoted solely to Allah, the Almighty, to His Prophet Muhammad (peace be upon him and his family), and to the Household of his Prophet (peace be upon them).

قال الله عز وجل:

Allah, the Almighty, said:

(إِنَّمَا وَلِيُّكُمُ اللَّهُ وَرَسُولُهُ وَالَّذِينَ آمَنُوا الَّذِينَ يُقِيمُونَ الصَّلَاةَ وَيُؤْتُونَ الزَّكَاةَ وَهُمْ رَاكِعُونَ)

سورة المائدة: 55.

“Indeed, your guardian is only Allah, His Messenger, and those who believe, those who establish prayer and give zakat while bowing.”

(Surah al-Ma'idah: 55)

عن عبد الله بن عباس، قال: (نزلت في علي).

أقول:

I say:

قول عبد الله بن عباس: (نزلت في علي)،

The statement of Abd Allah bin Abbas, “It was revealed concerning Ali,”

معناه: إن الآية نزلت في أمير المؤمنين علي بن أبي طالب عليه السلام.

means that the verse was revealed regarding the Commander of the Faithful, Ali bin Abi Talib (peace be upon him),

وهو ابن عم النبي محمد صلى الله عليه وآله وسلم، وخليفته، وزوج ابنته.

who is the cousin of Prophet Muhammad (peace be upon him and his family), his successor, and the husband of his daughter.

إن كل ما يجري من الطاعة والفضل لرسول الله صلى الله عليه وآله وسلم يجري لخليفته ووصيه أمير المؤمنين علي بن أبي طالب عليه السلام

Everything that applies in terms of obedience and virtue to the Messenger of Allah (peace be upon him and his family) also applies to his successor and legatee, the Commander of the Faithful, Ali bin Abi Talib (peace be upon him),

ويجري لجميع الأئمة عليهم السلام

and this extends to all the Imams (peace be upon them).

فيكون الأئمة عليهم السلام، هم: الذين آمنوا، وتكون الآية نزلت في النبي وأهل بيته صلوات الله عليهم.

Thus, the Imams (peace be upon them) are those who believe, and the verse was revealed concerning the Prophet and his Household (peace be upon them).

قَالَ الْإِمَامُ مُحَمَّدُ بْنُ عَلِيٍّ الْبَاقِرُ عَلَيْهِ السَّلَامُ:

Imam Muhammad bin Ali al-Baqir (peace be upon him) said:

(فَضَّلُ أَمِيرِ الْمُؤْمِنِينَ عَلَيْهِ السَّلَامُ مَا جَاءَ بِهِ أَخَذُ بِهِ وَمَا نَهَى عَنْهُ أَنْتَهَى عَنْهُ.

“The virtue of the Commander of the Faithful (peace be upon him): whatever he commands, I adhere to, and whatever he forbids, I refrain from.

جَرَى لَهُ مِنَ الطَّاعَةِ بَعْدَ رَسُولِ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَآلِهِ وَسَلَّمَ مَا لِرَسُولِ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَآلِهِ وَسَلَّمَ

There belongs to him, after the Messenger of Allah (peace be upon him and his family), the same obedience that belongs to the Messenger of Allah (peace be upon him and his family),

وَالْفَضْلُ لِمُحَمَّدٍ صَلَّى اللَّهُ عَلَيْهِ وَآلِهِ وَسَلَّمَ.

while the virtue belongs to Muhammad (peace be upon him and his family).

الْمُتَقَدِّمُ بَيْنَ يَدَيْهِ كَالْمُتَقَدِّمِ بَيْنَ يَدَيِ اللَّهِ وَرَسُولِهِ.

Whoever places himself before him is like one who places himself before Allah and His Messenger.

وَالْمُتَقَضِّلُ عَلَيْهِ كَالْمُتَقَضِّلِ عَلَى رَسُولِ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَآلِهِ وَسَلَّمَ.

And whoever claims superiority over him is like one who claims superiority over the Messenger of Allah (peace be upon him and his family).

وَالرَّادُّ عَلَيْهِ فِي صَغِيرَةٍ أَوْ كَبِيرَةٍ عَلَى حَدِّ الشِّرْكِ بِاللَّهِ.

And whoever rejects him in any matter, small or great, stands at the boundary of associating partners with Allah.

فَإِنَّ رَسُولَ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَآلِهِ وَسَلَّمَ بَابُ اللَّهِ الَّذِي لَا يُؤْتَى إِلَّا مِنْهُ، وَسَبِيلُهُ الَّذِي مَنْ سَلَكَهُ وَصَلَ إِلَى اللَّهِ عَزَّ وَجَلَّ.

For indeed, the Messenger of Allah (peace be upon him and his family) is the gate of Allah through which none may enter except through him, and His path through which whoever follows it reaches Allah, the Almighty.

وَكَذَلِكَ كَانَ أَمِيرُ الْمُؤْمِنِينَ عَلَيْهِ السَّلَامُ مِنْ بَعْدِهِ.

Likewise was the Commander of the Faithful (peace be upon him) after him,

وَجَرَى لِلْأُئِمَّةِ عَلَيْهِمُ السَّلَامُ وَاحِدًا بَعْدَ وَاحِدٍ.

and this continues with the Imams (peace be upon them), one after another.

جَعَلَهُمُ اللَّهُ عَزَّ وَجَلَّ أَرْكَانَ الْأَرْضِ أَنْ تَمِيدَ بِأَهْلِهَا، وَعُمَدَ الْإِسْلَامِ، وَرَابِطَةً عَلَى سَبِيلِ هُدَاهُ.

Allah, the Almighty, has made them the pillars of the earth so that it does not shake with its inhabitants, the supports of Islam, and the bond upon the path of His guidance.

لَا يَهْتَدِي هَادٍ إِلَّا بِهِدَاهُمْ، وَلَا يَضِلُّ خَارِجٌ مِنَ الْهُدَى إِلَّا بِتَقْصِيرٍ عَنْ حَقِّهِمْ.

No guide is guided except through their guidance, and no one departs from guidance except through falling short regarding their rights.

أَمَنَاءُ اللَّهِ عَلَى مَا أَهْبَطَ مِنْ عِلْمٍ أَوْ عُذْرٍ أَوْ نُذُرٍ

They are the trustees of Allah over what He has sent down of knowledge, excuses, and warnings,

وَالْحُجَّةُ الْبَالِغَةُ عَلَى مَنْ فِي الْأَرْضِ.

and they are the conclusive proof over those upon the earth.

يَجْرِي لِآخِرِهِمْ مِنَ اللَّهِ مِثْلُ الَّذِي جَرَى لِأَوَّلِهِمْ.

What is granted by Allah to the last of them is the same as what was granted to the first of them,

وَلَا يَصِلُ أَحَدٌ إِلَى ذَلِكَ إِلَّا بِعَوْنِ اللَّهِ

and no one attains this except through the help of Allah.”

Clarification:

ورد في بداية الحديث:

It is stated at the beginning of the narration:

(فَضْلُ أَمِيرِ الْمُؤْمِنِينَ عَلَيْهِ السَّلَامُ)

“The virtue of the Commander of the Faithful (peace be upon him),”

معناه: ما أذكره من فضل أمير المؤمنين عليه السلام.

meaning: what is being mentioned is from the virtues of the Commander of the Faithful (peace be upon him).

السُّؤَالُ رَقْمُ 9
أَلَيْسَ التَّزَامِي بِالْقَوَانِينِ وَاحْتِرَامِي لَهَا هُوَ الْإِيمَانُ لِأَنَّ بِهِذَا
الطَّرِيقَ أَضْمَنْ حُقُوقِي وَسَعَادَتِي؟

Question 9

Is my commitment to laws and my respect for them considered faith, since through this I secure my rights and my happiness?

الجواب:

Answer:

إن فهم معنى الإيمان هو الذي يُحدد الجواب

Understanding the meaning of faith is what determines the answer.

ولقد تقدم في أجوبة الأسئلة السابقة تعريفه، وهو:

Its definition has already been presented in the previous answers, and it is:

التصديق بوجود صانع لهذا الوجود وكل موجود، ثم العمل بما أمرنا به.

Belief in the existence of a Maker for this existence and for all that exists, followed by acting upon what He has commanded us.

أما القوانين التي وضعها الإنسان فهي قوانين تتعلق بزمان مُحدد ومكان مُحدد

As for the laws established by human beings, they are laws connected to a specific time and a specific place,

ولا يُمكن تطبيقها في جميع الأزمنة والأمكنة

and they cannot be applied across all times and places,

ولا تكون مُطلقا هي الإيمان.

nor can they ever be considered faith.

القانون ينحصر ضمن حدوده وغاية صناعته

A law is limited by its scope and the purpose for which it was created,

ولا تتشابه هذه القوانين بين بلدان العالم

and such laws differ from one country to another,

ولا حتى بين الشركات

and even between companies,

ولا حتى في المدارس والمحال التجارية.

and even within schools and shops.

أما القانون العام الذي يجري في بلد واحد فبعد أن تتعرف عليه يلزمك العمل به إن كُنت تُريد الإقامة في ذلك البلد تحديدا

As for the general law that operates within a particular country, once you become familiar with it, you are required to abide by it if you wish to reside in that country specifically.

كما يُعد الالتزام بالقوانين من الأخلاق التي يتحلى بها أهل الإيمان الصحيح.

Adherence to laws is also regarded as a moral quality possessed by people of correct faith.

الخلاصة:

Conclusion:

إن الالتزام بالقوانين التي يتم تشريعها في البلاد صفة نبيلة لأهل الإيمان الصحيح، ويتحقق لديهم من خلال تطبيق القانون معاني الرضا، مع الحياة الكريمة.

Adhering to the laws enacted within a country is a noble trait of people of correct faith, and through applying the law they attain meanings of contentment and a dignified life.

كما يدل عدم الالتزام بتلك القوانين على انحراف الإيمان لدى أهل الإسراف في مُخالفتها، والخلط في عقيدتهم، وضلالهم عن طريق الحق، واستغلال أهل الإرشاد منهم عقولهم للتجارة في الدين

Likewise, failure to adhere to such laws indicates deviation in faith among those who excessively violate them, confusion in their beliefs, misguidance from the path of truth, and the exploitation of their minds by those who claim to guide them for the purpose of trading in religion.

وحري بهم أن يعودوا إلى تلك البلاد التي سلختهم من إنسانيتهم، وشوّهت لديهم مفهوم الإسلام والإيمان، ويُظهروا الشجاعة هناك مع طواغيتهم في مُخالفة القوانين.

Such people would be more deserving of returning to the very countries that stripped them of their humanity and distorted for them the understanding of Islam and faith, and to demonstrate courage there against their own tyrants by violating the laws.

أما تطبيق القوانين من الناحية العلمية والعملية حتى من السُّكَّان المحليين لكل بلد وبلدة في كل العالم فهو أمر نادر، لا يخلو من التلاعب به

As for the practical implementation of laws, even among the local populations of every country and town throughout the world, it is rare for it to be free from manipulation,

إلا إن الطابع العام جريان القانون على الجميع، مثل: قانون السير في الطرقات.

although the general pattern is that the law applies to everyone, such as traffic laws on the roads.

السُّؤَالُ رَقْمُ 10
هَلْ يَلْزَمُ الْإِيْمَانُ الْاِعْتِقَادَ بِوُجُودِ الْخَالِقِ
أَوْ يَكْفِي الْاِعْتِقَادُ بِبَعْضِ الْمَبَادِي وَالْقِيَمِ؟

Question 10
Does faith require belief in the existence of the
Creator,
or is it sufficient to believe in certain principles
and values?

الجواب:

Answer:

إن حقيقة العبادة، هي: المعرفة.

The true essence of worship is recognition (ma'rifah).

وكل معرفة عن طريق غير الأنبياء والرُّسُل الذين أرسلهم الله عز وجل، فهي: معرفة عليّة غير تامة.

Every form of recognition that does not come through the prophets and messengers sent by Allah, the Almighty, is deficient and incomplete recognition.

لقد تمت الإشارة في جواب السؤال التاسع حول ضرورة فهم معنى الإيمان، لأجل فهم ما يجب الاعتقاد فيه.

It has already been indicated in the answer to Question 9 that understanding the meaning of faith is necessary in order to understand what must be believed in.

كما إنه يوجد فرق بين الإسلام والإيمان، ولا بد من تبيان هذا الأمر:

There is also a distinction between Islam and faith, and this must be clarified:

الإقرار بوجود الخالق والصانع والمالك، هو: أول الإسلام، وأول خطوة في طريق الإيمان

Acknowledging the existence of the Creator, the Maker, and the Owner is the beginning of Islam and the first step on the path to faith,

لأن الإيمان بعد الإسلام

because faith comes after Islam,

ولكل واحد منهما أُسُس وأركان.

and each of them has its own foundations and pillars.

الإسلام: أن تشهد لا إله إلا الله، وإن محمدا رسول الله، وإن عليا ولي الله

Islam is to testify that there is no god but Allah, that Muhammad is the Messenger of Allah, and that Ali is the vicegerent of Allah.

ويتوقف بعض المسلمين عند الإقرار بالشهادة الأولى والثانية فقط

Some Muslims stop at affirming only the first and second testimonies,

لكن الله عز وجل في كتابه: القرآن الكريم. ذكر الشهادة الثالثة مع
الشهادتين

however, Allah, the Almighty, has mentioned the third testimony alongside the first two in His Noble Book, the Qur'an.

كذلك ذكرها رسول الله صلى الله عليه وآله وسلم في حديثه

Likewise, the Messenger of Allah (peace be upon him and his family) also mentioned it in his sayings.

وحرصا لعدم التكرار أذكر ما تقدم من الدلائل على نحو الاختصار.

In order to avoid repetition, I will mention the previously stated evidences briefly.

تقدم في جواب السؤال السادس قول الله عز وجل:

In the answer to Question 6, the saying of Allah, the Almighty, was mentioned:

(فَمَنْ حَاجَّكَ فِيهِ مِنْ بَعْدِ مَا جَاءَكَ مِنَ الْعِلْمِ فَقُلْ تَعَالَوْا نُبَايَعُوا أَبْنَاءَنَا وَابْنَاءَكُمْ
وَنِسَاءَنَا وَنِسَاءَكُمْ وَأَنفُسَنَا وَأَنفُسَكُمْ)

سورة آل عمران: 61.

“Then whoever disputes with you concerning him after knowledge has come to you, say: Come, let us call our sons and your sons, our women and your women, and ourselves and yourselves”

(Surah Al ‘Imran: 61)

وإن المُراد بأنفسنا، هو: علي بن أبي طالب عليه السلام.

What is meant by “ourselves” is Ali bin Abi Talib (peace be upon him).

كما تقدم في جواب السؤال الثامن قول الله عز وجل:

Likewise, in the answer to Question 8, the saying of Allah, the Almighty, was mentioned:

(إِنَّمَا وَلِيُّكُمُ اللَّهُ وَرَسُولُهُ وَالَّذِينَ آمَنُوا الَّذِينَ يُقِيمُونَ الصَّلَاةَ وَيُؤْتُونَ الزَّكَاةَ وَهُمْ رَاغِبُونَ)

سورة المائدة: 55.

“Indeed, your guardian is only Allah, His Messenger, and those who believe, those who establish prayer and give zakat while bowing.”

(Surah al-Ma’idah: 55)

وقول عبد الله بن عباس: (نزلت في علي).

And the statement of Abd Allah bin Abbas: "It was revealed concerning Ali."

كذلك تقدم في جواب السؤال الثاني قول النبي صلى الله عليه وآله وسلم:

Also mentioned in the answer to Question 2 is the saying of the Prophet (peace be upon him and his family):

(إِنَّ اللَّهَ مُوَلَّاي، وَأَنَا وَلِيُّ كُلِّ مُؤْمِنٍ. ثُمَّ أَخَذَ بِيَدِ عَلِيٍّ، فَقَالَ:

"Indeed, Allah is my Master, and I am the master of every believer. Then he took the hand of Ali and said:

مَنْ كُنْتُ وَلِيَّهُ، فَهَذَا وَلِيُّهُ، اللَّهُمَّ وَالِ مَنْ وَالَاهُ، وَعَادِ مَنْ عَادَاهُ)

Whoever I am his master, then this is his master. O Allah, befriend whoever befriends him, and oppose whoever opposes him."

خاتمة الدلائل المُتقدمة:

Conclusion of the previously mentioned evidences:

حديث الإمام محمد بن علي الباقر عليه السلام ضمن جواب السؤال الثامن

The narration of Imam Muhammad bin Ali al-Baqir (peace be upon him), mentioned in the answer to Question 8

ورود فيه عن فضل النبي وأهل بيته جميعا عليهم السلام:

And it mentions the virtue of the Prophet and all his Household (peace be upon them):

(يَجْرِي لِآخِرِهِمْ مِّنَ اللَّهِ مِثْلُ الَّذِي جَرَى لِأَوَّلِهِمْ)

“What is granted to the last of them from Allah is the same as what was granted to the first of them.”

بناء على ما تقدم فأينما يتم ذكر الله عز وجل يجب أن يتم ذكر رسول الله صلى الله عليه وآله وسلم

Based on what has preceded, wherever Allah, the Almighty, is mentioned, the Messenger of Allah (peace be upon him and his family) must also be mentioned.

وأينما يتم ذكر رسول الله صلى الله عليه وآله وسلم يجب أن يتم ذكر أمير المؤمنين علي بن أبي طالب عليه السلام

And wherever the Messenger of Allah (peace be upon him and his family) is mentioned, the Commander of the Faithful, Ali bin Abi Talib (peace be upon him), must also be mentioned,

وكذلك جميع الأئمة عليهم السلام، لأن فضلهم واحد.

as well as all the Imams (peace be upon them), for their virtue is one.

الخلاصة في تعريف الإسلام:

Conclusion regarding the definition of Islam:

الإقرار والشهادة بتوحيد الله عز وجل، ونبوة محمد صلى الله عليه وآله وسلم، والولاية لعلي بن أبي طالب عليه السلام.

Islam is the acknowledgement and testimony of the oneness of Allah, the Almighty, the prophethood of Muhammad (peace be upon him and his family), and the wilayah of Ali bin Abi Talib (peace be upon him).

قال أمير المؤمنين علي بن أبي طالب عليه السلام:

The Commander of the Faithful, Ali bin Abi Talib (peace be upon him), said:

(أَوَّلُ عِبَادَةِ اللَّهِ مَعْرِفَتُهُ)

“The first worship of Allah is recognising Him,

وَأَصْلُ مَعْرِفَةِ اللَّهِ تَوْحِيدُهُ

and the foundation of recognising Allah is His oneness,

وَنِظَامُ تَوْحِيدِ اللَّهِ نَفْيُ الصِّفَاتِ عَنْهُ

and the proper understanding of Allah's oneness is the negation of attributes from Him,

لِشَهَادَةِ الْعُقُولِ أَنَّ كُلَّ صِفَةٍ وَمَوْصُوفٍ مَخْلُوقٌ

for the intellects testify that every attribute and that to which it is attributed is created,

وَشَهَادَةِ كُلِّ مَخْلُوقٍ أَنَّ لَهُ خَالِقًا

and every created thing testifies that it has a Creator.”

أما الإيمان: فإنه يأتي بعد الإقرار باللسان بما تقدم

As for faith, it comes after acknowledgement by the tongue of what has been mentioned,

ويكون تصديق بالقلب، وعمل بالأركان، ومنها:

and it consists of belief in the heart and actions by the limbs, including:

أولاً: إن الله عز وجل واحد، وعادل، لم يلد، ولم يولد، وليس كمثلته شيء.

ثانياً: الإيمان بالنبي وأهل بيته عليهم السلام، الذين اختارهم الله عز وجل وطَهَّرَهُمْ، وهم:

Secondly: Belief in the Prophet and his Household (peace be upon them), whom Allah, the Almighty, has chosen and purified, and they are:

سورة الأحزاب: 57.

“Indeed, those who harm Allah and His Messenger, Allah has cursed them in this world and the Hereafter, and has prepared for them a humiliating punishment.”

(Surah al-Ahzab: 57)

سادسا: العمل بأوامر النبي صلى الله عليه وآله وسلم

Sixthly: Acting upon the commands of the Prophet (peace be upon him and his family).

قال الله عز وجل:

Allah, the Almighty, said:

(مَا آتَاكُمُ الرَّسُولُ فَخُذُوهُ وَمَا نَهَاكُمْ عَنْهُ فَانْتَهُوا)

سورة الحشر: 7.

“Whatever the Messenger gives you, take it; and whatever he forbids you from, refrain from it.”

(Surah al-Hashr: 7)

سابعا: الإيمان بمعراج النبي صلى الله عليه وآله وسلم، وبالجنة والنار، والصراط والميزان.

Seventhly: Belief in the Mi'raj of the Prophet (peace be upon him and his family), in Paradise and Hell, the Sirat, and the Scale.

ثامنا: العمل بالفرائض الواجبة: الصلاة، الصوم، الزكاة، الخمس، الحج، الجهاد، الأمر بالمعروف، النهي عن المنكر.

Eighthly: Acting upon the obligatory duties: prayer, fasting, zakat, khums, Hajj, jihad, enjoining good, and forbidding evil.

الخلاصة:

Conclusion:

يجب على أهل الإيمان الاعتقاد بوجود الخالق

It is necessary for the people of faith to believe in the existence of the Creator,

كما يلزم معه الاعتقاد بنبيه محمد وأهل بيته عليهم السلام

and this must be accompanied by belief in His Prophet Muhammad and his Household (peace be upon them),

وبما تقدم بيانه، حتى يتحقق معنى الإيمان بالقول والعمل.

along with what has been explained above, so that the meaning of faith may be realised through both word and action.

لا يكفي الاعتقاد ببعض المبادئ والقيم عوضا عن الإيمان

Belief in some principles and values is not sufficient in place of faith,

إن كانت هذه المبادئ والقيم من الإسلام أو ليست من الإسلام، لا فرق في ذلك

whether those principles and values are from Islam or not; it makes no difference,

لأن الله عز وجل يحب أن تعبدوه وتعرفه وتعمل له من حيث أمرك.

because Allah, the Almighty, loves that you worship Him, know Him, and act for His sake according to what He has commanded.

مَنْ هُوَ الَّذِي يُعَلِّمُنِي الْإِيمَانَ وَالْإِعْتِقَادَ؟
Who is the one who teaches me faith and belief?

الجواب:

Answer:

المُعلم هو الذي اختاره الله عز وجل، لا غيره.

The teacher is the one chosen by Allah, the Almighty, and no other.

قال الله عز وجل:

Allah, the Almighty, said:

(لَقَدْ مَنَّ اللَّهُ عَلَى الْمُؤْمِنِينَ إِذْ بَعَثَ فِيهِمْ رَسُولًا مِنْ أَنْفُسِهِمْ يَتْلُو عَلَيْهِمْ آيَاتِهِ
وَيُزَكِّيهِمْ وَيُعَلِّمُهُمُ الْكِتَابَ وَالْحِكْمَةَ)

سورة آل عمران: 164.

“Allah has certainly conferred a favour upon the believers when He raised among them a Messenger from themselves, reciting to them His verses, purifying them, and teaching them the Book and wisdom.”

(Surah Al 'Imran: 164)

إنه: محمد رسول الله صلى الله عليه وآله وسلم

He is Muhammad, the Messenger of Allah (peace be upon him and his family),

الجامع لصفات الكمال

the one who possesses all qualities of perfection,

وهو الذي أمرنا الله عز وجل بالافتداء به

The detailed discussion regarding the role model has already been presented in the answer to Question 5.

Likewise, the detailed discussion regarding who introduces me to faith has been presented in the answer to Question 1.

إِذَا كَانَ بَشَرٌ مِثْلِي فَكَيْفَ أَتَى بِمَا يَأْتِينِي بِهِ؟

If he is a human being like me, then how can I trust what he brings to me?

الجواب: قسمان.

Answer: It is in two parts.

القسم الأول من الجواب:

The first part of the answer:

بناء على أمر الله عز وجل فقد تم تعيين الجهة التي يتم تحصيل معرفة الإيمان بواسطتها

Based on the command of Allah, the Almighty, the source through which knowledge of faith is attained has been designated,

وَهُمْ: محمد وأهل بيته صلوات الله عليهم.

and they are: Muhammad and his Household (peace and blessings be upon them).

جعلهم الله عز وجل خُزَّانَ العلم

Allah, the Almighty, has made them the custodians of knowledge,

وَمُسْتَوْدَع مَوَارِيثِ الْأَنْبِيَاءِ عَلَيْهِمُ السَّلَامُ

the repository of the inheritance of the prophets (peace be upon them),

وَمَصْبَاحٍ لِّكُلِّ هِدَايَةٍ

a lamp for every guidance,

وَسَفِينَةٍ لِّكُلِّ نَجَاةٍ

an ark for every salvation,

وَبَابٍ رَّحْمَتِهِ وَرِضَاةٍ

the gate to His mercy and His pleasure,

والدليل إليه وعليه

and the guide to Him and the proof of Him.

بهم تستنير العقول، وتستضيء القلوب.

Through them, minds are illuminated and hearts are enlightened.

القسم الثاني من الجواب:

The second part of the answer:

إن صفات النبي وأهل بيته عليهم السلام تختلف عن سائر الناس

The qualities of the Prophet and his Household (peace be upon them) are distinct from those of all other people.

فإن لهم ظاهر بشري

They possess an outward human form,

وأشار الله عز وجل إلى ذلك في كتابه فقال:

and Allah, the Almighty, has pointed to this in His Book, saying:

(قُلْ إِنَّمَا أَنَا بَشَرٌ مِّثْلُكُمْ يُوحَىٰ إِلَيَّ أَنَّمَا إِلَهُكُمْ إِلَهٌ وَاحِدٌ)

سورة الكهف: 110

“Say: I am only a human being like you, to whom it has been revealed that your God is One God.”

(Surah al-Kahf: 110)

قال الإمام جعفر بن محمد الصادق عليه السلام في تفسير الآية:

Imam Ja'far bin Muhammad al-Sadiq (peace be upon him) said regarding the interpretation of this verse:

(يَعْنِي فِي الْخَلْقِ أَنَّهُ مِثْلُهُمْ مَخْلُوقٌ)

“O Muhammad, say: I am only a human being like you,

يَعْنِي أَكُلُ الطَّعَامِ.

meaning: I eat food.

يُوحَى إِلَيَّ أَنَّمَا إِلَهُكُمُ إِلَهٌ وَاحِدٌ

It is revealed to me that your God is One God,

يَعْنِي قُلْ لَهُمْ:

meaning: say to them:

أَنَا فِي الْبَشَرِيَّةِ مِثْلَكُمْ، وَلَكِنْ رَبِّي خَصَّنِي بِالنُّبُوَّةِ دُونَكُمْ

I am like you in my humanity, but my Lord has distinguished me with prophethood above you,

كَمَا يَخُصُّ بَعْضَ الْبَشَرِ بِالْغِنَاءِ وَالصِّحَّةِ وَالْجَمَالِ دُونَ بَعْضٍ مِنَ الْبَشَرِ

just as He distinguishes some people over others with wealth, health, and beauty.

فَلَا تُنْكِرُوا أَنْ يَخُصَّنِي أَيْضاً بِالنُّبُوَّةِ)

إن النبي محمد وأهل بيته عليهم السلام جوهرهم نور، يغلب ظهوره ضوء النهار

Indeed, the essence of Muhammad and his Household (peace be upon them) is light, whose radiance surpasses the light of day.

ولا تطبع أرجلهم في الرمل

Their feet do not leave imprints in the sand,

ويزين هيئتهم ومنطقهم وهيكلمهم الجمال

Their appearance, speech, and form are adorned with beauty.

he is more entitled to the people than they are to themselves,

وَأَشْفَقَ عَلَيْهِمْ مِنْ آبَائِهِمْ وَأُمَّهَاتِهِمْ

more compassionate towards them than their fathers

الخلاصة في النبي وأهل بيته عليهم السلام:

Conclusion regarding the Prophet and his Household
(peace be upon them):

إن محمدا وأهل بيته عليهم السلام الباب الذي من دخله كان آمنا، وأصبح
مُؤمنا

Muhammad and his Household (peace be upon them)
are the gate; whoever enters through it is safe and
becomes a believer.

بهم يَهْتَدِي الْمُهْتَدِي

Through them, the guided are guided,

وَصَارَ فِي التَّيِّهِ مَنْ ضَلَّ عَنْهُمْ.

and whoever strays from them is lost in bewilderment.

بمحمّد وأهل بيته عليهم السلام يُعرف الإيمان

Through Muhammad and his Household (peace be upon
them), faith is known.

وخبهم أصل الإيمان

Their love is the foundation of faith,

ولأجلهم حقيقة الإيمان

and through them the reality of faith is realised,

لأنهم باب معرفة الله عز وجل

for they are the gateway to knowing Allah, the Almighty,

ولولا هم ما عُرف الله عز وجل.

and were it not for them, Allah, the Almighty, would not be known.

أما أهل العلم ممن ينقل حديثهم وعلومهم من أهل الإيمان الذين يُؤمنون
بجميع ما تقدم، ويتعلمون علوم محمد وأهل بيته عليهم السلام ويُعلمونها
للناس

As for the people of knowledge who transmit their narrations and teachings, from among the believers who affirm all that has preceded, who learn the knowledge of Muhammad and his Household (peace be upon them) and teach it to others,

فإن لهم درجات وكرامات لِمَا يُحرِّروا به العقول، ويفتحوأ أبواب القلوب
إلى أنوار علوم محمد وأهل بيته عليهم السلام

they are granted ranks and honours for their role in liberating minds and opening the doors of hearts to the light of the knowledge of Muhammad and his Household (peace be upon them),

بشرط البراءة من أعداء محمد وأهل بيته عليهم السلام

on the condition of dissociation from the enemies of Muhammad and his Household (peace be upon them),

وعدم الشَّرْك في حُبِّهم وذكرهم وعلمهم.

and do not associate others with them in love, remembrance, and knowledge.

أي: لا يتم خلط حب وذكر النبي وأهل بيته عليهم السلام مع غيرهم من الخلائق.

That is, the love and remembrance of the Prophet and his Household (peace be upon them) must not be mixed with others among creation.

كذلك يتم تحصيل الإيمان والعلم بواسطة أهل الثقة في الدين

Likewise, faith and knowledge are attained through those who are trustworthy in matters of religion,

ويتوقف الإنسان عن الأخذ ممن لا يثق بعلمه وجهة مورده ومباني فكره

and a person must refrain from taking knowledge from those whose learning, sources, and intellectual foundations are not trusted,

لأنه يُحظر القول بالرأي عند مَنْ ينقل علم النبي محمد وأهل بيته عليهم السلام

because personal opinion is prohibited for one who transmits the knowledge of the Prophet Muhammad and his Household (peace be upon them),

إلّا إذا كان مصحوبا بحديث صادر عنهم

unless it is accompanied by a narration from them,

وهو يشرح معناه ضمن الدلائل التي تكشف وجوه المعاني من كلامهم عليهم السلام.

through which he explains its meaning by means of evidences that clarify the various aspects of their words (peace be upon them).

كما إنه ليس لأي أحد أن يقول برأيه

Furthermore, not everyone has the right to speak according to their own opinion,

لأن عقول الرجال لا تبلغ معاني آيات القرآن الكريم، ولا معاني حديث النبي وأهل بيته عليهم السلام

because human intellects cannot fully grasp the meanings of the verses of the Noble Qur'an, nor the meanings of the narrations of the Prophet and his Household (peace be upon them),

إلا إن كان يستند في تفسيرها على بعضها

except when one part is explained through another.

فالقرآن يتم تفسيره ومعرفة معانيه بواسطة الحديث

The Qur'an is explained and its meanings are understood through narrations,

كذلك الحديث يتم معرفته بواسطة حديث آخر

and narrations are understood through other narrations.

أما مَنْ يكون جوابه بناءً على الاستحسان والظن فلا فرق بينه وبين السائل، وكلاهما بحاجة إلى التعليم.

As for one whose answer is based upon personal preference and conjecture, there is no difference between him and the questioner; both are in need of instruction.

الخلاصة:

Conclusion:

تتخصر الثقة في العلم ووجوه المعاني من ألفاظه في حديث النبي وأهل بيته عليهم السلام، ونقل أهل الثقة ممن يوثق بإيمانه وأمانته وعدالته في الإخلاص بالولاية للنبي وأهل بيته عليهم السلام والبراءة من أعدائهم.

Trust in knowledge and in understanding its meanings is confined to the narrations of the Prophet and his Household (peace be upon them), and to the transmission of those who are trustworthy, whose faith, integrity, trustworthiness, justice, sincerity in wilayah to the Prophet and his Household (peace be upon them),

and dissociation from their enemies are firmly established.

Question 12

Is faith a theory that can be changed, updated, or rejected?

الجواب:

Answer:

الإيمان نظرية اخترعها صانع الوجود لجميع الخلق

Faith is a theory established by the Maker of existence for all creation.

لها أسُس وقواعد ومُقومات

It has foundations, principles, and essential components,

صدرت عن حكمة

issued from wisdom,

من العالم الأول

from the First Scholar,

تتناسب مع جميع الأزمنة والأمكنة

and it is suited to all times and places.

ولها قوانين فيزيائية تتعلق بأساس الإيمان ومدى فهمه

It has governing laws related to the foundation of faith
and the extent of its understanding,

ومقدار العقل وسعة إدراكه

the capacity of the intellect and the scope of its perception,

ونوعية الأعمال والأقوال

the nature of actions and words,

ووسائل العمل

and the means by which actions are carried out.

وتعتمد على أبواب خاصة للدخول إلى خزائن معلوماتها

It depends upon specific gateways through which one enters the custodians of its knowledge,

وسر جوهر نظرية الإيمان، هو:

and the secret of the essence of the theory of faith is:

الإقرار بالدليل على وجود الصانع وعدالته

to acknowledge, through proof, the existence of the Maker and His justice,

والعمل بأوامره التي أولها وأهمها الإيمان بنبوة رسوله محمد صلى الله عليه وآله وسلم

and to act upon His commands, the foremost and most important of which is belief in the prophethood of His Messenger Muhammad (peace be upon him and his family),

واتباعه وحبّه وطاعته مع أهل بيته عليهم السلام

to follow him, love him, and obey him along with his Household (peace be upon them),

وحصر تحصيل العلم بواسطة النبي وأهل بيته عليهم السلام

and to confine the acquisition of knowledge to the Prophet and his Household (peace be upon them).

وكل طريق يُخالف فعل وقول النبي وأهل بيته عليهم السلام فهو مُخالف لإرادة الله عز وجل وحكمته وغايته.

Every path that contradicts the words and actions of the Prophet and his Household (peace be upon them) opposes the will, wisdom, and purpose of Allah, the Almighty.

إن الإيمان، هو:

Faith is:

1- غاية: لأجلها أصبح الجميع موجودا في هذا العالم.

1. A purpose: for which all creation has come into existence in this world.

2- هدف: يتم اتخاذه ليكون مشروع حياة.

2. A goal: adopted as a project for life.

3- وسيلة للسعادة: لها أسس وخرائط ومقومات.

3. A means to happiness: with its own foundations, framework, and essential components.

4- مدرسة: تبدأ الدراسة في أول مرحلة منها بالبحث عن وجود صانع.

4. A school: whose first stage begins with the search for the existence of a Maker.

5- مُختبر: تختبر فيه معرفة نفسك التي كلما أدركتُ أكثر أصبح الوعي لديها وقّاداً يُشعّشع.

5. A laboratory: in which you examine your own self; the more it understands, the more its awareness becomes radiant and vibrant.

6- فكرة: تملأ فراغك، وتتكلم في صمتك، وتُنير خُلدك.

6. An idea: that fills your emptiness, speaks in your silence, and illuminates your inner being.

7- انتماء: دلائله الحُب والطاعة والولاء.

7. A belonging: whose signs are love, obedience, and loyalty.

8- نظرية: ثابتة، لا يُمكن تغييرها، أو تحديثها في أي زمان ومكان، والخيار الوحيد تجاهها، هو: قبولها، أو رفضها، ويُحاسب الله عز وجل الخلق يوم القيامة على مقدار ما آتاهم من العقول في هذه الدورة من الحياة.

8. A theory: fixed and unchanging, which cannot be altered or updated in any time or place. The only choice regarding it is to accept it or reject it. Allah, the Almighty, will hold creation accountable on the Day of Judgement according to the measure of intellect He granted them in this life.

تكليف جميع الخلق في هذه الحياة تحصيل العلم

The obligation upon all creation in this life is to seek knowledge,

ثم العمل بما يتم تحصيله من المعرفة

then to act upon the understanding that has been acquired,

يتلو ذلك لزوم نشر العلم لِمَن يَحيا به

followed by the obligation to convey that knowledge to those who seek to live by it.

لأن من ثوابت نظرية الإيمان بعد تحصيل أسبابها، والإقرار بها، والإيمان بأركانها، هو:

Among the fixed principles of the theory of faith, after attaining its foundations, affirming it, and believing in its pillars, is:

أن يُحب المؤمن لأخيه المؤمن ما يُحب لنفسه

that the believer loves for their believing brother what he loves for himself.

وهنا يكون المؤمن مرآة لنظيره في الإيمان

Here, the believer becomes a mirror to their fellow believer,

يختبر بفعله وقوله إنسانيته وإيمانه

testing their humanity and their faith through their actions and words.

ولا يتحقق هذا النوع المثالي في الذات الإنسانية إلا بعد أن تُدرك النفس إن حقيقة الإيمان هو حُب النبي محمد صلى الله عليه وآله وسلم، وحُب أهل بيته عليهم السلام

This ideal state within the human soul is not realised until it understands that the reality of faith is love for the Prophet Muhammad (peace be upon him and his family) and love for his Household (peace be upon them),

حُباً يكون أحبُّ للإنسان من حُبِّه لنفسه وماله وأهله.

a love that is dearer to a person than their own self, wealth, and family.

قال محمد رسول الله صلى الله عليه وآله وسلم:

The Messenger of Allah, Muhammad (peace be upon him and his family) said:

(لَا يَكُونُ الْعَبْدُ مُؤْمِنًا حَتَّى أَكُونَ أَحَبَّ إِلَيْهِ مِنْ نَفْسِهِ وَمِنْ وَلَدِهِ وَمَالِهِ وَأَهْلِهِ)

الخلاصة:

Conclusion:

إن الإيمان نظرية اخترعها الله صانع الوجود

Faith is a theory established by Allah, the Maker of existence.

هي ذاتها منذ بدء الوجود إلى نهايته

It remains unchanged from the beginning of existence to its end.

تدور حول قُطب واحد، هو:

It revolves around a single central principle:

الإقرار بوجود الله الصانع

acknowledging the existence of Allah, the Maker,

والإيمان به وبحكمته وعدالته، وتصديقه

believing in Him, His wisdom, and His justice, and affirming Him,

ثم الإقرار بما أراد من الإيمان بخاتم الأنبياء محمد صلى الله عليه وآله وسلم وأهل بيته عليهم السلام

then acknowledging what He has ordained regarding belief in the Seal of the Prophets, Muhammad (peace be upon him and his family), and his Household (peace be upon them).

وأن تكون أول العبادة، هي: المعرفة.

The first act of worship is recognition (ma'rifah),

وتتحقق دلائل المعرفة بالحب الخالص والدائم وبلا شريك للنبي وأهل بيته عليهم السلام وطاعتهم وتقديم الولاء لهم

and the signs of this recognition are realised through pure, constant, and exclusive love for the Prophet and

his Household (peace be upon them), obedience to them, and devotion to their wilayah.

ولا تتغير نظرية الإيمان هذه في كل زمان ومكان

This theory of faith does not change in any time or place.

وكانت فرضاً على جميع الأنبياء والرُّسل عليهم السلام

It was an obligation upon all the prophets and messengers (peace be upon them),

ولا رُخصة في رفضها

and there is no concession to reject it.

ويُعاقب كل مَنْ يُخالف هذه النظرية من قبل الله القادر ضمن تقديراته ووسائله في دائرة إرادته ومشيئته الحاكمة في جميع الوجود على كل موجود فيها.

Allah, the All-Powerful, punishes everyone who opposes this principle according to His decrees and His means,

within the scope of His will and His governing authority over all existence and everything within it.

السُّؤَالُ رَقْمَ 13

Question 13

Is it necessary for me to act upon faith, or is belief alone sufficient?

الجواب:

Answer:

إن الله عز وجل قرن الإيمان بالقول والعمل

Allah, the Almighty, has linked faith with both speech and action.

ولا يصح الإيمان بقول اللسان فقط

Faith is not valid through the statement of the tongue alone,

ولا بالاعتقاد الباطني فقط

nor through inner belief alone.

ووردت آيات كثيرة في القرآن الكريم تؤكد على ذلك

Many verses in the Noble Qur'an affirm this,

كما إنها رغم تعددها لكنها تنوعت في موضوعها حول الإيمان

and although they are numerous, they address different aspects of faith,

وفيهما فروع كثيرة تُشير إلى الإيمان بالقول والعمل

and they contain many branches that indicate faith through both speech and action.

وهذه نخبة منها:

The following is a selection of them:

Their theme:

الأمان والجزاء الكبير الوافر مع الغفران ومحو الأعمال السيئة من سجل أعماله لِمَن آمَن بالله عز وجل وعمل عملاً صالحاً.

Security, abundant reward, forgiveness, and the erasure of evil deeds from one's record for those who believe in Allah, the Almighty, and perform righteous deeds.

قال الله عز وجل:

Allah, the Almighty, said:

1- (مَنْ آمَنَ بِاللَّهِ وَالْيَوْمِ الْآخِرِ وَعَمِلَ صَالِحًا فَلَهُمْ أَجْرُهُمْ عِنْدَ رَبِّهِمْ وَلَا خَوْفٌ عَلَيْهِمْ وَلَا هُمْ يَحْزَنُونَ)

سورة البقرة: 62.

(Surah al-Baqarah: 62)

2- (مَنْ آمَنَ بِاللَّهِ وَالْيَوْمِ الْآخِرِ وَعَمِلَ صَالِحًا فَلَا خَوْفٌ عَلَيْهِمْ وَلَا هُمْ يَحْزَنُونَ)
سورة المائدة: 69.

الخلاصة:

Conclusion:

إن شرط الإيمان أن يكون قولاً وعملاً

The condition of faith is that it must be expressed through both speech and action,

لأن العمل هو المُختبر لإيمان الإنسان

because action is the test of a person's faith.

ويكشف المؤمن من خلال تعامله مع أقرانه نوع الإيمان الذي يحمله

Through their dealings with others, the believer reveals the nature of the faith they carry,

ومفهومه للإيمان، وتطبيقه للأحكام، وما يزينه من الإيمان في قوله وفعله

their understanding of faith, their application of its rulings, and how faith adorns their speech and actions.

خصوصا فيما يتعلق بالنبي وأهل بيته عليهم السلام وصِلَاتِهِم وزيارتهم وإحياء أمرهم وحبّهم وذكرهم وحضور المَجَالِس التي تُخَصَّص لأجلهم وإظهار الولاء لهم والبراءة من أعدائهم

This is especially evident in matters relating to the Prophet and his Household (peace be upon them): maintaining one's connection with them, visiting them, keeping their cause alive, loving them, mentioning them, attending gatherings dedicated to them, expressing

wilayah to them, and dissociating oneself from their enemies.

كذلك تجديد العهد والوعد إليهم بأن يكون سِلماً لهم ولأتباعهم وشيعتهم
ومُحبيهم

Likewise, it includes renewing one's covenant and pledge to them, to be at peace with them, their followers, their Shia, and those who love them,

ولا يخلط ذكرهم مع المحرمات التي ورد النهي عنها في القرآن الكريم

and not mixing their remembrance with prohibited matters mentioned in the Noble Qur'an,

مثل: آلات الطرب والموسيقى

such as musical instruments and music.

وأن يكون للمؤمن مظهر يدل على خالص المَوَدَّة إلى النبي وأهل بيته
عليهم السلام

The believer should also have an outward appearance that reflects sincere affection for the Prophet and his Household (peace be upon them),

لا سيما في أيام ذكرى ولاداتهم وأيام شهاداتهم

especially on the days commemorating their births and their martyrdoms.

فَيُظْهِرُ السُّرُورَ أَيَّامَ وَلَادَاتِهِمْ وَيُطَرِّفُ أَهْلَهُ وَأَحِبَّتَهُ بِالِابْتِسَامَةِ وَالْفَاكِهِةِ
وَالْكَلِمَةِ الطَّيِّبَةِ

On the days of their births, they should express joy and delight their family and loved ones with a smile, fruit, and kind words.

كَمَا يُؤَسِّسُ وَيَحْضُرُ وَيَدْعَمُ أَيَّ تَجْمَعٍ يَكُونُ أَساسَهُ لِأَجْلِ ذِكْرِ النَّبِيِّ وَأَهْلِ
بَيْتِهِ عَلَيْهِمُ السَّلَامُ

He should also establish, attend, and support any gathering dedicated to the remembrance of the Prophet and his Household (peace be upon them).

كَذَلِكَ الْحَالُ فِي أَيَّامِ شَهَادَاتِهِمْ عَلَيْهِمُ السَّلَامُ فَعَلَيْهِ أَنْ يُظْهِرَ الْحُزْنَ فِي
مَلْبَسِهِ وَهَيْئَتِهِ وَوَجْهِهِ

Likewise, on the days of their martyrdoms, they should display grief in their clothing, appearance, and expression,

لأنهم أولى بكل نفسٍ من نفسها

for they have greater right over every soul than the soul has over itself.

ويكون المؤمن سبباً لآخرين في إحياء أمرهم عليهم السلام خالصاً دون
شريكٍ في ذكر غيرهم مع ذكرهم

The believer should be a means of encouraging others to keep their cause alive, sincerely and without associating the remembrance of others alongside theirs,

لأن النبي وأهل بيته عليهم السلام لا يُقاس بهم أحد

because no one can be compared to the Prophet and his Household (peace be upon them).

ومن تمام المَوَدَّة العمل بما يُحب المَحَبوب، وإكرام كل مُحب للمَحَبوب

Part of the perfection of love is to act according to what the beloved loves and to honour everyone who loves the beloved.

أي: لزوم أن يكون عمل المؤمن رَئِيًّا له أمام النبي وأهل بيته عليهم السلام

That is, the believer's actions should be an adornment in the sight of the Prophet and his Household (peace be upon them).

وأيضا عليه أن يقوم بإكرام أتباعهم وزوارهم وشيعتهم ومُحبيهم إكراما للنبي وأهل بيته عليهم السلام.

He should also honour their followers, their visitors, their Shia, and those who love them, as a means of honouring the Prophet and his Household (peace be upon them).

السُّؤَالُ رَقْمَ 14
مَا فَائِدَةُ الْإِيمَانِ لِلْمُجْتَمَعِ وَمَا هِيَ أَضْرَارُهُ؟

Question 14

What is the benefit of faith for society, and what are its harms?

الجواب:

Answer:

الإيمان مثل شجرة طيبة، يهنأ بها صاحبها، ومن تذوق ثمارها

Faith is like a good tree; its owner finds comfort in it, and so does whoever tastes its fruits.

ولا يكون منها ضرر مُطلقا

There is no harm in it whatsoever,

إلا إذا انحرف الداعي باسم الإيمان للتجارة في الدين، وقام باستغلال
القلوب التي تُحب الله عز وجل وتُحب نبي الله وأهل بيته عليهم السلام
فينحرف بها من النور إلى الظلام، فتَظَلِمُ القلوب، ويكون فيها نقطة سوداء
تنتشر فيها

except when one who calls in the name of faith deviates and turns religion into a means of worldly gain, exploiting the hearts that love Allah, the Almighty, and love the Prophet of Allah and his Household (peace be upon them). Such a person leads them from light into darkness, causing hearts to become darkened until a black spot appears within them and gradually spreads.

ويكون المؤمن المغرر به بحاجة إلى مَنْ يدلّه على طريق النجاة من كيد
تُجار الدين

At that point, the deceived believer becomes in need of someone to guide them to the path of salvation from the schemes of those who trade in religion,

ليستغفر ويتوب ويغرس في قلبه نُقْطة بيضاء تنتشر فتملأ القلب، ويعود
إلى جوار الحق

so that they may seek forgiveness, repent, and plant a white spot in their heart which spreads until it fills the heart, returning them to the side of truth.

ولن يسقط في شرك هؤلاء إلا أهل الجهل، الذين يتبعون كل ناعق

None fall into the traps of such people except the ignorant, who follow every caller,

لا سيما في هذا العصر من الزمان، لتعدد وتنوع وسائل التضليل والتغريب
والخداع

especially in this age, due to the many and varied means of misguidance, deception, and manipulation,

وكثرة انتشار الوُعَاظ المَاجُورِينَ يُحْلِلُونَ ما يَشَاوُونَ ويُحَرِّمُونَ ما
يَشَاوُونَ، ثم يُحَرِّمُونَ ما قالوا بتحليله بالأمس، ويُحْلِلُونَ ما قالوا بتحريمه،
على هوى حُكَّامِهِمْ، وعلى مقدار العطاء الذي يوهبه الحاكم إليهم، دينهم
المال، وربهم كل فرعون مُتَجَبِّرٌ يُسَلِّطُ سَطْوَتَهُ وَقُوَّتَهُ على أهله وشعبه.

and the widespread presence of paid preachers who permit whatever they wish and forbid whatever they wish, then forbid what they permitted yesterday and permit what they previously forbade, in accordance with the desires of their rulers and the amount of wealth bestowed upon them. Their religion is wealth, and their lord is every tyrannical Pharaoh who imposes his authority and power upon his family and his people.

إن أول الإيمان، كلمة: لا إله إلا الله.

The foundation of faith is the statement: There is no god but Allah.

ولا يتحقق معنى الإيمان إلا إذا اقترن التصديق بأن محمدا صلى الله عليه وآله وسلم عبد الله ورسوله المرسل رحمة للعالمين، وإن أمير المؤمنين علي بن أبي طالب عليه السلام خليفته وولي المؤمنين من بعده

The meaning of faith is not realised unless it is accompanied by belief that Muhammad (peace be upon him and his family) is the servant of Allah and His Messenger, sent as a mercy to all the worlds, and that

the Commander of the Faithful, Ali bin Abi Talib (peace be upon him), is his successor and the guardian (wali) of the believers after him,

Sahih Muslim (d. 261 AH), vol. 4, p. 1870, hadith 2404.

قواعد أساسية في المعرفة تتجلى فيها فوائد الإيمان

There are foundational principles of understanding through which the benefits of faith become clear,

على نفس الإنسان المؤمن

both for the individual believer

وعلى المُجتمع الذي يكون فيه الإنسان المؤمن

and for the society in which the believer lives,

شرط أن يكون المؤمن صاحب اعتقاد صحيح

on the condition that the believer holds a correct belief

ويكون أيضا ممن يعمل بما أمر الله عز وجل وأمر نبيه وأهل بيته عليهم السلام.

and acts upon what Allah, the Almighty, and His Prophet and his Household (peace be upon them) have commanded.

مَنْ لَا يَكُونُ اعْتِقَادُهُ صَحِيحًا، مَثَلًا:

Whoever does not have a correct belief, for example:

لا يُؤمن بأن أمير المؤمنين علي بن أبي طالب عليه السلام خليفة رسول
الله صلى الله عليه وآله وسلم

one who does not believe that the Commander of the Faithful, Ali bin Abi Talib (peace be upon him), is the successor of the Messenger of Allah (peace be upon him and his family),

فإن اعتقاده ليس صحيحا، وطريق عمله خاطئ، وكل مَباني أفكاره غير
صحيحه

then their belief is not correct, their course of action is flawed, and the foundations of their thinking are incorrect,

لأنه يقول برأيه، ويتبع طريقة أمثاله ممن سبقه.

because they follow their own opinion and imitate those who came before him.

كَذَلِكَ مَنْ لَا يَعْمَلُ بِأَوَامِرِ اللَّهِ وَنَبِيِّهِ وَأَهْلِ بَيْتِ نَبِيِّهِ عَلَيْهِمُ السَّلَامُ، فَإِنَّهُ يَضُرُّ
نَفْسَهُ وَمُجْتَمَعَهُ

Likewise, whoever does not act upon the commands of Allah, His Prophet, and the Household of His Prophet (peace be upon them) harms both themselves and their society,

لأنه لا فرق بينه وبين صاحب الاعتقاد الخاطئ

because there is no difference between them and one who holds an incorrect belief,

لأن الإثنين لا يعملون بما أمر الله عز وجل.

as both fail to act upon what Allah, the Almighty, has commanded.

الأول:

The first:

لا يقبل ولاية علي بن أبي طالب عليه السلام، والتي هي ولاية رسول الله صلى الله عليه وآله وسلم التي أوصى بها جميع المسلمين في آخر خطبة له، وبذلك فإنه لا يعمل بأوامر علي بن أبي طالب عليه السلام، ومن يكون هذا طريقه عليه أن يبحث لمعرفة الحق.

does not accept the wilayah of Ali bin Abi Talib (peace be upon him), which is the wilayah of the Messenger of Allah (peace be upon him and his family), a matter that he enjoined upon all Muslims in his final sermon. Consequently, such a person does not act upon the commands of Ali bin Abi Talib (peace be upon him), and whoever follows this path must seek the truth.

الثاني:

The second:

يُؤْمِنُ بِوِلَايَةِ عَلِيِّ بْنِ أَبِي طَالِبٍ عَلَيْهِ السَّلَامُ، وَلَا يَعْمَلُ بِأَوَامِرِهِ، فَيَكُونُ مُشَابِهَا لِلأَوَّلِ فِي أَعْمَالِهِ السَّيِّئَةِ الَّتِي تُخَالِفُ أَوَامِرَ اللَّهِ وَنَبِيِّهِ وَأَهْلِ بَيْتِ نَبِيِّهِ عَلَيْهِمُ السَّلَامُ.

believes in the wilayah of Ali bin Abi Talib (peace be upon him) but does not act upon his commands, and thus resembles the first in committing wrongful actions that oppose the commands of Allah, His Prophet, and the Household of His Prophet (peace be upon them).

الخلاصة مما تقدم:

The conclusion from the above:

إن الفائدة من الإيمان، ومن المؤمن، تنحصر فقط في تطبيق الأوامر الإلهية، والتي يتم معرفتها بواسطة النبي وأهل بيته عليهم السلام.

The benefit of faith, and the benefit derived from the believer, lies solely in implementing the divine commands, which are known through the Prophet and his Household (peace be upon them).

السبب تم تبياناه مُفصَّلًا في جواب السؤال 13 السابق، واختصار معناه، هو:

The reason for this was explained in detail in the answer to Question 13. In summary:

إن الإيمان قول وعمل، ولا يصح الإيمان بلا عمل.

Faith consists of both speech and action, and faith without action is not valid.

الإيمان كالنخلة تتنوع ثمرتها في أوقات السنة بين الرطب والتَّمر

Faith is like a date palm whose fruit varies throughout the year between fresh dates and dried dates.

فيكون نفع الإيمان عند المؤمن دائم في جميع الأوقات

Thus, the benefit of faith for the believer is continuous at all times,

ويكون هذا النفع مُمتدا إلى المُجتمع الذي يكون فيه المؤمن

and this benefit extends to the society in which the believer lives,

شرط أن يكون المؤمن قويا في إيمانه

on the condition that the believer is firm in their faith.

لأنه إذا كان ضعيف الإيمان فإنه يستقيم مرة وينحرف أخرى، ويصدر منه ما فيه الضرر وقت انحرافه عن طريق الإيمان.

For if their faith is weak, they may remain steadfast at one time and deviate at another, and harm may result from them whenever they stray from the path of faith.

قال الإمام جعفر بن محمد الصادق عليه السلام:

Imam Ja'far bin Muhammad al-Sadiq (peace be upon him) said:

(مَثَلُ الْمُؤْمِنِ وَبَدَنِهِ كَجَوْهَرَةٍ فِي صُنْدُوقٍ)

“The example of the believer and his body is like a jewel in a box.”

Source: Basa'ir al-Darajat, Muhammad bin Hasan al-Saffar (d. 290 AH), vol. 1, p. 464, hadith 12.

المَعْنَى:

Meaning:

إن الإيمان لا يتداخل ولا يتمازج مع البدن

Faith does not merge or intermingle with the body.

وإذا أذنب المؤمن ذنبا من الكبائر ينفصل الإيمان عنه ويرتفع حتى يتوب
فيعود إليه.

If a believer commits a major sin, faith separates from them and is lifted away until they repent, at which point it returns to them.

الفرق بين المؤمن القوي والمؤمن الضعيف:

The difference between the strong believer and the weak believer:

قال رسول الله صلى الله عليه وآله وسلم:

The Messenger of Allah (peace be upon him and his family) said:

(مَثَلُ الْمُؤْمِنِ الْقَوِيِّ كَالنَّخْلَةِ وَمَثَلُ الْمُؤْمِنِ الضَّعِيفِ كَخَامَةِ الزَّرْعِ)

“The example of the strong believer is like a palm tree, and the example of the weak believer is like a tender plant.”

Source: Jāmi' al-Akhhbār, Muhammad al-Sha'irī (6th century AH), p. 183, chapter 141.

توضيح: خاماة الزرع، أول ما نبت، يكون لَيِّنًا، تقلبه الرياح في كل اتجاه.

Clarification: A tender plant, at the beginning of its growth, is soft and is swayed by the wind in every direction.

من أجل ذلك يلزم أن يكون الإنسان قويا في إيمانه، ولا يكون مثل السُّنبلة
تميل مرة وتستقيم مرة

For this reason, a person must be firm in their faith and not be like a stalk that bends at one time and stands upright at another.

وتفترن زيادة الإيمان بالابتلاء، ليكون البلاء الذي يُصيب المؤمن ماحيا
لذنوبه، وكفارة لخطيئاته.

An increase in faith is accompanied by trials, so that the affliction that befalls a believer erases their sins and serves as an expiation for their mistakes.

قال الإمام موسى بن جعفر الكاظم عليه السلام:

Imam Musa bin Ja'far al-Kadhim (peace be upon him) said:

(مَثَلُ الْمُؤْمِنِ مَثَلُ كِفَّتَيِ الْمِيزَانِ، كُلَّمَا زِيدَ فِي إِيْمَانِهِ زِيدَ فِي بَلَاءِهِ، لِيَلْقَى
اللهَ عَزَّ وَجَلَّ وَلَا خَطِيئَةَ لَهُ)

“The example of the believer is like the two pans of a scale: the more his faith increases, the more his trials increase, so that he meets Allah, the Almighty, without any sin.”

ينحصر أساس الإيمان وجوهره في الحديث المتقدم ضمن جواب السؤال
رقم 12.

The foundation and essence of faith are summarised in the narration mentioned earlier in the answer to Question 12.

عن رسول الله صلى الله عليه وآله وسلم، أنه قال:

The Messenger of Allah (peace be upon him and his family) said:

(لَا يَكُونُ الْعَبْدُ مُؤْمِنًا حَتَّى أَكُونَ أَحَبَّ إِلَيْهِ مِنْ نَفْسِهِ وَمِنْ وَلَدِهِ وَمَالِهِ
وَأَهْلِهِ)

“A servant does not become a believer until I am more beloved to him than himself, his children, his wealth, and his family.”

من شروط المَحَبَّة طاعة المَحْبُوب، فيكون كل مَنْ انحرف عن علي بن أبي طالب وولايته عليه السلام فقد انحرف عن الإيمان، ويكون ضارا لنفسه ولمُجتمعه.

Among the conditions of love is obedience to the beloved. Therefore, whoever deviates from Ali bin Abi Talib and his wilayah (peace be upon him) has deviated from faith and becomes harmful to themselves and to their society.

قَالَ رَسُولُ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَآلِهِ وَسَلَّمَ:

The Messenger of Allah (peace be upon him and his family) said:

(جَاءَنِي جِبْرِئِيلُ، فَقَالَ لِي: يَا أَحْمَدُ.

“Jibril came to me and said: O Ahmad.

الإِسْلَامُ عَشْرَةُ أَشْهُمٍ، وَقَدْ حَآبَ مَنْ لَا سَهْمَ لَهُ فِيهَا:

Islam has ten shares, and whoever has no share in them has failed:

أَوَّلُهَا: شَهَادَةُ أَنْ لَا إِلَهَ إِلَّا اللَّهُ، وَهِيَ: الْكَلِمَةُ.

The first: the testimony that there is no god but Allah, and it is the Word.

وَالثَّانِيَةُ: الصَّلَاةُ، وَهِيَ: الطُّهُرُ.

The second: prayer, and it is purity.

وَالثَّالِثَةُ: الزَّكَاةُ، وَهِيَ: الْفِطْرَةُ.

The third: zakat, and it is the natural disposition.

وَالرَّابِعَةُ: الصَّوْمُ، وَهِيَ: الْجَنَّةُ.

The fourth: fasting, and it is protection.

وَالْخَامِسَةُ: الْحَجُّ، وَهِيَ: الشَّرِيعَةُ.

The fifth: Hajj, and it is the Sacred Law.

وَالسَّادِسَةُ: الْجِهَادُ، وَهُوَ: الْعِزُّ.

The sixth: jihad, and it is honour.

وَالسَّابِعَةُ: الْأَمْرُ بِالْمَعْرُوفِ، وَهُوَ: الْوَفَاءُ.

The seventh: enjoining good, and it is faithfulness.

وَالثَّامِنَةُ: النَّهْيُ عَنِ الْمُنْكَرِ، وَهِيَ: الْحُجَّةُ.

The eighth: forbidding evil, and it is proof.

وَالتَّاسِعَةُ: الْجَمَاعَةُ، وَهِيَ: الْأَلْفَةُ.

The ninth: the community, and it is harmony.

وَالْعَاشِرَةُ: الطَّاعَةُ، وَهِيَ: الْعِصْمَةُ.

The tenth: obedience, and it is protection.

قَالَ حَبِيبِي جِبْرِيلُ:

My beloved Jibril said:

إِنَّ مَثَلَ هَذَا الدِّينِ كَمَثَلِ شَجَرَةٍ ثَابِتَةٍ

The example of this religion is like a firmly rooted tree.

الْإِيمَانُ أَصْلُهَا

Faith is its root,

وَالصَّلَاةُ عَرْوُهَا

prayer is its veins,

وَالزَّكَاةُ مَآوُهَا

zakat is its water,

وَالصَّوْمُ سَعْفُهَا

fasting is its branches,

وَحُسْنُ الْخُلُقِ وَرَقُهَا

good character is its leaves,

وَالْكَفُّ عَنِ الْمَحَارِمِ ثَمَرُهَا

and refraining from what is forbidden is its fruit.

فَلَا تَكْمُلُ شَجَرَةٌ إِلَّا بِالثَّمَرِ

A tree is not complete without fruit;

كَذَلِكَ الْإِيمَانُ لَا يَكْمُلُ إِلَّا بِالْكَفِّ عَنِ الْمَحَارِمِ

likewise, faith is not complete without refraining from what is forbidden.”

توضيح معنى: (الْكَفُّ عَنِ الْمَحَارِمِ)

Clarification of the meaning of “refraining from what is forbidden”:

هو: اجتناب ما حَرَّمَ الله، وما نهى عنه، في كتابه، وعلى لسان نبيه وأهل بيته عليهم السلام.

It means avoiding what Allah has prohibited and what He has forbidden in His Book and on the tongue of His Prophet and his Household (peace be upon them).

خاتمة الجواب:

Conclusion of the answer:

تختلف المنافع والمساوئ من بلد إلى بلد، ومن مجتمع لآخر، ومن مؤمن إلى مؤمن آخر

Benefits and harms differ from one country to another, from one society to another, and from one believer to another.

ولا يتحقق النفع العام، ولا تتوفر الفائدة المطلقة من الإيمان

The general benefit and complete advantage of faith are not fully realised

لتعدد الفِرَق والمَذاهب، والاختلاف في فهم الأحكام لدى أصحاب كل مذهب

due to the multiplicity of groups and schools, and the differences in understanding rulings among the followers of each school.

ويندر أهل الإيمان الذين يعملون بالأوامر والمَناهي كما أراد الله ونبيه وأهل بيت نبيه عليهم السلام

Those who truly believe and act upon the commands and prohibitions as intended by Allah, His Prophet, and the Household of His Prophet (peace be upon them) are rare.

وتظهر الفائدة على نحو بسيط بواسطة بعض أهل الإيمان هنا وهناك

Some limited benefit does appear through certain people of faith here and there.

ذلك كله بسبب انتشار الضلال والظُّلم، وتسلب الطغاة

All of this is due to the spread of misguidance and oppression, the dominance of tyrants,

وصناعة رجال دين يعملون على توجيه أتباعهم كما يشتهي الصانع لهم
من البشر أمثالهم

and the creation of religious figures who guide their followers according to the desires of those who promote them from among their fellow human beings.

أي: مُرتزقة باسم الدين في جميع الفرق والمذاهب الإسلامية لتشويه
الإسلام

That is, individuals who seek worldly gain in the name of religion across all Islamic groups and schools, thereby distorting Islam,

مع وجود عدد ليس بالقليل من المُنافقين الذين يقولون ما لا يفعلون،
ويتخذون من الدين غنيمة لمصالحهم.

alongside the presence of many hypocrites who say what they do not do and who treat religion as a means of personal gain.

الخلاصة:

Conclusion:

الإيمان ينفع جميع المُجتمعات إذا توفرت فيه حكومة مثل حكومة علي بن أبي طالب عليه السلام

Faith benefits all societies when there exists a government like the government of Ali bin Abi Talib (peace be upon him).

ولا يمنع من وجود فوائد يكون سببها أهل الإيمان في كل مُجتمع على قدر سعيهم

This does not prevent some benefits from arising through people of faith in every society, according to the extent of their efforts.

كذلك ينتشر الضرر باسم الإيمان على ذات الفرد وفي كل مجتمع ينشط فيه التُّجّار باسم الدين

Likewise, harm spreads in the name of faith within the individual and within every society in which those who trade in religion are active,

وَيَحْرِفُونَ النَّاسَ إِلَى آرَائِهِمْ وَأَهْوَائِهِمْ بَعِيدًا عَنْ أَوَامِرِ اللَّهِ عَزَّ وَجَلَّ
وَنَوَاهِيهِ.

diverting people towards their own opinions and desires and away from the commands of Allah, the Almighty, and His prohibitions.

مَا هُوَ دَوْرُ الْإِيمَانِ فِي الْعَصْرِ الْحَدِيثِ؟

Question 15

What is the role of faith in the modern age?

الجواب:

Answer:

إن الصانع الحكيم صنع الوجود لغاية

The Wise Maker created existence for a purpose,

ووضع الأسُس والقوانين ليستمر الوجود وتستمر الحياة

and established foundations and laws so that existence may continue and life may endure.

ومن ضمن هيكل الحكمة كان الإيمان رأس الأعمال.

Within this structure of wisdom, faith stands at the forefront of all actions.

تتعاقب الأزمنة والدهور، وتتغير المدارك، إذ تميل بأطوار أهل هذا الزمان إلى التعمق

Ages and eras succeed one another, and human understanding changes, as the people of this age tend towards deeper inquiry.

وهذا الأمر له وجهان.

This matter has two aspects:

أما الأول:

The first:

فينهض بالفرد نحو حُجُب النور، لأنه بلغ الحقيقة بالبحث والتثبت.

It elevates a person towards the veils of light, because they arrive at the truth through investigation and verification.

وأما الثاني:

The second:

فيهوي بالفرد نحو الأعماق المظلمة بعد أن يتجرد من عوالم التقاليد التي
ألزمته الميل على أهواء أسرته وبيئته ومحيطه

It causes a person to fall into dark depths after freeing
themselves from the restraints of inherited traditions
that once inclined them towards the desires of their
family, environment, and surroundings.

ولمّا يتحرر يبدأ من جديد رحلة جاهل إلى جهل كبير، لأنه أثر هواه على
الحق.

When they begin again, they embark on a journey from
ignorance to greater ignorance, because they have
preferred their own desires over the truth.

إنه لا يخفى على لبيب دور الإيمان في العصر الحديث مع انتشار الأوبئة
والحروب والصراعات والطبقية الاجتماعية والفقر

It is not hidden from a person of understanding what
role faith plays in the modern age, especially with the

spread of pandemics, wars, conflicts, social inequality,
and poverty.

إِذْ ظَهَرَ الْإِيمَانُ كَالشَّمْسِ فِي قُلُوبِ أَهْلِ الْإِيمَانِ وَسُطِ أَعَاصِيرُ الْبَلَاءِ

Thus, faith has appeared like the sun in the hearts of the
believers amidst storms of trial.

فَكَانَ لِمَنْ يَعْتَقِدُ بِهِ:

For those who hold to it, it has become:

ظِلَالاً فِيهَا الْأَمَانُ

a shade within which there is safety,

وَمَزْرَعَةً لِلْأَمَلِ

a field in which hope is cultivated,

ودار استراحة للمُحارب في هذه الدنيا من أجل بقاء يحتفي بالإنسانية،
ويتساوى فيه الجميع.

and a place of rest for the struggler in this world, in
preparation for an everlasting existence in which
humanity is honoured and all are equal.

من فوائده:

Among its benefits:

أصبح الجميع في مختبر مع أنفسهم، ومع أحب الناس إليهم، ومع مجتمعهم

People find themselves in a constant test, within
themselves, with those closest to them, and within their
societies.

وتسابق أهل الإيمان في إثبات وجودهم من حيث إن الإيمان قول وعمل

Those of faith have competed to affirm their presence,
as faith is both belief and action.

فكان لهم دور يتميز فيه كل واحد منهم عن سائر الذين لا إيمان لهم.

Each of them has taken on a role that distinguishes them from those who have no faith.

أما مَنْ ضل فكره وخاب سعيه فهو خاسر أمام الجميع.

As for the one whose thinking has gone astray and whose efforts have failed, they stand as a loser before all.

إن أعظم نعمة يستطيع أهل الإيمان أن يعملوا عليها هي:

The greatest blessings available to people of faith today are:

انتشار العلم

the spread of knowledge,

وجود شبكات التواصل

the existence of communication networks,

وتعدد الوسائل في الهجرة

the many means of migration,

وتنوع الطرق في الدراسة والعمل

the diversity of opportunities for study and work,

وإن العلم جميعه مُباح ومُتاح

and all knowledge is open and accessible.

ولا عُذر لِمَن يُسرف وقته فيما لا خير فيه.

There is no excuse for one who wastes their time on that which contains no good.

يُنتفع المؤمن العاقل والقوي من جميع الوسائل التي يُمكن أن تكون سببا لجعله عاملا

The rational and capable believer benefits from every means that may help them become active and productive,

من باب المَحبة التي ينبغي أن يفيض بها من جوهره إلى كل نظرائه من الخلق

out of a love that ought to flow from their very essence to all others among creation.

ويحتاج إلى نظام يبدأ منه الخطوة الأولى

A person requires a system from which to take their first step,

ثم يُحدد ضمن نظام عمله حدودا يتحرك خلالها

then to define, within that system, the boundaries within which they move,

وهدفا يشرع لأجله

and a purpose for which they set out.

وفي كل استراحة يتأمل بالمُقومات التي من شأنها أن تجعله يتقدم وينجح ويكون مثالا.

At every pause, they reflect upon the elements that enable them to progress, succeed, and become an example.

يختلف في التكليف والعمل لدى الجميع الأسباب والبيئة والسَّعة والصحة والقدرة والمُحيط والعامل المُساعدة

People differ in their responsibilities and actions due to differences in circumstances, environment, capacity, health, ability, surroundings, and supporting factors,

مع الإرادة والحزم والإدراك والعزم والنُّضج

alongside willpower, decisiveness, awareness, resolve, and maturity.

وفي كل مجتمع أدواته

Every society has its own tools,

وفي كل بيئة عواملها

and every environment its own factors.

وإن أيسر العمل أن يعمل المؤمن على حياة قلبه

The simplest form of action is for the believer to nurture
the life of their heart,

ليكون وجوده أينما كان كالْمَاءِ.

so that their presence, wherever they may be, is like
water.

الخلاصة:

Conclusion:

إن الإيمان له دور في كل زمان ومكان

Faith has a role in every time and place,

ويتوقف أثر هذا الدور على أهل ذلك الزمان والمكان

and the effect of this role depends on the people of that time and place,

وعلى أهل الإيمان

and upon the people of faith themselves.

وليس من عذر لأحد أن يتقاعس فيما وُجِدَ لأجله

There is no excuse for anyone to fall short in that for which they were created,

وأن يسعى لحياة الناس جميعا

rather, they should strive for the well-being of all people,

ويكون لهم مصباحا يُنير ظلام أنفسهم، بالكلمة الطيبة، والابتسامة الصادقة.

and be a lamp that illuminates the darkness within others through kind words and a sincere smile.

يستطيع أهل الإيمان إنشاء أفضل المؤسسات التي تُخصّص للتعليم ونشر العلم وحل مُشكلات المسائل

People of faith are able to establish the finest institutions dedicated to education, the spread of knowledge, and the resolution of problems,

على نظام التوجيه القرآني في مُشاورة العقول

based upon the Qur'anic principle of consultation of minds,

لتألق التميز بالعمل الجماعي

so that excellence may shine through collective effort.

لذلك فإن دور الإيمان كبير دائما على الفرد والمُجتمع

For this reason, the role of faith is always significant for both the individual and society,

ويتوقف على أهله في كل مكان

and its impact depends upon its people in every place,

خصوصا في زمن تعددت مفاهيم الإيمان واختلفت وصار وجهها القتل

especially in a time when concepts of faith have multiplied, diverged, and in some cases have become associated with violence.

وعلى الجميع أن يعمل ليعلم العالم الحق.

It is therefore incumbent upon everyone to strive to make the truth known to the world.

مَا هُوَ تَأْثِيرُ الْبِيئَةِ الْمُحِيطَةِ عَلَى الْإِيمَانِ؟

Question 16
**What is the effect of the surrounding
environment on faith?**

الجواب:

Answer:

كل ما يحيط بالإنسان يكون له أثر على روحه وعقله ونفسه

Everything that surrounds a person has an effect upon their soul, intellect, and self.

وتختلف مقادير التأثير حسب الأعمار والأوقات من الليل والنهار

The degree of this influence varies according to age, the times of day and night,

وحسب أيام الشهور وفصول السنة ومكان الإقليم

the days of the months, the seasons of the year, and the region in which one lives,

بالإضافة إلى التربة والماء والهواء والتقاليد والعادات والتحصيل العلمي والأقران والبيت والعائلة والمجتمع.

in addition to soil, water, air, traditions, customs, level of education, companions, the home, the family, and society.

إن اللبيب يغتنم حياته وشبابه وعمره ووقته وكل أسباب الحياة لتحصيل ما ينفع من العلم والمعرفة

A person of understanding makes the most of their life, youth, years, time, and all the means available to them in order to acquire beneficial knowledge and understanding,

وما يكون به الحياة والنجاة له ولأقرانه من الخلق

and that which leads to life and salvation for themselves and for others among creation.

كما عليه أن يُبرهن بالدلالة على ما يعتقد به، ويتثبت منه، ليكون عارفاً
بمن يعبد

They must also establish evidence for what they believe, and verify it, so that they may truly know whom they worship.

وليس للفكر الموروث والعقائد التي تنتقل من الآباء للأبناء أثراً على الفرد
إذا أراد أن يكون في محل سؤال وجواب

Inherited ideas and beliefs that are passed down from parents to children have no lasting effect upon an individual if they choose to place themselves in a position of questioning and seeking answers,

وسوف يُدرك الفراغ الكبير في فهمه

and they will come to realise the great gap in their own understanding.

لذا يتطلب الإيمان ممن يطلبه أن يبحث عن حقيقته وأسبابه وأُسسه وأركانه ودلائله ووجوهه وعوامله

For this reason, faith requires the one who seeks it to investigate its reality, causes, foundations, pillars, proofs, aspects, and factors.

ويستطيع أن ينتفع من أجوبة الأسئلة السابقة

They may benefit from the answers to the previous questions,

ويعمل على أن يكون خزانة لكل آية وحديث تنفعه في تثبيت الإيمان، ومعرفة مقوماته.

and should strive to become a repository of every verse and narration that helps strengthen faith and deepen their understanding of its foundations.

تنبيه هام:

Important note:

إن تأثير ما تقدم ذكره يكون على إيمان الإنسان

The influence of what has been mentioned affects a person's faith,

ومقدار فهمه للإيمان، وتعلقه به، والعمل بما ينبغي عليه، وتعريف الناس به.

their level of understanding of faith, their attachment to it, their acting upon its requirements, and their ability to introduce it to others.

لا يكون التأثير مُطلقا على أصل موضوع الإيمان

This influence does not extend to the very essence of faith itself,

لأن الإيمان واحد وثابت ومحفوظ ويتعلق بمعرفة الصانع العظيم، والعمل بما يُحب من حيث يُريد هو.

because faith is one, constant, and preserved. It is connected to knowing the Great Maker and acting upon what He loves in the manner that He Himself wills.

الخلاصة:

Conclusion:

إن للبيئة أثر كبير على إيمان الإنسان، وعمله

The environment has a significant effect upon a person's faith and actions.

ومهما كان الأمر يسيرا أو عسيرا فعلى كل مؤمن أن يعلم

No matter whether circumstances are easy or difficult,
every believer should know

بأن ميزان الإيمان، ودليل النجاة، ومفتاح الجنة، حُب أمير المؤمنين علي
بن أبي طالب عليه السلام

that the measure of faith, the proof of salvation, and the
key to Paradise is love for the Commander of the
Faithful, Ali bin Abi Talib (peace be upon him),

لِقَوْلِ رَسُولِ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَآلِهِ وَسَلَّمَ:

based on the saying of the Messenger of Allah (peace be
upon him and his family):

(عُنْوَانُ صَحِيفَةِ الْمُؤْمِنِ حُبُّ عَلِيٍّ بْنِ أَبِي طَالِبٍ عَلَيْهِ السَّلَامُ)

كَيْفَ نَطَبِقُ التَّعَالِيمَ الدِّينِيَّةَ الَّتِي جَاءَتْ لِأَفْوَامٍ وَعُصُورٍ مَاضِيَةٍ
عَلَى الْبَشَرِ فِي هَذَا الزَّمَانِ الْحَدِيثِ؟

Question 17

How do we apply the religious teachings that came to past peoples and earlier eras to people in this modern age?

الجواب:

Answer:

الله الذي خلق كل شيء وأتقن صُنْعَهُ، حكيم، وعالم، ومُحيط

Allah, who created all things and perfected their design, is Wise, All-Knowing, and All-Encompassing.

وَأَسَّسَ لهذا الوجود والخلق قوانين تتناسب مع كل زمان ومكان

He established for this existence and creation laws that are suitable for every time and place.

مثالها: خلقه لأعضاء الإنسان على نحو تتناسب مع الأفعال التي عليها القيام بها

An example of this is His creation of the human body in a manner suited to the functions it is required to perform.

فلم نجد بأن عين الإنسان في الزمان الأول تختلف عن عين الإنسان في زماننا، ولا محل وجود أنفه، ولا أسلوب حركته

We do not find that the human eye in the earliest times differs from the human eye in our own time, nor has the position of the nose changed, nor the manner in which it functions.

ويقع الاختلاف في محيط الانسان لأسباب تتعلق بتوسع إدراكه ونضوج وعيه وإيجاد طرق مُبتكرة يستغني بواسطتها عن العادات القديمة.

Rather, the differences occur in the human environment due to the expansion of knowledge, the maturation of awareness, and the development of innovative methods through which people become less dependent upon old customs and habits.

الإيمان عين غاية الوجود، كعين الإنسان

Faith is the very purpose of existence, just as the eye is essential to the human being.

لم يتغير مفهومه مُنذ بدء الخلق، ولا يتغير مع الدهور، ولن يتغير إلى آخر يوم في الحياة

Its reality has not changed since the beginning of creation, it does not change with the passing of ages, and it will not change until the last day of life.

لأن أساسه الإقرار بوجود صانع للوجود

This is because its foundation is the acknowledgement that there is a Maker of existence.

وغايته التصديق برسله وكتبه وملائكته

Its objective is to affirm His messengers, His books, and His angels.

ووسيلته اتباع وحب وطاعة وولاء خاتم الأنبياء محمد صلى الله عليه وآله وسلم مع أهل بيته عليهم السلام

Its means is to follow, love, obey, and remain loyal to the Seal of the Prophets, Muhammad (peace be upon him and his family), together with his Household (peace be upon them).

وشهود على إقراره وتصديقه والإخلاص للوسيلة من خلال العمل بما أمروا به، والأخذ عنهم، والتسليم لهم.

It also requires bearing witness to this acknowledgement and affirmation, and showing sincerity to this path by acting upon what they commanded, learning from them, and submitting to them.

يستمر هذا الإيمان على اختلاف أنواع الأفهام، وتنوع المدارك، وتباين العقول، ضمن نظام يجري إلى آخر يوم في وجود عالمنا

This faith continues despite differences in levels of understanding, diversity of perception, and variation in human intellects, within a system that will endure until the final day of our world.

Among the examples that demonstrate the completeness and universality of these teachings:

قال العلامة الكليني:

Al-Allamah al-Kulayni said:

سُئِلَ عَلِيُّ بْنُ الْحُسَيْنِ عَلَيْهِ السَّلَامُ عَنِ التَّوْحِيدِ، فَقَالَ:

Ali bin al-Husayn (peace be upon him) was asked about oneness (Tawhid), and he said:

(إِنَّ اللَّهَ عَزَّ وَجَلَّ عَلِمَ أَنَّهُ يَكُونُ فِي آخِرِ الزَّمَانِ أَقْوَامٌ مُنَعِمُونَ

“Indeed, Allah, the Almighty, knew that in the latter times there would be people who would delve deeply,

فَأَنْزَلَ اللَّهُ تَعَالَى:

therefore Allah, the Exalted, revealed:

قُلْ هُوَ اللَّهُ أَحَدٌ

'Say: He is Allah, the One,'

وَالْآيَاتِ مِنْ سُورَةِ الْحَدِيدِ إِلَى قَوْلِهِ وَهُوَ عَلِيمٌ بِذَاتِ الصُّدُورِ

and the verses from Surah al-Hadid up to His saying:
'and He is All-Knowing of what is within the chests.'

فَمَنْ رَامَ وَرَاءَ ذَلِكَ فَقَدْ هَلَكَ

So whoever seeks beyond that has perished."

Question 18
What is the role of faith in resolving the problems and crises of society?

الجواب:

Answer:

إن أثر الإيمان خاص وعام

The effect of faith is both personal and public.

الخاص ما يكون أثره محدودا على صاحب الإيمان وتقويم سلوكه، ويُعِينُهُ فِي أَزْمَاتِهِ وَمُشْكَلَاتِهِ، وَأَحْيَانًا يَتَمَدَّدُ هَذَا الْأَثَرُ إِلَى الْعَائِلَةِ، وَيُمْكِنُ أَنْ يَكُونَ لِلْأَثَرِ الْخَاصِّ ظُهُورٌ كَذَلِكَ ضَمَّنَ حُدُودِ الْأَصْدِقَاءِ

The personal effect is limited to the believer themselves, refining their conduct and helping them through their crises and difficulties. At times, this influence extends to the family, and it may also reach the circle of friends.

لكن الأثر العام يندر وجوده، إلا إذا كان لصاحب الإيمان مركزا تنفيذيا يستطيع خلاله صناعة القرار

As for the public effect, it is rarely seen unless the believer occupies a position of authority through which they are able to influence decision-making.

وحتى في حال تحقق ذلك فمُحال تحقيق الغاية في حل الأزمات العامة ومشاكل المُجتمع على نطاق واسع

Even when this is achieved, it is difficult to fully realise the goal of resolving society's crises and problems on a broad scale.

بسبب هيكل النظام في كل البلاد، ويختلف في كل بلد عن الآخر

This is due to the structure of systems in all countries, which differ from one country to another.

كذلك يختلف نظام البلاد في الشرق عن نظام البلاد في الغرب.

Likewise, the systems of countries in the East differ from those in the West.

تعددت وتكاثرت الأخطاء في إنشاء هيكل النظام لدى كل جزء تم تشكيله

Many errors have accumulated in the formation of governing systems within the various regions that later became nation-states,

بعدما كانت الأرض مُباحة للجميع

after the earth had once been open to all.

يتكون أساس كل نظام على قيود، لا يتم تطبيقها غالبا على الجميع.

The foundation of every system is built upon restrictions that are often not applied equally to everyone.

The conflict will continue until the establishment of the state of Divine Justice which Allah, the Almighty, has promised to all His servants.

and in ensuring that the heart becomes diseased, struggling merely for survival.

يبقى لكل عمل أثرا يستطيع أصحاب الإيمان القيام ببعض الأعمال، التي تعمل على تقليل أزمات ومشاكل المجتمع

Yet every action leaves an effect. People of faith can undertake actions that help reduce the crises and problems of society.

They can also strive, within their ability, to oppose certain actions and prevent them from taking place,

الدور الأكبر يتوقف اليوم على الإرادة والعزم لدى الصفوة من أصحاب الإيمان في تحديد منهج العمل الذي فيه حياة القلوب

Question 19

Why do some believe while others do not?

الجواب:

Answer:

اختيارات الإنسان تعتمد على إدراكه، ونضوج وعيه، وما يعقله بقلبه

A person's choices depend upon their perception, the maturity of their awareness, and what they comprehend with their heart.

ويتأثر سلوكه وقراره بكل العوامل المحيطة به

Their behaviour and decisions are influenced by all the factors that surround them,

مثل: الماء والتربة والهواء، والبيت، والعادات، والمجتمع، والإعلام

such as water, soil, air, the home, customs, society, and the media,

وما يقرأ، ومَن يسمع، وأين يلتقي، وأين يدرس، وأين سافر

as well as what they read, whom they listen to, where they meet, where they study, and where they travel.

كذلك يدخل في التأثير المباشر عليه الفقر والغنى، والحرب والسِّلم،
والعافية والمَرَض، والعُمُر المُقْبِل والكُهولة

Among the direct influences upon a person are poverty and wealth, war and peace, health and illness, youth and old age,

وآلية بناء دلالاته وفهمه، والقُدوة الذي يسلك أثره.

as well as the way their meanings and understanding are formed and the role model whose path they follow.

زمان قد سبق، كان فيه تحصيل العلم عسيراً، وموارده محدودة، وأسبابه
صعبة المَنال

There was a time in the past when the pursuit of knowledge was difficult, its resources were limited, and its means were hard to obtain.

يختلف بالجزء والكل عن زمان نحن فيه

This differs, in part and in whole, from the time we are in today,

من اليسر طلب العلم، وموارده كثيرة، وأسبابه تملأ الدنيا

where seeking knowledge is easy, its resources are abundant, and its means are spread throughout the world.

وعلى كل فرد أن يسعى في إيجاد ذاته أولاً

Every individual must first strive to discover themselves,

ثم يسعى لمعرفة سر وجوده، من صانع، وسبب، وغاية

then strive to understand the secret of their existence: their Maker, their cause, and their purpose,

حتى يستطيع معرفة ما له وما عليه، وما ينبغي عليه القيام به.

so that they may come to know what is due to them,
what is required of them, and what they ought to do.

رغم كل ما تقدم إلا إنه مع تباين الأفهام والعقول والمدارك

Despite all of this, differences in understanding, intellect,
and perception remain.

يعمل ضيق الأفق في فهم وجوه المعاني من الكلام، على تضيق سُبُل
الوصول إلى الحقيقة ومعرفة الحق

A narrow outlook in comprehending the various
meanings of speech restricts the paths that lead to truth
and the recognition of what is right,

المعاني

unless the intellect is active and effective, acquiring
through evidence the foundations upon which

and extending the reach of its thoughts into wider
horizons, so that it may gather the light of knowledge
from among contradictions.

استنادا على آثار القدوة، ذلك الذي تصدح ثناياه حروفا من نور

This is achieved by following the traces of the true role
model, whose inner being resounds with letters of light,

ينقلها من العلي الأعلى إلى خزانة قلبه

which he carries from the Most High into the treasury of
his heart,

ليكون أمينا عليها، عاملا بها، فائزا بجوائزها.

so that he may safeguard them, act upon them, and attain the rewards that come from them.

إنه من الصعب جدا تحديد الجهة التي تُريد السفر إليها، لأنه عليك جمع الأسباب المختلفة المتعلقة في هذا السفر

It is very difficult to determine the direction to which one wishes to travel, for this requires gathering together the various means related to that journey.

والأصعب من ذلك تغيير تلك الجهة بعد إقرارها وتنبيتها

Even more difficult than that is to change that direction after it has been decided and firmly established.

والقصد، هو: المِثال لِمَن يريد السفر من الظلام إلى جهة النور، ومن عدم الإيمان إلى جمال الإيمان

The intent here is an example of one who wishes to journey from darkness to the direction of light, and from lack of faith to the beauty of faith.

ولا يستطيع تحقيق هذا السفر إلا إذا أشرق في الحقيقة نور الإيمان في قلبه بعد البحث وتحصيل الدليل والعزم على اتباع الحق، وقول الصدق.

This journey cannot be realised unless the light of faith truly shines within the heart, after seeking, acquiring evidence, and resolving to follow the truth and speak honestly.

أما القصد بالأصعب في المثال، هو: حينما يكون الفرد يعتقد بأن لديه الإيمان، ثم يُبصر ذاته إنه يسير بالاتجاه الخاطئ

As for what is meant by the greater difficulty in the example, it is when a person believes that they possess faith, then comes to realise that they are moving in the wrong direction.

والسبب إن الاختيار في البداية لم يكن بواسطة البحث والاستدلال، ولكنه اتبع مَنْ وَثِقَ بِسَمْتِهِ وقوله

The reason is that their initial choice was not based on investigation and evidence; rather, they followed someone whose appearance and speech they trusted.

فخان ذاته وخانه، بسبب الجهل المُطبق على عقله

Thus, they betrayed themselves, and were betrayed, due to ignorance that had overcome their mind,

أو ورث عادات وعقائد غير صحيحة

or because they inherited customs and beliefs that were incorrect.

فيكون من الصعب جدا تغيير جهته، وعقيدته

In such a case, it becomes extremely difficult to change one's direction and beliefs,

وعليه أن يُراجع كل صغيرة وكبيرة

and they must review everything, small and great,

ثم يبدأ من جديد.

then begin again.

لا يوجد تعدد في الإيمان الصحيح

There is no plurality in true faith,

كما لا يوجد وجوه للإيمان الصحيح

nor are there different forms of true faith.

وإنه واحد، وطريقه واحد

Rather, it is one, and its path is one.

وتم التفصيل ضمن الأجوبة المُتقدمة حوله، بما يكفي لكل إنسان أن يبدأ رحلة التفكير، ثم البحث، ليقرر بعد ذلك، ويمتحن إيمانه، ويبدأ الحياة.

This has been sufficiently explained in the previous answers, enough for any person to begin the journey of reflection, then investigation, and thereafter to decide, test their faith, and begin life,

بعدما يسير نحو النور الجامع للأنوار، وهو:

after setting out towards the Light from which all other lights derive,

النبي محمد وأهل بيته عليهم السلام

the Prophet Muhammad and his Household (peace be upon them),

مُلازماً معهم كتاب الله، كما عرضوه، وفسروه، مع التأويل.

remaining steadfast with the Book of Allah as they presented it, explained it, and interpreted it.

الخلاصة:

Conclusion:

على كل إنسان السعي لتحقيق العلم والمعرفة، والبحث والتفكير وطلب
الدليل

Every person must strive to attain knowledge and understanding, to investigate, reflect, and seek evidence,

ثم يبني اعتقاده على ضوء النتائج

then build their belief upon the basis of those results.

وبسبب اختلاف العقول ومداركها، يختلف الناس في فهمهم، وقولهم

Due to the differences in intellects and levels of understanding, people differ in their comprehension and in what they say,

وهذا يكون السبب المباشر لإيمان الفرد، أو عدم إيمانه.

and this becomes the direct cause of a person's belief or their lack of belief.

مَا هُوَ دَوْرُ الْمُؤْمِنِ فِي الْمُجْتَمَعِ؟

Question 20
What is the role of the believer in society?

الجواب:

Answer:

حق النفس هو الأول

The right of the self comes first.

ويتوقف دور المؤمن في البداية على إيجاد السبل القويمة في صناعة الحياة
الكريمة

The role of the believer begins with finding sound ways
to build a dignified life,

مع شرط الحفاظ على النفس، ورعاية حقوقها، ومراقبة حق كل عضو في
بدنه يحيا معه

while preserving the self, safeguarding its rights, and
being mindful of the rights of every part of the body
entrusted to them.

لأنه مسؤول عنه، مُؤتمن عليه، ويكون عليه شاهدا يوم الجمع الأعظم، في
يوم طويل من الزمان.

For a person is responsible for it and entrusted with its
care, and it will bear witness concerning them on the
Day of the Great Gathering, a day of immense length.

يكون المؤمن خلال بناء خارطة وجوده فاعلا مع أهله وبيته ومُجتمعهم بما
يفيض منه الحب لهم

As the believer builds the course of their life, they
should play an active role among their family,
household, and society, through the love that overflows
from them towards others.

ويتعامل معهم كما يُحب أن يُعاملوه

They should treat people as they themselves would wish
to be treated.

ثم تبدأ الخطوات منه لأجل حياة العقول، بكل وسيلة متاحة

Thereafter, they should take steps to bring life to minds
by every available means,

ويستطيع من خلالها السعي وإيصال كلمة فيها حياة

striving to convey words that give life,

من خلال خطابة أو كتابة، أو برامج، أو إعلام، أو أفلام

whether through public speaking, writing, programmes,
media, films,

أو بناء مؤسسة، أو مدرسة، أو جمعية، أو حزب، أو مُنظمة، أو مركز
ديني، أو اجتماعي

or by establishing an institution, school, association,
party, organisation, or religious or social centre.

وكل ما يُمكن أن يكون واسطة لغرس الإيمان بواسطته إلى غيره.

Indeed, anything that can serve as a means of planting
faith in others should be utilised.

علما إن المؤمن القوي خير من الضعيف

It should be known that a strong believer is better than a weak believer,

وإن يد الله عز وجل مع الجماعة

and that the hand of Allah, the Almighty, is with the community.

ولكل عمل دعائم وعوامل ومقومات

Every action has its supports, requirements, and foundations,

وتتباين في أسمائها وأحوالها على حسب الزمان والمكان

and these differ in their forms and circumstances according to time and place.

ومن ضمن تلك الأعمال تحفيز أهل الإيمان للعمل من أجل حياة الأقران

Among these efforts is encouraging people of faith to work for the well-being of others,

وَأَلَّا يَكُونَ عَمَلُهُمْ طَلَبًا لِلشَّهْرَةِ لِكِي يَرَاهُم النَّاسُ

and ensuring that their work is not driven by a desire for fame or recognition.

ولكنه عمل من القلب إلى كل ذي روح لِيُبْصِرَ النور

Rather, it should be a sincere effort flowing from the heart to every living soul, so that they may see the light,

ويُغْرَسَ فِي قَلْبِهِ الْإِيمَانُ، وَيَبْلُغَ إدْرَاكَ حُلَاوَةِ الْإِيمَانِ كَمَا أدْرَكَهَا فِي ذَاتِهِ

faith may be planted within their hearts, and they may experience the sweetness of faith just as the believer has experienced it within themselves.

ليكون بذلك مؤمنا صادقا، ومثالا ناجحا.

In this way, they become a truthful believer and a worthy example.

الخلاصة:

Conclusion:

على المؤمن أن يحيا بنور الإيمان

The believer must live by the light of faith,

ثم يسعى ليحيا نظراءه على مثاله

then strive to help others live according to that same light.

وكل ذلك بواسطة الدليل، ومحاوراة العقول بما تأنس، وتفهم.

All of this is achieved through evidence, reasoned dialogue, and engaging minds in ways they can appreciate and understand.

إن التكليف اللازم على كل فرد مؤمن أن يطلب العلم، ويعمل به، ثم ينشر العلم لمن يعقله.

The duty incumbent upon every believer is to seek knowledge, act upon it, and then convey that knowledge to those capable of understanding it.

Question 21

**If faith is beneficial, why do we see the
phenomenon of suicide among believers in the
East, just as we see it in the West?**

الجواب:

Answer:

إن فعل الانتحار يدل على عدم الإيمان أساساً

The act of suicide fundamentally indicates an absence of
true faith,

لأن من شرائط الإيمان تطبيق أوامر الله عز وجل

because one of the conditions of faith is acting upon the commands of Allah, the Almighty.

ومن أهم أوامره، عدم قتل النفس، وعدم رمي النفس إلى التهلكة

Among His most important commands are not to take one's own life, not to cast oneself into destruction,

وكذلك عدم أذى النفس وظلمها.

and not to harm or wrong oneself.

قال الله عز وجل:

Allah, the Almighty, said:

(وَلَا تُلْقُوا بِأَيْدِيكُمْ إِلَى التَّهْلُكَةِ)

سورة البقرة: 195.

“And do not throw yourselves into destruction.”

(Surah al-Baqarah: 195)

الخلاصة:

Conclusion:

إن الإيمان له قواعد، منها:

Faith has essential principles, including:

الاعتقاد بالقضاء والقدر

belief in divine decree and destiny,

والتسليم لأمر الله

submission to the command of Allah,

والتوكل عليه

reliance upon Him,

وعدم الاعتراض على حكمه

not objecting to His judgement,

والإيمان بالغيب، والحشر، والحساب على جميع الأعمال

and belief in the unseen, the Resurrection, and
accountability for all deeds.

ومهما يمر الإنسان في حالة تضرر وتمرد نفسي فعليه أن يكون مُتَزَنًا قدر

ويصدر من فئات عمرية متنوعة

and occurs among different age groups.

وعلاجه: الإيمان، والتسليم، والتوكل، والصبر، والدعاء والصلاة، وقراءة القرآن

Its treatment is: faith, submission, reliance, patience, supplication, prayer, and the recitation of the Qur'an,

والعمل بما أمر الله الودود، وأمر نبيه وأهل بيته عليهم السلام.

as well as acting upon what Allah, the Most Loving, has commanded and what His Prophet and his Household (peace be upon them) have instructed.

The best advice for a non-believer is to begin thinking,

لأنه بعد ذلك سوف يبدأ البحث

because after that, they will begin to search,

وسوف يصطدم بنفسه، وبأفكاره، واعتقاداته

and they will confront themselves, their ideas, and their beliefs,

ويولد من جديد، لبدء رحلة البحث عن سبب وجوده، ومن صنعه، وما يُريد منه.

and they will be reborn, beginning the journey of searching for the reason for their existence, who created them, and what is required of them.

إن القلوب عليها أقفال، ومفاتيحها السؤال

Hearts have locks, and questions are their keys.

وبعضها عليها أغطية، لا يقبل أصحابها أن تُفتح.

Some are covered over, and their owners refuse to let them be opened.

أما ما يتعلق بالمؤمن الناصح فعليه أن يسعى بالنصح على قدر سعته وقدرته إن توفرت الأسباب والشروط

As for the advising believer, they must offer advice according to their capacity and ability, when the conditions and circumstances are present.

ولا إكراه في الإيمان

There is no compulsion in faith,

لأن الله عز وجل يقول:

for Allah, the Almighty, says:

(لَا إِكْرَاهَ فِي الدِّينِ)

سورة البقرة: 256.

“There is no compulsion in religion.”

(Surah al-Baqarah: 256)

أما المُلحد المُعاند فعلى المؤمن إلقاء الحُجَّة، وتبيان الدلائل، وبسط
المعاني، وكشف الوجوه من الكلام المُبهم

As for the stubborn atheist, the believer must present
the evidence, clarify the proofs, explain the meanings,
and uncover what is ambiguous in speech,

ثم يبقى له القرار

then the decision remains with them.

فلعل يوماً تُشرق في عقله كلمة، تكون سبباً لولادته مُؤمناً

Perhaps one day a word will illuminate their mind and
become the cause of their rebirth as a believer.

ويكفي من القول للمُعاند، ما ورد مضمونه في احتجاجات أهل بيت النبوة
عليهم السلام:

It is sufficient to say to the stubborn one what is conveyed in the debates of the Household of the Prophet (peace be upon them):

إن كان ما يقوله المُلحد المُعاند هو الحق والصحيح فيكون الخلاص للاثنتين
معا

If what the stubborn atheist says is true, then salvation will belong to both of them.

أما إذا ما يقوله المؤمن هو الحق والصحيح فينجو أهل الإيمان، ويكون
الْمُلحد الْمُعاند هالكا

But if what the believer says is true, then the people of faith will be saved, and the stubborn atheist will perish.

أما المُلحد المُعتدل، فهذا اختلطت عليه المَعاني، وأصبح في التيه سالكا،
وكان القياس له عصا

As for the moderate atheist, confusion has arisen regarding many meanings, and they have become a traveller in a state of bewilderment, relying upon analogy as a guide.

وينبغي له أن يبدأ من جديد في البحث الموضوعي، ومحاورة أهل المعرفة، ومتابعة الدلائل

They should begin anew with objective inquiry, engage in dialogue with people of knowledge, follow the evidences,

وفهم المباني من النصوص، والمعاني من الحروف

understand the foundations contained within the texts and the meanings conveyed by their words,

وأن يكون له في كل جانب بحث مُنفرد

and conducting an independent examination in every area.

ثم يستعرض كل ما حوله بعين العقل

Then they should review everything around them with
the eye of reason,

لِيُشْرِقَ البصيرة في قلبه مع أنظار البصائر

so that insight may shine in their heart alongside the
insights of others,

فيعرف الحقيقة، ويتبع الحق.

enabling them to recognise the truth and follow it.

الخلاصة:

Conclusion:

إن جميع الاحتجاجات مع أهل الإلحاد تركز على مسألة العقل

All arguments with atheists ultimately rest upon the question of reason,

وآلية نظر المُلحد للأمور، ووسائله في البحث، ومصادر أفكاره، ومدرسته
الفكرية التي أسست له قواعد الإلحاد

how the atheist views matters, their methods of inquiry, the sources of their ideas, and the intellectual school upon which their atheistic beliefs have been founded.

وأبسط الردود لكل أنواع الإلحاد هو القول بالعجز عن إدراك ومعرفة
المصنوع لصانعه

The simplest response to all forms of atheism is to acknowledge the inability of the created being to fully comprehend or know its Maker.

لعلة قياس المصنوع صانعه بما رَكَّبَه فيه، وبأحواله

This is because the created attempts to measure its Maker according to its own nature and condition,

وهذا مُحال على مُحَوِّل الأحوال، وصانع الأكوان، وخالق الزمان والمكان

and this is impossible with regard to the One who changes all conditions, the Maker of the universes, and the Creator of time and space.

فلا يستطيع ذو عقل أن يُدرّكه بعقله، أو حواسه، أو أوهامه

No person of intellect can fully comprehend Him through their reason, their senses, or their imagination.

ولقد ألهَ وحارَ ذوو الألباب في معرفة السر لأثر واحد من آثاره

Those of deep understanding have become bewildered in trying to grasp even a single aspect of His effects.

ويكفي من الدلالة أن ينظر الإنسان لنفسه، منذ تكوينه حتى ولادته،
ونشأته، وحياته، وموته

It is sufficient as a sign that a person reflects upon themselves, from their formation to their birth, their development, their life, and their death.

ثم ينظر إلى ما حوله من أفلاك وبحار وأشجار وأنواع الخلق واختلافها،
ونظام كل شيء،

Then reflects upon what surrounds them of celestial bodies, seas, trees, and the various forms of creation, their diversity, and the order within everything.

وعلى أهل الإيمان والمعرفة أن يسلكوا جميع الطرق التي تؤدي إلى حياة
نظير لهم في الخلق

Those who possess faith and knowledge must pursue all paths that lead to the life of those equal to them in creation.

وكل مَنْ أراد الحقيقة أن يتبع آثار النبي وأهل بيته عليهم السلام، فإن كلامهم يُحيي القلوب.

Whoever seeks the truth must follow the traces of the Prophet and his Household (peace be upon them), for their words give life to the hearts.

قال الإمام محمد بن علي الباقر عليه السلام:

Imam Muhammad bin Ali al-Baqir (peace be upon him) said:

(إِنَّ حَدِيثَنَا يُحْيِي الْقُلُوبَ)

“Indeed, our words give life to the hearts.”

كَيْفَ الْإِسْتِدْلَالِ عَلَى وُجُودِ اللَّهِ لِتَحْقِيقِ الْإِيمَانِ؟

Question 23
**How can the existence of Allah be demonstrated
in order to attain faith?**

الجواب:

Answer:

يَتَطَلَّبُ مَقْدَمَةُ لِمَعْرِفَةِ مَصَادِرِ الْأَدْلَةِ

This requires an introduction to understanding the
sources of evidence,

وهي: إننا مُسلمون شيعة نعتقد:

namely that we, as Shia Muslims, believe:

أولاً:

Firstly:

إن القرآن الكريم، هو: كتاب جامع لكل العلوم.

That the Noble Qur'an is a comprehensive Book encompassing all knowledge,

لأن الله عز وجل يقول فيه:

because Allah, the Almighty, says:

(وَنَزَّلْنَا عَلَيْكَ الْكِتَابَ تَبْيَانًا لِّكُلِّ شَيْءٍ)

سورة النحل: 89.

“And We have sent down to you the Book as a clarification of all things.”

(Surah al-Nahl: 89)

ثانياً:

Secondly:

إن القرآن الكريم فيه تفصيل

That the Noble Qur'an contains a detailed explanation of all things.

لأن الله عز وجل يقول:

because Allah, the Almighty, says:

(مَا كَانَ حَدِيثًا يُفْتَرَىٰ وَلَٰكِن تَصْدِيقَ الَّذِي بَيْنَ يَدَيْهِ وَتَفْصِيلَ كُلِّ شَيْءٍ)

سورة يوسف: 111.

“It is not a fabricated narration, but a confirmation of what came before it, and a detailed explanation of all things.”

(Surah Yusuf: 111)

ثالثاً:

Thirdly:

إن النبي محمد وأهل بيته عليهم السلام عندهم علم القرآن الكريم، وتفسيره وتأويله.

That Prophet Muhammad and his Household (peace be upon them) possess the knowledge of the Noble Qur'an, its explanation, and its deeper interpretation.

قال الله عز وجل:

Allah, the Almighty, said:

(كَمَا أَرْسَلْنَا فِيكُمْ رَسُولًا مِّنكُمْ يَتْلُو عَلَيْكُمْ آيَاتِنَا وَيُزَكِّيكُمْ وَيُعَلِّمُكُمُ الْكِتَابَ وَالْحِكْمَةَ وَيُعَلِّمُكُم مَّا لَمْ تَكُونُوا تَعْلَمُونَ)

سورة البقرة: 151.

“Just as We have sent among you a Messenger from yourselves, reciting to you Our verses, purifying you, and

teaching you the Book and wisdom, and teaching you what you did not know.”

(Surah al-Baqarah: 151)

وقال الله عز وجل:

And Allah, the Almighty, said:

قال الإمام جعفر بن محمد الصادق عليه السلام:

Imam Ja’far bin Muhammad al-Sadiq (peace be upon him) said:

(الَّذِي عِنْدَهُ عِلْمُ الْكِتَابِ هُوَ أَمِيرُ الْمُؤْمِنِينَ عَلَيْهِ السَّلَامُ)

“The one who possesses knowledge of the Book is the Commander of the Faithful (peace be upon him).”

الأدلة على وجود الله عز وجل:

The proofs for the existence of Allah, the Almighty:

1- عرفت الله بما عَرَّفَنِي نفسه، بأنه: لا تُشبهه صورة، ولا يُقاس بالناس.

1. I came to know Allah through what He made known of Himself to me: no form resembles Him, and He cannot be compared to human beings.

الدَّلِيلُ مِنْ حَدِيثِ النَّبِيِّ وَأَهْلِ بَيْتِهِ عَلَيْهِمُ السَّلَامُ:

The evidence from the narrations of the Prophet and his Household (peace be upon them):

عَنْ عَلِيِّ بْنِ عُقْبَةَ بْنِ قَيْسٍ بْنِ سَمْعَانَ بْنِ أَبِي رَبِيعَةَ، مَوْلَى رَسُولِ اللَّهِ صَلَّى اللَّهُ عَلَيْهِ وَآلِهِ وَسَلَّمَ، قَالَ:

Ali bin 'Uqbah bin Qays bin Sim'an bin Abi Rabi'ah, the freed servant of the Messenger of Allah (peace be upon him and his family), said:

سُئِلَ أَمِيرُ الْمُؤْمِنِينَ عَلَيْهِ السَّلَامُ:

The Commander of the Faithful (peace be upon him) was asked:

(بِمَ عَرَفْتَ رَبَّكَ؟)

"How did you come to know your Lord?

فَقَالَ: بِمَا عَرَّفَنِي نَفْسُهُ.

He said: Through what He made known of Himself to me.

قِيلَ: وَكَيْفَ عَرَفَكَ نَفْسُهُ؟

It was said: And how did He make Himself known to you?

فَقَالَ: لَا تُشْبِهُهُ صُورَةٌ

He said: No form resembles Him.

وَلَا يُحَسُّ بِالْحَوَاسِّ

He is not perceived by the senses,

وَلَا يُقَاسُ بِالنَّاسِ.

and He cannot be compared to human beings.

قَرِيبٌ فِي بُعْدِهِ

He is near in His distance,

بَعِيدٌ فِي قُرْبِهِ

far in His nearness.

فَوْقَ كُلِّ شَيْءٍ

He is above all things,

وَلَا يُقَالُ شَيْءٌ فَوْقَهُ.

yet it is not said that anything is above Him.

أَمَامَ كُلِّ شَيْءٍ

He is before all things,

وَلَا يُقَالُ لَهُ أَمَامٌ.

yet it is not said that He has a before.

دَاخِلٌ فِي الْأَشْيَاءِ

He is within all things,

لَا كَشَيْءٍ فِي شَيْءٍ دَاخِلٍ.

but not in the manner that one thing exists within another.

وَحَارِجٌ مِّنَ الْأَشْيَاءِ

He is outside all things,

لَا كَثَشَيْءٍ مِّنْ شَيْءٍ خَارِجٍ.

but not in the manner that one thing is outside another.

سُبْحَانَ مَنْ هُوَ هَكَذَا وَلَا هَكَذَا غَيْرُهُ

Glory be to the One who is such, for none other is like
Him,

وَلِكُلِّ شَيْءٍ مُّبَدَأٌ

and everything has a beginning.”

الدَّلِيلُ مِنْ حَدِيثِ النَّبِيِّ وَأَهْلِ بَيْتِهِ عَلَيْهِمُ السَّلَامُ:

The evidence from the narrations of the Prophet and his Household (peace be upon them):

عَنْ سَلْمَانَ الْفَارِسِيِّ فِي حَدِيثٍ طَوِيلٍ

Salman al-Farisi narrated a lengthy narration,

يَذْكُرُ فِيهِ قُدُومَ الْجَائِلِيْقِ الْمَدِينَةَ مَعَ مَائَةِ مِنَ النَّصَارَى

in which he mentions the arrival of a Christian leader in Madinah accompanied by one hundred Christians.

وَمَا سَأَلَ عَنْهُ أَبَا بَكْرٍ فَلَمْ يُجِبْهُ

He questioned Abu Bakr, who was unable to answer him,

ثُمَّ أُرْشِدَ إِلَى أَمِيرِ الْمُؤْمِنِينَ عَلِيِّ بْنِ أَبِي طَالِبٍ عَلَيْهِ السَّلَامُ

and he was then directed to the Commander of the Faithful, Ali bin Abi Talib (peace be upon him).

فَسَأَلَهُ عَنْ مَسَائِلَ فَأَجَابَهُ عَنْهَا

He then questioned him on various matters, and he answered them.

وَكَانَ فِيمَا سَأَلَهُ أَنْ قَالَ لَهُ:

Among his questions was:

(أَخْبَرْنِي: عَرَفْتَ اللَّهَ بِمُحَمَّدٍ أَمْ عَرَفْتَ مُحَمَّدًا بِاللَّهِ عَزَّ وَجَلَّ؟)

“Tell me: did you come to know Allah through Muhammad, or did you come to know Muhammad through Allah, the Almighty?

فَقَالَ عَلِيُّ بْنُ أَبِي طَالِبٍ عَلَيْهِ السَّلَامُ:

Ali bin Abi Talib (peace be upon him) replied:

مَا عَرَفْتُ اللَّهَ بِمُحَمَّدٍ صَلَّى اللَّهُ عَلَيْهِ وَآلِهِ وَسَلَّمَ.

I did not come to know Allah through Muhammad (peace be upon him and his family).

وَلَكِنْ عَرَفْتُ مُحَمَّدًا بِاللَّهِ عَزَّ وَجَلَّ

Rather, I came to know Muhammad through Allah, the Almighty,

حِينَ خَلَقَهُ، وَأَخَذَتْ فِيهِ الْخُدُودَ، مِنْ طُولٍ وَعَرْضٍ.

when He created him and brought into existence within him the limits of length and width.

فَعَرَفْتُ أَنَّهُ مُدَبَّرٌ مَصْنُوعٌ

Thus, I came to know that he was a created and governed being,

بِاسْتِدْلَالٍ وَإِلْهَامٍ مِنْهُ وَإِرَادَةٍ.

through inference, inspiration from Allah, and His will,

كَمَا أَلْهَمَ الْمَلَائِكَةَ طَاعَتَهُ

just as He inspired the angels to obey Him,

وَعَرَفَهُمْ نَفْسَهُ بِلَا شَبِّهِ وَلَا كَيْفٍ)

and made Himself known to them without likeness and without modality."

3- عَرَفْتُ اللَّهَ بِفَسْخِ الْعَزَائِمِ وَنَقْضِ الْهَمَمِ.

3. I came to know Allah through undoing resolves and the frustration of intentions.

الدَّلِيلُ مِنْ حَدِيثِ النَّبِيِّ وَأَهْلِ بَيْتِهِ عَلَيْهِمُ السَّلَامُ:

The evidence from the narrations of the Prophet and his Household (peace be upon them):

عَنْ أَبِي جَعْفَرٍ مُحَمَّدِ بْنِ عَلِيٍّ الْبَاقِرِ، عَنْ أَبِيهِ، عَنْ جَدِّهِ عَلَيْهِمُ السَّلَامُ، أَنَّهُ قَالَ:

Abu Ja'far Muhammad bin Ali al-Baqir narrated from his father, from his grandfather (peace be upon them), who said:

إِنَّ رَجُلًا قَامَ إِلَى أَمِيرِ الْمُؤْمِنِينَ عَلَيْهِ السَّلَامُ، فَقَالَ:

A man stood before the Commander of the Faithful (peace be upon him) and said:

(يَا أَمِيرَ الْمُؤْمِنِينَ، بِمَاذَا عَرَفْتَ رَبَّكَ؟

"O Commander of the Faithful, by what did you come to know your Lord?

قَالَ: بِفَسْخِ الْعَزْمِ وَنَقْضِ الْهَمِّ

He said: Through the undoing of resolves and the frustration of intentions.

لَمَّا هَمَمْتُ فَجِيلَ بَيْنِي وَبَيْنَ هَمِّي

When I intended something, a barrier was placed
between me and my intention;

وَعَزَمْتُ فَخَالَفَ الْقَضَاءُ عَزْمِي

and when I firmly resolved upon something, destiny
opposed my resolve.

عَلِمْتُ أَنَّ الْمُدَبِّرَ غَيْرِي.

Thus, I came to know that the One who governs affairs is
other than myself.

قَالَ: فِيمَاذَا شَكَرْتَ نِعْمَاءَهُ؟

He was asked: Then by what did you give thanks for His
blessings?

قَالَ: نَظَرْتُ إِلَى بَلَاءٍ قَدْ صَرَفَهُ عَنِّي وَأَبْلَى بِهِ غَيْرِي

He said: I looked at trials that had been diverted away from me while others were afflicted by them.

فَعَلِمْتُ أَنَّهُ قَدْ أَنْعَمَ عَلَيَّ فَشَكَرْتُهُ.

Thus, I knew that He had bestowed His favour upon me, and so I thanked Him.

قَالَ: فَلِمَ أَتَيْتَ لِقَاءَهُ؟

He was asked: Why did you come to love meeting Him?

قَالَ: لَمَّا رَأَيْتُهُ قَدْ اخْتَارَ لِي دِينَ مَلَائِكَتِهِ وَرُسُلِهِ وَانْبِيَائِهِ

He said: When I saw that He had chosen for me the religion of His angels, His messengers, and His prophets,

عَلِمْتُ أَنَّ الَّذِي أَكْرَمَنِي بِهَذَا لَيْسَ يَنْسَانِي فَأَحْبَبْتُ لِقَاءَهُ

I knew that the One who had honoured me with this would not forget me, and so I came to love meeting Him.”

الدَّلِيلُ مِنْ حَدِيثِ النَّبِيِّ وَأَهْلِ بَيْتِهِ عَلَيْهِمُ السَّلَامُ:

The evidence from the narrations of the Prophet and his Household (peace be upon them):

عَنْ هِشَامِ بْنِ الْحَكَمِ، قَالَ: قَالَ لِي أَبُو شَاكِرٍ الدِّيَّانِيُّ:

Hisham bin al-Hakam narrated: Abu Shakir al-Daysani said to me:

(إِنَّ لِي مَسْأَلَةً تَسْتَأْذِنُ لِي عَلَى صَاحِبِكَ، فَإِنِّي قَدْ سَأَلْتُ عَنْهَا جَمَاعَةً مِنَ الْعُلَمَاءِ فَمَا أَجَابُونِي بِجَوَابٍ مُشْبِعٍ.

"I have a question. Seek permission for me to present it to your companion, for I have asked a number of scholars about it, yet none has given me a satisfactory answer.

فَقُلْتُ: هَلْ لَكَ أَنْ تُخْبِرَنِي بِهَا، فَلَعَلَّ عِنْدِي جَوَاباً تَرْضَاهُ؟

I said: Would you tell me the question? Perhaps I may have an answer that you would find acceptable.

فَقَالَ: إِنِّي أُحِبُّ أَنْ أَلْقَى بِهَا أَبَا عَبْدِ اللَّهِ عَلَيْهِ السَّلَامُ

He replied: I would prefer to present it to Abu Abd Allah (peace be upon him).

فَاسْتَأْذَنْتُ لَهُ، فَدَخَلَ

So I sought permission for him, and he entered.

فَقَالَ لَهُ: أَتَأْذُنُ لِي فِي السُّؤَالِ؟

He said to him: Do you permit me to ask a question?

فَقَالَ لَهُ: سَلْ عَمَّا بَدَا لَكَ.

He replied: Ask whatever you wish.

فَقَالَ لَهُ: مَا الدَّلِيلُ عَلَى أَنَّ لَكَ صَانِعاً؟

He said: What is the proof that you have a Maker?

فَقَالَ: وَجَدْتُ نَفْسِي لَا تَخْلُو مِنْ إِحْدَى جِهَتَيْنِ:

He replied: I found that I am not free from one of two possibilities:

إِمَّا أَنْ أَكُونَ صَنَعْتُهَا أَنَا

either I created myself,

أَوْ صَنَعْتُهَا غَيْرِي

or another created me.

فَإِنْ كُنْتُ صَنَعْتُهَا أَنَا فَلَا أَحَدٍ مَعْنَيْنِ:

If I created myself, then one of two meanings must follow:

إِمَّا أَنْ أَكُونَ صَنَعْتُهَا وَكَانَتْ مَوْجُودَةً

either I created myself while I already existed,

أَوْ صَنَعْتُهَا وَكَانَتْ مَعْدُومَةً

or I created myself while I did not exist.

فَإِنْ كُنْتُ صَنَعْتُهَا وَكَانَتْ مَوْجُودَةً فَقَدْ اسْتَعْنَتْ بِوُجُودِهَا عَنْ صَنْعَتِهَا

If I created myself while I already existed, then my existence would have rendered the act of creating myself unnecessary.

وَإِنْ كَانَتْ مَعْدُومَةً فَإِنَّكَ تَعْلَمُ أَنَّ الْمَعْدُومَ لَا يُحْدِثُ شَيْئاً

And if I did not exist, then you know that non-existence cannot bring anything into existence.

فَقَدْ ثَبَتَ الْمَعْنَى الثَّلَاثُ: أَنَّ لِي صَانِعاً

Thus, the third meaning is established: that I have a Maker,

وَهُوَ اللَّهُ رَبُّ الْعَالَمِينَ.

and He is Allah, the Lord of the worlds.

فَقَامَ وَمَا أَحَارَ جَوَاباً)

So he stood up and was unable to offer any reply.”

5- مَعْرِفَةُ اللَّهِ حَقَّ مَعْرِفَتِهِ، تَعْرِفُهُ لَيْسَ كَمِثْلِهِ شَيْءٌ.

5. True knowledge of Allah is to know that nothing is like Him.

الدَّلِيلُ مِنْ حَدِيثِ النَّبِيِّ وَأَهْلِ بَيْتِهِ عَلَيْهِمُ السَّلَامُ:

The evidence from the narrations of the Prophet and his Household (peace be upon them):

عَنْ ابْنِ عَبَّاسٍ، قَالَ: جَاءَ أَعْرَابِيٌّ إِلَى النَّبِيِّ صَلَّى اللَّهُ عَلَيْهِ وَآلِهِ وَسَلَّمَ، فَقَالَ:

Ibn Abbas narrated: A Bedouin came to the Prophet (peace be upon him and his family) and said:

(يَا رَسُولَ اللَّهِ عَلِّمْنِي مِنْ غَرَائِبِ الْعِلْمِ).

"O Messenger of Allah, teach me some of the rare and profound forms of knowledge.

قَالَ: مَا صَنَعْتَ فِي رَأْسِ الْعِلْمِ حَتَّى تَسْأَلَ عَنْ غَرَائِبِهِ؟

He said: What have you accomplished regarding the foundation of knowledge that you now ask about its rarities?

قَالَ الرَّجُلُ: مَا رَأْسُ الْعِلْمِ يَا رَسُولَ اللَّهِ؟

The man said: What is the foundation of knowledge, O Messenger of Allah?

قَالَ: مَعْرِفَةُ اللَّهِ حَقٌّ مَعْرِفَتِهِ.

He said: True knowledge of Allah.

قَالَ الْأَعْرَابِيُّ: وَمَا مَعْرِفَةُ اللَّهِ حَقٌّ مَعْرِفَتِهِ؟

The Bedouin said: And what is true knowledge of Allah?

قَالَ: تَعْرِفُهُ بِلَا مِثْلٍ، وَلَا شَبِيهِ، وَلَا نِدٍّ

He said: It is to know Him without likeness, resemblance, or equal;

وَأَنَّهُ وَاحِدٌ أَحَدٌ ظَاهِرٌ بَاطِنٌ أَوَّلٌ آخِرٌ

to know that He is the One, the Unique, the Manifest, the Hidden, the First, and the Last;

لَا كُفُوَ لَهُ وَلَا نَظِيرَ

and that He has no equal and no counterpart.

فَذَلِكَ حَقُّ مَعْرِفَتِهِ

That is true knowledge of Him."

6- نِظَامُ تَوْحِيدِ اللَّهِ نَفْيُ الصِّفَاتِ عَنْهُ.

6. The perfection of affirming Allah's Oneness lies in negating attributes from Him.

الدَّلِيلُ مِنْ حَدِيثِ النَّبِيِّ وَأَهْلِ بَيْتِهِ عَلَيْهِمُ السَّلَامُ:

The evidence from the narrations of the Prophet and his Household (peace be upon them):

قال الإمام علي بن موسى الرضا عليه السلام في حديث طويل:

Imam Ali bin Musa al-Ridha (peace be upon him) said in a lengthy narration:

(أَوَّلُ عِبَادَةِ اللَّهِ تَعَالَى مَعْرِفَتُهُ)

"The first act of worship of Allah, the Exalted, is to know Him.

وَأَصْلُ مَعْرِفَةِ اللَّهِ تَوْحِيدُهُ

The foundation of knowing Allah is affirming His Oneness.

وَنِظَامُ تَوْحِيدِ اللَّهِ تَعَالَى نَفْيُ الصِّفَاتِ عَنْهُ

The perfection of affirming His Oneness is the negation of attributes from Him.

لِشَهَادَةِ الْعُقُولِ أَنَّ كُلَّ صِفَةٍ وَمَوْصُوفٍ مَخْلُوقٌ

This is because reason bears witness that every attribute and everything described by an attribute is created.

وَشَهَادَةِ كُلِّ مَوْصُوفٍ أَنَّ لَهُ خَالِقاً لَيْسَ بِصِفَةٍ وَلَا مَوْصُوفٍ

And every created thing bears witness to a Creator who is neither an attribute nor something described by an attribute.

وَشَهَادَةِ كُلِّ صِفَةٍ وَمَوْصُوفٍ بِالِاقْتِرَانِ

Every attribute and that which it describes bear witness to association and composition.

وَشَهَادَةِ الْإِقْتِرَانِ بِالْحُدُوثِ

Association bears witness to origination.

وَشَهَادَةُ الْخُدُوثِ بِالْإِمْتِنَاعِ مِنَ الْأَزَلِ الْمُتَمَتِّعِ مِنَ الْخُدُوثِ

And origination bears witness to the impossibility of pre-eternity, for that which is pre-eternal cannot be subject to origination."

Among the questions posed to Imam Ali al-Ridha (peace be upon him) concerning Allah, the Almighty,

قال محمد بن عبد الله الخراساني خادم الإمام علي بن موسى الرضا عليه السلام، في حديث طويل:

Muhammad bin Abd Allah al-Khurasani, the servant of Imam Ali bin Musa al-Ridha (peace be upon him), said in a lengthy tradition:

(قَالَ الرَّجُلُ: فَمَا الدَّلِيلُ عَلَيْهِ:

الدَّلِيلُ مِنْ حَدِيثِ النَّبِيِّ وَأَهْلِ بَيْتِهِ عَلَيْهِمُ السَّلَامُ:

The evidence from the narrations of the Prophet and his Household (peace be upon them):

قال الإمام جعفر بن محمد الصادق عليه السلام.

Imam Ja'far bin Muhammad al-Sadiq (peace be upon him) said:

(يَا مُفَضَّلُ. أَوَّلُ الْعِبَرِ وَالْدَّلَالَةِ عَلَى الْبَارِي جَلَّ قُدْسُهُ

"O Mufadhal, the first lesson and proof of the Creator, exalted is His holiness,

تَهْنِئَةُ هَذَا الْعَالَمِ وَتَأْلِيفُ أَجْزَائِهِ وَنَظْمُهَا عَلَى مَا هِيَ عَلَيْهِ

is the preparation of this universe, the composition of its parts, and the order in which they have been arranged.

فَإِنَّكَ إِذَا تَأَمَّلْتَ الْعَالَمَ بِفِكَرِكَ وَخَبَّرْتَهُ بِعَقْلِكَ وَجَدْتَهُ كَالْبَيْتِ الْمُنْبِيِّ

If you reflect upon the universe with careful thought and examine it with your intellect, you will find it like a well-built house,

الْمُعَدِّ فِيهِ جَمِيعُ مَا يَحْتَاجُ إِلَيْهِ عِبَادُهُ

in which everything needed by its inhabitants has been provided.

فَالسَّمَاءُ مَرْفُوعَةٌ كَالسَّقْفِ

The sky is raised like a roof,

وَالْأَرْضُ مَمْدُودَةٌ كَالْبِسَاطِ

the earth spread out like a carpet,

وَالنُّجُومُ مُضِيئَةٌ كَالْمَصَابِيحِ

the stars shine like lamps,

وَالْجَوَاهِرُ مَحْزُونَةٌ كَالدَّخَائِرِ

and precious substances are stored like treasures.

وَكُلُّ شَيْءٍ فِيهَا لِشَأْنِهِ مُعَدٌّ

Everything within it has been prepared for its purpose.

وَالْإِنْسَانُ كَالْمَلِكِ ذَلِكَ الْبَيْتُ وَالْمَحَوَّلُ جَمِيعٌ مَا فِيهِ

The human being is like the king of this house, entrusted with all that it contains.

وَضُرُوبُ النَّبَاتِ مُهَيَّاةٌ لِمَارِيهِ

The various kinds of plants have been prepared for his needs,

وَصُنُوفُ الْحَيَوَانِ مَصْرُوفَةٌ فِي مَصَالِحِهِ وَمَنَافِعِهِ

and the different species of animals have been directed towards his welfare and benefit.

فَفِي هَذَا دَلَالَةٌ وَاضِحَةٌ عَلَى أَنَّ الْعَالَمَ مَخْلُوقٌ

In all of this there is a clear proof that the universe has been created

بِتَقْدِيرٍ وَحِكْمَةٍ وَنِظَامٍ وَمُلَانِمَةٍ

with measure, wisdom, order, and harmony,

وَأَنَّ الْخَالِقَ لَهُ وَاحِدٌ

and that its Creator is One.

وَهُوَ الَّذِي أَلَفَّهُمْ وَنَظَّمَهُ بَعْضاً إِلَى بَعْضٍ

He is the One who brought its parts together and arranged them in perfect order.

جَلَّ فَدُسُّهُ وَتَعَالَى جَدُّهُ وَكَرُمَ وَجْهُهُ وَلَا إِلَهَ غَيْرُهُ

Exalted is His holiness, sublime is His majesty, noble is His glory, and there is no deity besides Him.

تَعَالَى عَمَّا يَقُولُ الْجَاحِدُونَ وَجَلَّ

He is exalted above what the deniers say,

وَعَظُمَ عَمَّا يَنْتَحِلُّهُ الْمُلْجِدُونَ

and far greater than what the atheists claim."

الصانع الإنسان الإيمان

The Maker – The Human Being – Faith

إن الهدف من صياغة سطور هذا الكتاب من أجل أن يحيا الإنسان بالعلم والمعرفة في عالم تتزاحم فيه الأفكار وينتشر الظلام وتعشو الأبصار وتختلط المفاهيم وتتمزق الأرواح وتنشأت الأنفس دون رعاية حق النفس على نفسها وما ينبغي من الحفاظ عليها في حياتها وبعد موتها، وكيف يحيا الإنسان حياة طيبة، على أمل أن يجد القارئ في هذا الكتاب ما يبحث عنه للخروج من متاهات الأفكار ويُحدد وجهة المسير منه نحو طريق النور؛ ليكون مرآة لنظيره الإنسان في الخلق، يُحب له ما يُحب لنفسه ويُعامله كما يُحب أن يتعامل نظيره معه ويتشارك معه الإنسانية والحب والسلام.

THE AIM IN COMPOSING THE LINES OF THIS BOOK IS THAT THE HUMAN BEING MAY LIVE THROUGH KNOWLEDGE AND AWARENESS, IN A WORLD WHERE IDEAS CROWD ONE ANOTHER, DARKNESS SPREADS, SIGHT IS DIMMED, CONCEPTS ARE CONFUSED, SOULS ARE TORN APART, AND SELVES ARE SCATTERED, WITHOUT OBSERVING THE RIGHT OF THE SOUL OVER ITSELF, NOR WHAT OUGHT TO BE PRESERVED OF IT IN ITS LIFE AND AFTER ITS DEATH, AND HOW THE HUMAN BEING MAY LIVE A GOOD AND WHOLESOME LIFE. IT IS HOPED THAT THE READER WILL FIND IN THIS BOOK WHAT THEY SEEK, ENABLING THEM TO EMERGE FROM THE MAZES OF IDEAS, AND TO DETERMINE THEIR DIRECTION FROM IT TOWARDS THE PATH OF LIGHT, SO THAT IT MAY SERVE AS A MIRROR TO THEIR FELLOW HUMAN BEING IN CREATION, LOVING FOR THEM WHAT THEY LOVE FOR THEMSELVES, AND TREATING THEM AS THEY WISH THEIR COUNTERPART TO TREAT THEM, AND SHARING WITH THEM HUMANITY, LOVE, AND PEACE.
